

Across the Kitchen Table

By MRS. MAC

After a ten day holiday, or at least after ten days away from the office, I am back on the job again and it's rather nice to get into a regular routine again. My holidays coincided with those of my son and I am afraid that if he didn't, he should have, wished that his had

been when I wasn't home all the time. However, he didn't seem to mind all the extra work he did and with the help of my son-in-law we finished laying inlaid linoleum tile on the living room, dining room and kitchen and Ross was to finish the bathroom to-day before he left to go back to Cochrane. He also painted and put on the storm windows so the wind can blow if it likes.

Last Thursday we were so pleased to welcome Mrs. Cameron back to our home. She has sold her house in Cobalt and will now make her home permanently with us. To me, it is like having the sun break through the clouds, to see her waiting for me when I get home at night, and all my family feel the same way about her. She must have been "born on the Sabbath Day, for she's loving and giving, sweet and gay".

Last Saturday the Lions Midgets, in two thrill packed games, defeated Galt 6-0 and 3-1, to win the All Ontario Championship once more. Naturally, I'm fair busting with pride and will have all the boys and their parents down for their fourth bean supper on Saturday night. In a way I feel sad because the older boys will be going on to other teams and it will be the last time I'll have them all together. However, we've had some good times together and they've given me some wonderful memories.

One of the special pleasures of being in Fashion now is the fact that Stereotypes are out. No woman need wear clothes that are not on her own wave length.

Although this is the year famous for bulky hats, Balenciaga came out with the Doll hat, so those of you who cannot wear the bulky type, can still be fashionable in the pint size hat, and look wonderful, too. Evelyn has both for you.

This year, Autumn's view is easy, soft and beautiful, the ease of line is comfortable to wear and trimming over with fashion. Fluid skirt lines, pleated or gathered, give marvellous hip-ease. One dress just arrived at Evelyn's, is of soft wool jersey in gold, with a elegant shaped neckline and the new pomegranate skirt, pellow lined, has Perfection-Plus for that very special evening date. Many other arrivals in dressy or plain styles, in wool. Particularly striking is a grape tone wool knit, fully lined, plain belted sheath with oval neckline to display your favorite necklace or pin, and give you that well-dressed look at all times.

As you know, soft fluid draping is the new highlight for your dressier frocks and many of these may be seen in the new arrivals at Evelyn's. One, in the beautiful new type of silk jersey, which must be seen to be believed, comes in gold with tiny sleeves, lowered neckline, soft draping on the bodice, a short peplum at the waist and the skirt draped to the side. This is a Vogue Original. Another in grape tone has a square neck line and a hint of sleeves, the skirt gracefully draped and stirred. When Evelyn saw this modelled she found it irresistible. These and many others await your inspection.

The finishing touches of Fashion, gloves and hosiery, are in all the new fall shades. In hose, bronzing, hint-of-brown, mauve taupe, blue haze, rose beige. Definitely Neutral and carbon black. You will find that any of these darker tones, in Kayser or Phantom full fashioned hosiery, will subtly flatter and slim the ankles. When thinking of gloves, remember that Evelyn carries one of the largest selections in the north, in fine kid, suede and fabric gloves.

Christian Youth At Kirkland

Kirkland Lake has been honoured this year, by being chosen as the site for the C.Y.C.C. for the Great Northern Zone, on October 14-16 C.Y.C.C. (which stands for Christian Young Councillors Convention), focuses the youth on various Christian Faiths, on challenging problems, the theme for this year being "The Age and I", in terms of Faith, Family, Friends, Future, and Feelings.

Theme speaker will be the Rev. B. Besley, and President of the Convention will be Stan Webb, of Englehart.

This theme was selected by the boys themselves, (who range in age from 15 up to 20), and is, in reality, a "Challenge to the Youth of the Christian Church".
