

Cubs Take Revenge Dump Irish 10-4

New Liskeard Cubs swamped the second place Holy Name Irish 10-4 in a scheduled game at the Memorial Arena last Friday evening and moved into a five-point lead in the Kirkland and District Hockey League.

Terry Vail, out of action since before Christmas, swung back into the scoring lead with five goals and two assists. This is the third time this year that Vail has counted five in one game, and they have all been against his cousins, Holy Name Irish.

He is also the first player to reach 40 goals this year, and also the first to reach this total in the league since 1958. His record this year so far is 40 goals and 28 assists.

Denis Larouche, who was leading scorer when the game started, picked up five assists, but no goals. He has a sharp 67 points for the season.

Billy White, up from the Midgets for this game scored the first counter for the Cubs, and looked good doing it. Cubs picked up two more during the period, with Belanger getting the second and Vail starting off on his big night.

Savage and Cain counted for the Irish, who trailed by one goal at the end of the first stanza.

Holy Name tied the count in less than a minute, after the teams returned to the ice, and it took the Cubs eight minutes before they could get that one back. Fern Belanger pulled the trigger on this one.

Peter Grant lugged the puck from behind the blue line, and whipped a 30 footer past Bonney to move the Cubs in front with what proved to be the winning goal.

John Haines picked up the insurance goal after five minutes of play when he caught the top corner with a Vail, Larouche relay.

Vail picked up a one inning hat trick in the next four minutes, eased up for a breather and then counted another. Somewhere in the middle, Antoniazzi scored for the Irish.

The first period was almost free of penalties, Conlin was the only one who caught the eye of the referee in 20 minutes of play. In the second period Irish offended five times and Liskeard two.

In the third period MacDonald and Grant traded punches and were tagged with majors, and started a procession to the sin bin, Liskeard picked up eight minors and the Irish three.

Three-way Tie In Diamond D Playoff

The ladies who have been curling at the local rink in the Diamond "D" playoffs have been doing so under difficulties. The extreme cold necessitated the postponing of the final games.

Six rinks entered the competition, two from North Bay, two from New Liskeard and two from Haileybury, the two North Bay rinks and one from Haileybury had been eliminated, leaving two New Liskeard rinks and one from Haileybury tied with four games each.

Mrs. Adele Maloney, skip of the Haileybury rink, got the bye and the two New Liskeard rinks, skipped by Mrs. Marge Cook and Mrs. Della Maguire will play off at the New Liskeard rink Wednesday at three o'clock. Later this week Mrs. Maloney's team will play the winning New Liskeard rink for the privilege of representing this Zone.

The personnel of the six competing rinks are as follows, with the names in order, skip, vice second and lead:

North Bay, Mrs. Fischer, M. McLeod, P. Dennis and Mrs. McDonald; Mrs. Wallace, B. Harvey, H. Duquette and B. Valin.

New Liskeard, Mrs. Marge Cook, Ev. Sargent, T. Cote and Nola Ross; Mrs. Della Maguire, Florence Fowler, M. Dobson and V. Turnbull.

Haileybury, Mrs. Adele Maloney, H. Mallett, W. Kelly and R. Sweeney; Mrs. Audrey Bond, Pearl Knox, Bev. Richards and Y. Fleming.

Ladies of F.F.C.F. At Monthly Meet

The ladies of the F.F.C.F. held their monthly meeting in the parish hall on Tuesday evening, with the president in the chair.

The meeting opened with prayer and "O Canada", then Mrs. Simard wished the members and their families happiness in the New Year and thanked them all sincerely for their co-operation at all times, mentioning especially the good understanding that exists between the members, making her task as president so much more pleasant.

After reading of the minutes and correspondence, the sick committee, with T. Forget as convener, reported thirty visits to the elderly patients at the hospital and gifts

were distributed to all of them as Christmas cheer.

Donations were made to the Catholic Brownies for a Christmas party, also a donation of \$200 to the Catholic Girl Guides for camping equipment and send a girl to school camp in Montreal.

The library committee, Mrs. O. Gravel and Mrs. L. Charette, reported that two orders of French books were in, but not yet on the shelves.

Mrs. A. Renaud gave a few kitchen hints and Mrs. L. Parent entertained the ladies for a while with "Fashions for Spring".

The F.F.C.F. donated soft drinks for a group of ninety girls of the Sacred Heart Cadets from the Tri-Town area, who met in the Parish Hall on January 15.

Mrs. L. Charette, convener of the chocolate sale, gave a splendid report and the president congratulated her on her good work. She was presented with a small gift of appreciation. Prizes for the three best sellers went to Mrs. A. Renaud, Mrs. T. Forget and Mrs. J. Beaudoin.

The director, Mgr. J. Landriault, encouraged the members to continue their good work and asked that they be faithful to the monthly communion. He also expressed his admiration for the good will of the members when they were called on for their share of the work.

The attendance prize was won by Mrs. W. E. Vannier. It was a volume called "Ste. Missa est", an explanation of all the different parts of the mass and was a gift from the director.

Lunch was served by Mrs. L. Desjardins, Mrs. D. Veale and Mrs. L. Simard. The meeting adjourned with the singing of "Our Lady of Canada".

Calendar Confusion

The arrival of a New Year calls to mind the various calendars which have been in use throughout the world. Neither the Roman calendar nor its successor, the Julian calendar, coincided with a true year. As time went on confusion resulted. It was not removed until Pope Gregory introduced his calendar in 1582 and established the year at 365 days 5 hours 49 minutes and 12 seconds. However, England did not adopt this calendar until 1752 and when it came into force eleven days had to be dropped to make it work.

Alimak Raise Climber Shown at CIMM Meet

The Cobalt Branch of the Canadian Institute of Mining and Metallurgy held its regular monthly meeting in the Haileybury Legion Hall on the evening of January 19, 1961. Thirty-five members were in attendance.

Mr. H. G. Pickard, vice-chairman, conducted the meeting as the branch chairman, Mr. J. E. Armstrong was absent due to illness.

The meeting was brought to order at 8:30 p.m. and secretary H. O. Johnson read the minutes of the previous meeting. Mr. J. D. Frey proposed that the minutes be adopted as read and Mr. C. Cammell seconded the motion. Motion unanimously carried.

Mr. J. D. Frey introduced the guest speaker, Mr. T. M. Childerhose, who is vice-president and sales manager of Mine Equipment Co. Ltd.

Mr. Childerhose gave a very interesting illustrated talk about a comparatively new mining machine called the Alimak Raise Climber. This machine was introduced into Canada from Sweden in 1959 by Mine Equipment Co.

The Raise Climber is driven by two air motors and trails an air hose which automatically winds or unwinds on a reel as the machine descends or ascends a raise. The machine climbs a rigid mast which is bolted to the arise wall at the rate of 40 feet per minute and descends at about 60 feet per minute.

The miners ride in a small cage which is suspended under the platform and go through a trap-door onto the top of the platform to scale and rill off the raise round. Air and water lines for drilling and blowing smoke after a blast are carried as in integral part of the mast.

Mining companies using this machine have had very good results costwise and the Raise Climber is finding increasing favour among Canadian mines.

Mr. A. B. Stothart thanked the speaker on behalf of the attend-

ing members and as there was no further business vice-chairman Pickard adjourned the meeting and refreshments were served.

The next branch meeting will be held on February 17 and will feature Mr. Gordon Bragg, Field Geologist, of Upper Canada Mines Ltd, as speaker. Mr. Bragg will give an illustrated talk about his recent trip to the arctic.
