High School Notes

For seven consecutive years, H.H.S. has built up a fine reputation in the field of drama. This year, we are proud to present a repeat performance of a few years back, "Cariboo Road". The script was written by our principal, Mr. G. L. Cassidy, and the music was composed and conducted by his able assistant, Miss W. Keller.

The story is one of romance, mystery, excitement and suspense. It takes place in a deserted town, Golden Gulch, and an enchanting Indian village near the famed Cariboo Road, high in the B.C. mountains. The cast includes such renowned personalities as Dave Black, Ian Thomson and Lynda Grozelle, who scored such a hit last year in "Paradise Limited". Also Fern Belanger, who this year takes on the role of a humorous Medicine Man, "Water-on-the-Knee", Sally MacDonald, Vicki Gilks, Sandra Rutt and Murray Black are also included in the cast. We hope you attend and we of H.H.S. guarantee an unlimited amount of enjoyment.

Wilhelm Paezwald

Funeral services were held from the Tulloch and Buffam Funeral Chapel, Monday afternoon, April 10, for Wilhelm Paezwald of Boston Creek, who died in Misericordia Hospital on Saturday, April 8.

Unmarried, Mr. Paezwald originally came from Germany and was believed to be 108 years of age. He was the last remaining member of his family, a sister in Germany having died ten years ago.

When he came to Canada he worked on the construction of the first railway to go through Peterborough, then followed railway construction work, gradually moving northward until he arrived at Cobalt as a worker on the T. and N.O. line. There he decided to become a prospector and pioneered in that line.

For the past few years he has made his home in Boston Creek.

Rev. C. E. Peacock officiated at the service and interment will be in the Silverland Cemetery at Cobalt later.

Bribery Charged

(Continued From Page One) she had heard Groom's alleged offer, and there were no witnesses to the incident involving Olson, it would simply be one man's word against another's.

Mr. Groom said that he would welcome an investigation providing it didn't cost the taxpayers anything, and with this the council dropped the matter.

Later it was learned that group of ratepayers are supporting Mr. McGowan in an attempt to get the Department of Municipal Affairs to order an investigation.
