

Popular Doc Ames, CCF party stalwart took off his coat and worked hard for his party cause before and during election day. Two of his workers are busy with phone and phone book gathering in the faithful, but there wasn't enough of them.

Northern Cancer Society Forms New Regional Unit

Lorne Woods, President of the Tri-Town Unit of the Canadian Cancer Society opened the annual meeting of the organization with an explanation of the recent organization of units of the Society into divisions in the province. This unit now belongs to the northern division which extends from the Tri-Town area north to Hearst. Each division sends a representative to the Ontario Board of the Cancer Society which meets in Toronto.

Lowery Taylor, treasurer, reported that the response to the spring campaign for funds had been very generous. Our objective of \$4,000 was reached. Twenty-five per cent of the money raised is spent locally. The Red Door and educational endeavour, and the maintenance of lodges for out-patients receiving treatment account for another 25 per cent of the money raised. The remaining 50 per cent of available funds is spent on research.

Mrs. G. Downie, chairman of Women's Services, reported that during the past year 15 patients were aided with transportation to treatment centres. Drugs were supplied by the unit, for nine patients, 1,500 dressings were made and distributed. Mrs. Downie then led a short discussion on ways and means of offering advice, help, and encouragement to patients in this area.

Eric Campsall gave his report on Education and Publicity. In July, Miss McNaughton brought the Little Red Door to the Tri-Town area. Fifteen major industries were visited and bulletin boards and information racks set up. A booth was set up at the Fall Fair again this year to distribute free

literature. Two educational films have now been purchased by the local Cancer Society. These films are available to any groups and may be obtained by contacting Mrs. S. Cawley, MI 7-5173.

The election of officers for the coming year resulted in the following executive:

President, Lorne Woods; first vice-president, Mrs. A. Bond; second vice-president, Cy Bazinet; treasurer, Lowery Taylor; secretary, Mrs. Peggy Ackroyd; chairman, Women's Services, Mrs. G. Downie, co-chairman, Mrs. Pearl Knox; chairman Education and Publicity, Eric Campsall; co-chairmen, Mrs. Betty Cawley and Mrs. Phyllis Alcorn; campaign chairman, Pat Bolger; co-chairman, Mrs. Morrisette.

Leader's Praise

The results in Simcoe Centre and Temiskaming are very encouraging and pleasing.

I congratulate Arthur Evans, the winner in Simcoe Centre, and Phillip Hoffman, the winner in Temiskaming.

I commend them both on their very fine campaigns, and also their faithful workers who, throughout the length and breadth of these Ridings, made possible these fine victories.

The results are a very gratifying endorsement of the Government's record and policies and are an encouragement to go ahead with our far-reaching plans and programme for future expansion and development.

Leslie M. Frost

Mobile Unit

(Continued From Page One)

are no visible wires or cables in the interior of the unit, as all wiring and cabling has been installed beneath the floor. Six wet cell batteries, in the self contained unit assure an even supply of power to the dial equipment, and in the event of a power failure, will sustain service for at least 24 hours. The mobile unit is electrically heated by two wall units and is thermostatically controlled for even temperature.

This 7100 pound unit has been designed primarily to give telephone service in areas where it is not practicable to erect a permanent building.

The initial installation of this unit will be at the Ontario Hydro Project and Colony site at Little Long Rapids, where for the next six years the Hydro will be engaged on a major construction program. Little Long Rapids, situated approximately 40 miles north of Kapuskasing, Ontario, on the Matagami River, will be the headquarters for the construction of three generating stations; — Little Long Rapids due for completion in 1963, Upper Long Rapids due for completion in 1963 and Lower Long Rapids due for completion in 1966.

One of the other possible uses for a unit of this type, is that in the event of a major breakdown in dial exchange possibly due to fire, the mobile unit could be dispatched to the scene very quickly and within a very short time provide telephone service for vital emergency services.

Bazaar Held at North Cobalt

NORTH COBALT — The North Cobalt Catholic Ladies Association held a beautifully arranged Bazaar on September 27, 28 in the Parish Hall.

Winners in the Penny Sale were Mrs. Mark Watters, Oakville; Mrs. Cyrille Jacques, Margaret Coe, Mrs. Ed. Rochon, Miss Jeanne Cyr, Riel Plouffe, Mrs. P. Brunet, Mrs. R. St. Cyr, Jr., Mrs. Irine Desmarais, Mrs. H. Bordeleau, Mrs. R. Watson, Mrs. Philipps, Mrs. Louis Fleury, Richard Presse, Mrs. Art Paquette, Johnny Palmer, Mrs. Alex Coe, North Cobalt; Mrs. W. Simpson, Hull; Mrs. Germaine Caron, M. Beatty, Haileybury; Darlene Ladouceur, Elliot Lake; Mrs. Cunningham, Cobalt; and Mrs. Frank Perriault, New Liskeard.

Special Penny Sale draw of a Camera Outfit was won by Joe Freeman of Stittsville.

The members of the Association express their appreciation to all those who attended and to all that made their bazaar such a success.
