Memories of Europe

These memories are mine and nothing will Erase their outlines from my inner view:
The purple heather on a Scottish hill,
Aegean Sea with opalescent hue,
Paris and Chartres, its windows nobly stained,
London with storied places to explore,
Kaleidoscopic pageantry I gained To treasure which I did not have before.
I gathered wealth wherever I might be
And with these views of shaded coloring
I made within my heart a gallery
Where every canvas is a cherished thing.
And often when the quiet moment calls,
I pause awhile to look around the walls.

Louise Darcy

If the above poem, clipped from the Christian Science Monitor, had just two little words changed in it, it could have been written especially for me! Just change "Aegean Sea" to "Irish Sea" and "Chartres" to "Germany" and every memory is treasured within my heart, ready to be brought out and enjoyed over and over again.

News from the Evelyn Shoppe

Whether you plan to go around the world or around the block, this is the look you'll love — two and three piece cotton knits by "Koret of California", and some new numbers just in, by "Jantzen" in one hundred per cent combed cotton with the usual high quality that Jantzen is famous for. One we like is a colorful Greek key knit sheath dress. Of course, if you like fine wool, we have those, too.

We wish we had space to tell you about all the colorful cotton knits in Sportswear from "Miss Sun Valley" and "Jantzen". Skirts, tops, Nassau length shorts and slims. Canopy striped tapers from "Jantzen" in stripe Hopsacking, one hundred per cent cotton, in the hot pink combinations and dark orange, worn with canopy striped "crop-top". The sportswear is all so gay and colorful even the oldest will find it irresistible.

There is a shipment of hats just in, in many of the shades you have been asking for. We have a marvellous selection of half size dresses at the moment, from twelve and a half to twenty-four and a half.

You still have time to make a purchase and get in on our \$25.00 Gift Certificate which will be drawn for on Saturday, April 15.

Notice the group of suits and all-weather coats on our special rack at half-price and less. It will pay you to look these over as we have gone over our stock and you will find terrific values at the weekend.

See you at Evelyn's.

St. Paul Fellowship Plan June Fair

The Members' Prayer, repeated in unison, opened the monthly meeting of the St. Paul's Bible Reading Fellowship group, on Tuesday evening at eight o'clock.

The Bible reading was taken by Mrs. E. Carriere and the synopsis given by Mrs. George Ninacs. Questions on the month's readings were answered and this was followed by an interesting discussion.

The minutes of the previous meeting were read by the acting secretary, Mrs. T. Huff and the treasurer's report given by Mrs. Norman Abraham.

Plans for the June Fair and the Christmas Bazaar were discussed and it was decided that the members make a quilt as a project.

The meeting closed with the Lord's Prayer and lunch was served by the committee in charge, Mrs. G. Ninacs, Mrs. H. Johnston and Mrs. E. Young.

Scout Committee Plans Bottle Drive

A bottle drive for May 13 was one of the main items of discussion at the monthly meeting of the Haileybury Scout Committee held this week.

John Rundle will be representing the local committee at Sudbury Regional Conference on May 6th. Anyone interested in this work will be welcomed at the conference which will consist of discussions, demonstrations and a general pooling of ideas. Anyone who would like to attend is asked to contact Gordon Davies.
