# Academy Events North Cobalt Home and School

By **DIANE ROBERT**

Once again, Saint Mary's Academy brings you a full report of its past two weeks' activity. Boarders and day pupils of Grades 12 and 13 gathered on Friday, Saturday and Sunday the 10th, 11th and 12th for the annual retreat preached by Rev. Father Bellerose. These days of silence were given to us as a special guidance program. Grade 11 pupils had prepared a short program for the evening Sunday, in which they showed the special calling of our predecessors.

Taking a leap in the world of sports, we see that basketball is really a favourite at Saint Mary's. The Seniors' playoff between 12A and 12B took place on Tuesday. 12B valiantly fought their way to a score of 22 to 13. Both teams efficiently handled the ball throughout the whole of the game. Credit must be given to our referee, Alice Cote. 12B will now play against the winning Junior team.

On Sunday the 18, a group of pupils were received to the first and second degrees of the association "Les Amies du Bon Language". Grade 11 pupils staged scenes of Corneille's French classic, "Le Cid". Congratulations to our young amateurs!

The monthly A.J.F.O.'s meeting was held on Sunday the 18th to discuss of French literature, actualities. Special attention will be given to the correction of our French current language. The president welcomed new members and expressed the wish that everyone would co-operate to make the A.J.F.O. a lively association. Congratulations must also be extended to all music pupils who have successfully passed their examinations.

## Deadline Set For Festival

In just a little over six weeks, the Temiskaming Festival of Music will be in full swing. Officials connected with it are asking that entries be sent in as soon as possible as the deadline is the middle of March, with Festival dates set as May third, fourth and fifth.

The adjudicators are David Ouchterlony, already well-known by competitors at previous Festivals, and John Hodgins, both of Toronto.

Last year's entries almost reached the 600 mark and it is hoped that this year's may be even larger. Including individual entries, groups and choruses, approximately 1,500 persons took part last year.

Entry forms may be obtained from W. S. Carr, secretary, or from Miss Gladys Dodge at the New Liskeard High School.

## CARD OF THANKS

I would like to express my sincere thanks and appreciation to my friends, the organizations, schools, fellow-workers and all others, who, in any way, helped to make my birthday party one that will be long remembered. Muriel Rice

## Kuentz Orchestra Play at St. Mary's

Come one, come all to the big event of the J.M.C. season as they present "The Paul Kuentz Chamber Orchestra" from Paris, on February 27th at St. Mary's Academy.

In 1950 Paul Kuentz founded a chamber orchestra made up of 12 young instrumentalists, all First Prize winners from the Paris Conservatory. They gave their first concert in the Salle Gaveau, Paris, in April 1951.

The concert was a great success and the orchestra went on to perform regularly on the French television and radio networks as well as in Paris concert halls.

The group went on tour for the Jeunesses Musicales de France and the youthfulness of the musicians contributed largely to their success among their young audiences. At least a dozen recordings of the Paul Kuentz Orchestra are available through your J.M.C. Record Club.
