

# Across the Kitchen Table

By MRS. MAC

One small boy (one at least, very likely more than one) thought, with the unworrying attitude of children to matters beyond their understanding, that the more than 30 years of Christ's life on earth was contained in Christmas and Easter. It is a reasonable conclusion to reach, for after a long, long build-up to Christmas we are so quickly done with it.

On Epiphany — Twelfth Day — and often before that, down comes the Christmas tree, away go the decorations, and back into its particular shelf in our mind's cupboard goes Christmas itself, to be kept out of harm's way until next year. Then there will be greetings of good will again, gifts, carols and worship at the manger where God reigns in the glory of His humility.

Meanwhile we sometimes make a mistake of pushing Him into so high and remote a heaven that we make a magician, a tyrant, even a monster of Him. Christmas wasn't the story of a darling baby looking charming in the humble surroundings of the stable. It was the story—the fact—of Almighty God made man, to serve man, to lay down His life for him, and to redeem him.

The Quest

The above article, brought to me by Mrs. George Kranz, furnishes food for thought, doesn't it? Many of us are too prone to make a big fuss during the short Christmas season and then forget all about the real reason for celebrating Christmas during the rest of the year. Still, it is good that at least for a time, the spirit of Christmas makes us have a friend-

## JANUARY CLEARANCE SALE

### SIGNS OF SPRING

(Shush up, I KNOW it stormed last week.) As I write this, (Tuesday afternoon) the sun is shining and water is lying in the potholes on the street in front of the office window. (Its nearly time for two or three men to come with a truckload of goo to fill those potholes again), and this morning, in the mail I received a copy of Tobe's unique "Growing Flowers", which combines a catalogue of practically everything anyone would want to grow, and a book of hundreds of philosophical observations, each one spiced with irony, humour or sarcasm, plus a deep knowledge of human nature. It is the sort of thing one likes to read before dropping off to sleep, because it clears the mind of worrying little problems and leaves a chuckle in their place. It is free for the asking and if anyone wants the address, I have it here.

Spring really IS coming, you know. January is almost half over, February is a short month and on St. Patrick's Day March is half gone. Now what more do you want?

## Briden - Bell

The chapel of First St. Andrew's United Church, London, Ontario, was the setting for the marriage of Miss Barbara Heron Bell, daughter of Mr. and Mrs. John A. Bell, and Mr. Heber Alexander Briden, son of Mr. and Mrs. Heber B. Briden of Haileybury. The Very Rev. Angus McQueen officiated.

For her wedding, the bride wore a gown of French wool in a deep shade of moss green, with a small halo headdress of blended feathers.

Following the ceremony, a reception was held at the home of the bride's parents. On their return from a trip to Quebec City, Mr. and Mrs. Briden will make their home in Cassiar, B.C.

Mr. and Mrs. H. B. Briden were in London to attend the wedding.

## School Curlers At Kirkland

A rink from the Haileybury High School has been entered in the Canadian School Curling Association and games are scheduled in Kirkland Lake on Friday and Saturday, January 14th and 15th.

The Haileybury team will be skipped by Rodney Doran, with John Horncastle, Vice-skip, Paul Hough second, and Bob Grozelle, lead. They will play a round robin with teams from Timmins, Kapuskasing, Noranda, Kirkland Lake, Schumacher and South Porcupine. The winner from this series will advance into the finals for Northern Ontario, which will be played at Port Arthur. The Dominion School Boy Champions this year will be held in Vancouver, B.C., with teams representing each province and also a team from Northern Ontario.

## C.G.I.T. Begin Their Mission Study

There are now two groups of Canadian Girls in Training in Haileybury, the Seniors, called the Northern Lights, and the Intermediate under the leadership of Miss Jean McGill, who are known as the Stars of the North.

Both groups were responsible for the annual Vesper service, with Miss Jean Humphrey leading the service. Miss Daintrie MacDougall sang a solo, "In the Bleak Midwinter". Beverley Childs and Veronica Gagnon presented "All the Night My Heart Rejoices" as a duet.

Following this the Northern Light Group held a party and packed a basket for a needy family.

Since Christmas they have started on their Mission Study, which is a six week project. Their plans for the coming year include a Christian Youth Week, from January 30 to February 5th; a World Day of Prayer; a Fireside Hour and a Youth Rally for girls from 12 to 17 years of age, to be held in Haileybury in May.

### Care A Continental?

The expression "not worth a continental" is traced to the Revolutionary War in the United States. The currency issued in large quantities to pay for the war quickly decreased in value until it became almost worthless.

## Tournament Held At Haileybury

Bucke and Haileybury Junior Badminton Club held a Club Tournament to round off their activities for the Christmas holidays. The club is very active this year with forty members between the ages of twelve and eighteen taking part.

An elimination tournament was played consisting of ladies' doubles, men's doubles and the mixed doubles.

The interest was very keen as players teamed up for the competition. Playing was especially good as the games moved into the final rounds.

The Haileyburian

Page 7

Winners of the ladies' doubles event were Rita Davies and Evelyn Rivard, defeating a sister team of Phylis and Eileen Evans by scores of 11-15, 15-7, and 15-5.

Winners of the men's doubles were Jack Perry and Brian Mahon, defeating Bert Perry and Gary Lafoy by scores of 11-15, 15-2, and 15-12.

Winners of the mixed doubles were Jack Perry and Evelyn Rivard, defeating Brian Mahon and Beverley Childs by scores of 15-12, 12-15, and 15-10.

All players are to be congratulated on their wonderful team spirit and tournament interest. It promises to be a very active year in the club. Tournaments are already planned against New Liskeard, Cobalt, and maybe Noranda in the year of 1961.
