Busy Schedule For Rotarians

At the meeting of the Rotary Club held Monday night, March 20, congratulations were extended Max Whitby, who has been operating Whitby's Pharmacy in Haileybury for twenty-five years. In July, Mr. Whitby will have another anniversary, when he will have completed a quarter century of service in the Rotary Club.

Plans are being laid for holding a Rose Day in June. Sam Hughes, Max Whitby, Lorne Charbonneau, Darryl Hogan and Fred Thompson were appointed to take care of the roses when they arrive. Merv. Lavigne, Dick Fleming, Bud Brooks, Clarence Tuer and Ian MacDiarmid will be responsible for packing and Jack Lecky, Bob Fleming, Bob Fox, Egerton Peacock, George Morissette and George Cassidy will man the delivery vans.

Last week, St. Patrick's Day was celebrated with Darryl Hogan arranging an excellent program which included songs by Miss Daintrie MacDougall, accompanied by Mrs. J. A. Joyal. Last week, too, the Club was privileged to have as visitors the District Governor, Dooley Greer, and two past Governors, Art Ferguson of Gravenhurst and Bert Horton of Huntsville. They were on their way to visit the Rouyn-Noranda and Kirkland Lake Clubs.

The nominating committee have submitted the following slate of officers for 1961-62 for the approval of the members; President, Ken Macdonald; Vice-President, Bob Fox; Secretary, Clarence Tuer; Treasurer, Jack Lecky; Directors, Sam Hughes, Merv. Lavigne, Klass Sroka and Darryl Hogan.

The Inter-City meeting at Rouyn-Noranda on April 15 is open to all members and their ladies, and it is hoped that the Haileybury Club will be well represented. The speaker will be Dr. Cecil Martin of Lachute, Quebec.

Members are reminded that Rotary Foundation Fellow is to be elected this year and nominations of worthy students should be considered.

Curling with fellow Rotarians of Englehart will be a highlight of this week.

The attendance average of 78.57 is better than last year's 72 per cent, but not as good as the 95.00 achieved last fall. Each absent member who fails to make up his attendance costs the Club five per cent.

Although more research work throughout the world is being done on cancer than on any other medical problem, scientists still have not discovered the cause.

Lay Plans for Red Shield Appeal

Plans are being laid for the Red Shield Appeal which will be conducted by the Salvation Army during the month of May.

The chairman of the Haileybury Campaign committee is Mr. Robert McGill, with Mr. Max Whitby as vice-chairman. The treasurer is Mr. K. J. Macdonald, manager of the Bank of Nova Scotia. Mr. T. Tulloch is the Business chairman.

Mrs. D. Scanlan will be the Residential chairman and Mrs. J. H. McDonald, Publicity Chairman.

Captain Hubert Tilly, of Sudbury, who is the Campaign Director, was in Haileybury recently, setting the wheels in motion for a successful campaign.

In these days of drives, tag days, blitz efforts and all the other community efforts which the average citizen is asked to contribute to, the work of the Salvation Army stands out clearly as a worthwhile project to support. They give assistance where it is needed most, helping and encouraging those whom many of us "pass by on the other side."

Letters to the Editor

16 Ingleside Dr.,
Downsview, Ont.

Editor, Haileyburian.

Sir:

I cannot but quote Robert Burns:
O Wad some power the giftie
tae gie us!

To see ownsel as others see us
It wad foal monie a blunder
face us.

A Foolish Motion:

To the Haileybury Council's motion of Mr. Lavigne and Mr. M. Buffam to ask Mr. Foster Rice to contact the federal government with the view of getting a new federal building, post office and government offices. It is obvious the Mayor and Council were ignorant of the fact they cannot aggrandize Mr. Rice, only the electors exercising their franchise have that power. It is also obvious the Mayor and Council have not shaken the sting of the defeat of Mr. Rice in 1958, as quoted in the Haileyburian April, 1958, Mr. Cooke said, "Quote, 'Mr. Peters would be lucky if he was allowed to stand in the House', end of quote. Mr. Peters has convictions and has the courage to fight for them and is known all over Canada as a man of courage. I doubt if I could say the same of Mr. Rice, like many more back benchers he would stand and vote at the crack of the Tory whip.

The Mayor's and Council's memories must have betrayed them. In a democracy the majority rules whether they like it or not.

It must be very obvious to all your readers the Mayor and Council are in a state of egocentricity.

Yours truly,
Jas. MacFarlane.
