

Mr. and Mrs. Wayne Green are shown following their recent marriage in Cobalt. The bride is the daughter of Mr. and Mrs. James Hassett of Cobalt. The groom is the son of Mrs. Ruth Green of North Bay and the late Nelson Green. With the young couple are their attendants, Mr. and Mrs. Sam Sullivan of Cobalt.

Cubs Lose Northern Finals Two Straight To Espanola

Espanola Lions lowered the boom on New Liskeard Cubs last Saturday night, and won their second straight game to take the series and the NOHA championship by a 6-5 score and a two games to nil count.

The Cubs, fired up by their Friday night defeat, took control of the puck and poured a barrage of rubber at Dubousky in the Lions net, but the stocky netminder handled all their drives, but one. He was lucky as well as good, shots by Grant and Vail which had him beaten hit the post and bounced into the clear. He stopped 17 shots during the red hot period. Fern Belanger was the only man able to put the puck in the net.

Lions managed a meagre seven shots at the Liskeard net, but French, Smelter and Allain each blasted one past Grenon.

In the second period the Cubs found the range, and although shots on goal were even for the teams, the Cubs counted three to give them a one goal lead, with 20 minutes left to play. Grant, Haines and Melong were point-getters for the Cubs.

It took Espanola just five minutes in the third period to tie the score, take the lead and add an insurance counter, and then the team dropped into a tight defensive pattern that the Cubs had difficulty in piercing.

Downie shortened their lead to one goal, with less than five minutes to play, and the Cubs pulled out all the stops to get the equalizer.

Larouche gave the fans a thrill when he caught Haines' clearing pass, and was away in front, but he lost control of the puck for a moment, and his shot trickled past the corner.

The Cubs were storming the Espanola citadel when the buzzer sounded to end the game and their bid for the championship, but the Lions defence held.

Coach Don Shepherdson was disappointed at the result of the series, but had no complaints to make.

"We made a few costly mistakes," he said, "but the worst one was that we under-estimated Espanola. We had just come out of a really tough series against South Porcupine, and I guess we thought it wasn't possible to meet another team quite as tough."

Although the Cubs have had a long season, they are not yet hanging up their gear. They will meet an All-Star team of former juveniles and intermediate players in a benefit game for the Nurses' Residence. The game will be held Friday night in the local area. Face off at 8:30 p.m.

Espanola — Goal, Dubousky; defence, Handford, Little; forwards, Fallat, Currie, Allain; alternates, Palmquist, Leduc, Williamson, Poynter, Dunn, French, McLennen, Smelter, Johansson.

New Liskeard — Goal, Grenon; defence, Grant, Houle; forwards, Downie, Belanger, Conlin; alternates, Vail, Haines, Larouche, Lawless, Melong, Campbell, Farrow, Ryan, Steele.

Officials — "Porky" Watters, New Liskeard; Gus Plager, Kirkland Lake.

First Period

1. Espanola — French (Poynter) 5:55
 2. New Liskeard — Belanger (Vail, Downie) 8:25
 3. Espanola — Smelter (Johansson) 15:15
 4. Espanola — Allain (Williamson) 16:38
- Penalties — Dunn 6:07, Allain 7:33, Palmquist 16:55.

Second Period

5. New Liskeard — Grant (Vail) 6:07
 6. New Liskeard — Haines (Downie, Larouche) 7:36
 7. New Liskeard — Melong (Lawless) 8:16
- Penalties — Williamson 1:24, Little 5:35, Ryan 10:30, Johansson 10:30, Ryan 10:30, Downie 11:04, Melong 18:00, Dunn 18:00, Handford 19:48.

Third Period

8. Espanola — McLennen (Palmquist, Johansson) 3:21
 9. Espanola — Poynter (French, Little) 4:00
 10. Espanola — Allain 5:39
 11. New Liskeard — Downie (Larouche, Vail) 15:26
- Penalties — Williamson 6:05, Steele 9:39, Currie 11:14, McLennen 12:17, Steele 14:45, Leduc 14:45, Palmquist 14:59, Poynter 19:47.

Examinations to Enter Grade 13

After this year all promotions to Grade 13 in secondary schools will be on the basis of examinations from Grade 12. The Department of Education is dispensing with the old system of recommendations, the ministry of education has announced.

Deputy Education Minister C. W. Booth told the Ontario Secondary School Headmasters' Association that the new policy was the result of experimental Grade 12 tests given by the Department in 1958-9-60.

The Department had been encouraging principals to discard the recommendation system. Writing of final Grade 12 exams has been required in Toronto for the last five years.

He said the change will prepare students for more difficult departmental exams encountered in Grade 13.

The headmasters were told by Dr. C. A. Brown, registrar of the Ontario Department of Education, that Grade 13 examinations are the best indication of how a student will do in university.

He told the association that universities are trying to blame their difficulties with increasing numbers of applications on the examination and the marking procedure.

Dr. Brown said his department is taking steps to speed up the marking of papers. Because of difficulties involved it was unlikely results would be available any earlier.

Surprise Presentation

Miss Ethel Graff, whose marriage will be an event of early April, was honored at a surprise presentation and tea on Tuesday afternoon. It was arranged by her fellow workers on the staff of the Haileybury Public School.

The principal, Mr. C. E. Blackwell, made the presentation of a beautiful wool blanket, on behalf of the staff members, and extended their good wishes for future happiness. Following the presentation, an enjoyable time was spent during the tea hour.

District Conservatives Set Date For Convention

Temiskaming Conservatives, who met in Haileybury last week, heard that there will not be an election in 1961, and set their convention date for October in spite of pressure for an earlier date.

The motion received substantial support from the 100 or more delegates who crowded into the meeting room, but Dave Mann from Virginiatown and Joe Mavrinac of Kirkland Lake asked for an earlier nomination meeting. Mr. Mann expressed the view of many from the Northern part of the riding when he said that a candidate should be named with the least possible delay. Mr. Mavrinac said that the riding covered such a wide area that it took considerable time for a candidate to contact the electors. He felt that an early nomination would be advantageous to the candidate.

President, Mrs. G. A. Hodgson of Englehart said that she had been assured by responsible members of the government that there would not be an election in 1961. "And we have also been advised against having a convention too far in advance of the election," she said.

Delegates elected a new executive for the riding, Mrs. Hodgson was re-elected as president, Joe Mavrinac, 1st vice-president, Chas. Bowie, second vice-president, the secretary will be appointed by the executive which will include presidents and secretaries from local associations throughout the riding.

A suggestion by Mrs. Hodgson that a letter of sympathy be sent to Walter Little, ill at his home in Kirkland Lake was unanimously approved.

Mrs. Hodgson said that Mr. Little had served the district faithfully for 18 years as federal mem-

ber for the riding. During that time, she said, he had earned the respect of all people, regardless of their political affiliations.

Pension Hike

War veterans who have been receiving a pension from the government received a welcome Easter present this year.

Notice has been received that the Pension Act will be amended, and will, among other things, provide for an increase in the basic rate of pension, effective March 1, 1961.

Bad Yankee Bills Appear in North

Counterfeit USA \$20 bills are appearing in Northern Ontario, and the RCMP is asking businessmen and citizens to be on the lookout for the bogus issue.

The serial numbers are as follows:

- E92737275A
- A66556809A
- A66176771A
- E92957297A
- A66256779A
- A66056759A
- A66276781A

The bills bear face plate E17 and back plate 888. Upon close examination, these numbers can be seen on the backs and fronts of the bills. Anyone having information on the bills or persons attempting to pass them is asked to notify the nearest police department, where ever possible, giving a description of the passer.

April 7 Is World Health Day

"Accidents Need Not Happen" theme for 1961

Though she doesn't know it, this little lady is playing with danger. For the scissors she holds can be, in hands as young as hers, as deadly as a loaded pistol.

And accidents such as the one this child is courting are all the more tragic because they need never have happened. In the majority of cases, simple safety measures on the part of adults could prevent the thousands of accidents that yearly bring tragedy to homes around the world.

It is in recognition of accidents as a growing health problem throughout the world that the World Health Organization has chosen "Accidents Need Not Happen" as the theme for the celebration April 7 of the 13th anniversary of its founding.

WHO and its 105 Full and four Associate Member States are working to reduce the hazards to health that accidents of all description represent — in the home, on the farm, in industry, aboard ships at sea, planes in the air, trains on land, and in the streets of the world's cities and towns.

Of all accidents, those affecting children are perhaps the most costly and tragic.

For the loss or maiming of a child not only brings sorrow to his family — it also robs the nation of a part of its future.

Yet this year such adult oversights as a tube of aspirin left within a child's reach, an unguarded kettle of boiling water, or a forgotten pair of scissors or sharp-edged tool will make more cripples and kill more children around the world than polio and tuberculosis combined.

WHO and its Member States are doing their best to eliminate such needless tragedy. Their global campaign against accidents needs more than purely official support, however. It needs the help of all parents, indeed of all men and women everywhere who would reduce this dreadful toll on human life and well being. It needs your help.

Siscoe Mines Annual Report

Siscoe Mines reports net income of \$208,273, highest since 1951. Results were after depreciation charges of \$131,724 (119,228 - 1959) and mining and income taxes of \$66,089 (\$55,433 - 1959).

Improved results are attributed to continued fine silver production at Siscoe Metals of Ontario Limited of 1,420,144 ounces, off slightly from the 1959 year output of 1,444,425 ounces. Mine exploration resulted in discovery of ore in two sections of the mine hitherto regarded as unproductive, which are thought to hold considerable promise. Mining costs were

cut from \$13.67 to \$13.09 per ton, while tonnage milled was increased by five per cent.

Net working capital, including investment at cost, was \$1,158,369 (\$1,111,567 - 1959). On the basis of the year end market values of the investments held, working capital was \$1,916,261 (\$2,017,876 - 1959).

The report also states profitable operations are indicated in the current year for its subsidiary Siscalta Oils Limited - 58.5% owned — as a result of increased sales of export gas to the United States.
