

Jimmy Michiel, president of the New Liskeard Curling Club dropped in at the Cobalt-Haileybury Curling Club to compliment members on the able way in which they were handling their part of the arrangements. He is shown here talking with Gerry Jerome, Keith Venner, Ted Fitzgerald and George Byles.

Taylor Pipe, Haileybury's grand old curler didn't win any of the events in the T and NO held at New Liskeard last weekend, an unusual thing for him, but he did collect a prize as the oldest curler in the competition. His many friends in the district forecast that he will be taking this prize, along with event prizes for the next 20 years at least. With him is Corley Martin, the affable skip of the Elk Lake rink.

Federal Building Contract To Hill - Clark - Francis Ltd.

A \$53,187 contract has been awarded by the Department of Public Works to Hill-Clark-Francis Limited, to carry out alterations to the Federal Building at Kirkland Lake, Ont., it was announced today by the Honourable David J. Walker, Minister of Public Works.

The firm submitted the lowest bid of two in response to advertising for public tenders. The high

bid was \$65,000. The work is scheduled for completion in six months. The alterations will be made in the basement, first, second and third floors. The basement improvements include new partitions, floor repairs and the installation of a three compartment sink in the kitchen.

The first floor alterations include new partitions, enlarging the vestibule at the main entrance and the

installation of a cabinet heater near the doorway. Some floor repairs will also be made and counters and lock boxes will be relocated.

A partition will be removed on the second floor to make one large room, floors will be repaired and some minor plumbing changes made. Complete electrical rewiring of the three floors will be incorporated and new fluorescent and incandescent lighting will be installed. The repairs are required as the result of fire damage to the building.

Plans and specifications were prepared in the Toronto District Architect's Office of the Department of Public Works. Mr. J. E. Kelly, District Architect at Toronto, will be responsible for supervision of the work.

St. Paul's Women's Auxiliary Holds Installation Service

Father Roy Nixon conducted the "Service of Installation of Officers in the Woman's Auxiliary" in St. Paul's Anglican Church on February 7. Following the service, the regular monthly meeting was held in the Parish Hall.

It was decided that sewing meetings would be held once a month, at which time, articles for a Christmas gift table would be made, in addition to the work required for the bale which goes to the Shinwak Indian School.

Tentative dates were set for the various projects, June 22 for the Parish Fair and November 4 for

the Christmas Bazaar. The members have pledged \$500 towards parish improvements, over and above their diocesan obligations, which means another year of hard work.

Members were reminded of the World Day of Prayer being held Friday, February 17, at the Pentecostal Church, also of the Girls' Auxiliary Tea on February 18.

Mrs. C. Grozelle and Mrs. J. Shoultice very kindly agreed to convene the luncheon for the Girls' Auxiliary Rally being held in St. Paul's on March 4. When approximately 45 teenage girls from the Temiskaming Deanery will meet for a Holy Communion Service, followed by competitions on their various projects. The winners in each event will enter the Diocesan finals.

Members were asked to round up all their Canada Packers labels and bring them to the next sewing meeting.

At the conclusion of the business session, Father Nixon gave a most interesting talk on Religious Vocations.

Pupils Tour Ideal Dairy

The pupils of Grade Five, Haileybury Public School, and their teacher, Mrs. Ruby Stevenson, paid a visit to the Ideal Dairy last week and were shown the complete processing of milk from the time it arrives at the Dairy in the farmer's cans until it is in the bottles ready for distribution to the users.

They were taken through the plant, while an attendant explained the part each machine played in homogenizing and pasturizing, plus the cooling unit, bottle filler and capper. When they were finished their tour of the plant, each pupil was given a bottle of chocolate milk.

Mrs. Stevenson and her pupils are very appreciative of the courtesy shown them by the Dairy proprietors.

Grade Five have also held their annual Valentine Candy Sale whereby they raise money for the Junior Red Cross. This year it was held in the school hall, with appropriate decorations, and the sum of \$35.00 was realized. This was made possible because of very generous donations from the parents, and the thanks of both teacher and pupils are extended to them.

IODE Observed Founder's Day

When the Imperial Order Daughters of the Empire (I.O.D.E.) observed Founder's Day on February 13, it was not only to mark the 61st anniversary of the Order but also to identify itself with the Arctic as being the first women's national organization to have a building project in the far north. During the past year the I.O.D.E. erected a community hall at Frobisher Bay and Mrs. Peter L. Robinson, National President, and Mrs. R. C. Latimer, Chairman of the Eskimo Fund, participated in the opening.

Plans are now under way for a second hall, this to be erected in the Western Arctic at Tuktoyaktuk.

Organized in 1900 by Mrs. Clark Murray of Montreal, the Order now has 984 chapters reaching from Yukon to Newfoundland, and is affiliated with chapters in Bermuda and the Bahamas, the Daughters of the British Empire in the United States and the Victoria League in England.

Thirty-one thousand voluntary women comprise the membership which distributes approximately a million dollars annually.

One-quarter of this amount (\$250,000) is spent on education. During the past year 2,264 schools were assisted and 1649 scholarships, bursaries and grants were awarded. The interests of the Order recognize no boundaries, and from the project in the far north, they extend to the Federation of the West Indies and British Honduras where seventeen schools were adopted in the year just past.

From its First and Second War Memorial Funds, the I.O.D.E. provided thirteen overseas post-graduate scholarships of \$2,000 each and awarded 68 bursaries in Canadian universities to the value

Letters to the Editor

In the past two issues of the Haileyburian we have noted a specific name used in connection with an office held and a connection of that name used in a subsequent issue.

In the interest of perfection we would like to point out the correct means of using a lady's name, who is officially connected with office. A lady whose husband is living and has no connection in the matter would use her given name, as in the same instance as a lady whose husband had pre-deceased her. In the case of a lady being mentioned only as to generalities or in connection with her husband's activities would then use the initials of that of her husband.

Protocol Canadian universities to the value

Correction

The names of Miss Lucy Gauthier and the goalie, Mrs. Elaine Martel, were inadvertently omitted from the account of the Ladies' Broomball in last week's paper. Also Mrs. Eileen O'Grady will be with the team at Temagami and Timmins.

The proceeds of the draw are to help finance the trip to Timmins, not to purchase sweaters. The sponsoring firm, Buck Appliances, supplied the sweaters for the team.

of twenty-five thousand, two hundred dollars (\$25,200), to children of Canadian war veterans.

In the field of service, half a million is spent annually, \$400,000 in Canada, and \$100,000 in supplies shipped to Europe, Africa, Korea and the West Indies. Thousands of knitted and sewn articles of clothing and quilts are made by the members and distributed, and chapters have undertaken the sponsorship of destitute and refugee children.

By its diversity of interests, the I.O.D.E. offers a satisfying outlet to any woman who is a Canadian citizen or a British subject, and who would like to identify herself with a patriotic and at the same time non-sectarian organization.

Baptists Observe Youth Week

To mark the end of Christian Youth Week, on Sunday, February 5, both the morning and evening services in Haileybury Baptist Church were conducted by the B.H.F. and Explorers Group.

Taking part in the morning service were Wesley Kranz, Patricia Sullivan, Frances Parcher, Rosanne deVries, Joe Tresidder, and Terry Gagnon.

The Explorer's Group presented a musical number, "Children Who Walk In Jesus' Way". Miss Colleen Riley told a children's story, and the message was brought by Mr. Norman Bartlett of First Baptist Church, New Liskeard, and co-leader of the B.H.F. in that church.

Taking part in the evening service were Robert Gagnon, David deVries, Karen Kelly, Jackie Parcher, Patricia Sullivan, and Wesley Kranz. The Explorers sang "This Is My Father's World". The message was brought by Mr. Gerry Kelly, co-leader of the B.H.F. in the Haileybury Church.

Following the evening service a number of the B.H.F. accompanied by Mrs. W. Hopkins, Mrs. Kranz, and Mr. Kelly joined with the youth groups of the United and Anglican Churches in the basement of the United Church for a Youth Rally.
