

Early trapping days in the district were enacted for the Speaker by Harold "Snowshoe" Uttley and Ken "Flintlock" Murphy, direct descendants of Snowly Owl and Tecumseh who trapped the area for the Company of Gentleman Adventurers trading out of Hudson's Bay. Flintlock is dusting a portion of black powder into the ancient muzzle loader, as sealskin-clad Snowshoe gets ready to stalk the winter's meat supply. And Conrad the Moose casts a benevolent shadow over the whole proceedings.

Dignified Wedding Goal of Churches

"Here comes the bride", played at church weddings, will eventually be banished to Hollywood, an editorial in the current issue of The United Church Observer says. "Weddings have always been cluttered with secular music and vulgar display", the editorial says, but declares, "they are improving."

Young Christians, the church paper says, are anxious to have dignified church weddings. Ministers are becoming more sensitive to what is right for such occasions.

Funerals used to be marred by tasteless eulogies and sentimental preaching, The Observer contends. "Weddings and funerals are occasions for praise, thanksgiving and intercession and comforting one another in the Christian faith", the church paper reminds.

Pointing out that for many, funerals and weddings are the only time some heads are bowed in common prayer or ears tuned to the word of God, The Observer claims that such services, if properly conducted, "may be a means of grace to the converted and a time of evangelism to the non-Christian."

The Observer says that some funerals are so quick, cold and formal, "you can't help wonder if the minister thinks that the most important thing is to cooperate with the funeral director so he can get as many funerals in during one afternoon as possible.

It is several years since India became a fully independent state, but chose to remain a member of the British Commonwealth. It was declared an empire in itself in 1877 and Disraeli was responsible for gaining Queen Victoria's other title of Empress of India.

THANKS

I wish to thank all those who showed their confidence in me at the polls December 5th.

In all my dealings in council I have acted in what I thought the best interest of the town. I have felt that my job was to see that all got a square deal regardless of race or religion, whether rich or poor and without considering the losing or getting of votes on my part.

Now that I have been given another term in office I pledge that I will carry on in the same impartial manner, always taking into consideration "the most good for the most people."

Arthur H. Cooke

I wish to thank all those who voted for me and re-elected me to the Haileybury Board of Education. I will continue to serve you all to the best of my ability as I have done for the past 14 years.

every province have competed for a national ladies' curling championship. Dominion Stores Limited will sponsor the competitions, which will be held under the auspices of the Canadian Ladies' Curling Association.

The competitors will be the winning rinks of ten provincial Dominion Silver "D" competitions, all scheduled to be held during the early part of February.

Dominion Diamond "D" participants will arrive in Ottawa on Sunday, February 26. Headquarters for the championships will be the Lord Elgin Hotel.

Practice games will be held that day and in the evening the curlers will attend a special church service. This will be followed by a coffee hour and press briefing session at the Lord Elgin Hotel.

The following morning at 10 a.m., an official opening ceremony will be held at the Rideau Club. Taking part will be representatives of government, the CLCA and Dominion Stores Limited. RCAF pipers from nearby Rockcliffe Air Station will add colour and pageantry to the occasion.

The Dominion Diamond "D" will follow the straight round-robin system. Each rink will play a series of nine 10-end games in the competition.

The annual meeting of the CLCA will be held Wednesday morning, March 1. Later the same day, the curlers will be the guests of Ottawa district lady curlers at a tea at the Glebe Curling Club.

Presentation of the Dominion Diamond "D" trophy and brooches will be made at a victory banquet to be held by Dominion Stores on March 3 at the Chateau Laurier Hotel. The brooches are fashioned after the famous "D" from the Dominion Stores symbol.

National winners are awarded Dominion Diamond "D" pins, runners-up receive Dominion Gold "D" pins, while the provincial titlists are presented with Dominion Silver "D" pins.

Mrs. Hazel Watt, of Porth Arthur, president of the CLCA, is chairman of the committee arranging the Dominion Diamond "D" championships. Mrs. F. S. Browne, of Ottawa, president of the Eastern Ontario Ladies' Curling Association, is vice-chairman and the second vice-chairman is Mrs. E. H. Ferguson, also of Ottawa.
