

## IODE Members Prepare Budget

Members of the Haileybury Chapter of the I.O.D.E. met at the home of Mrs. C. F. Lowery for their monthly meeting on April 10th.

The main item of new business was the discussion and acceptance of the budget for 1961 as proposed by the Executive; \$100.00 for National and Provincial obligations, which include Provincial Bursaries, Overseas Relief, etc., \$75.00 for prizes for Holy Cross Separate School and Haileybury Public School; \$75.00 for a flag and a portrait of the Queen for the new Haileybury High School, and a portrait of the Queen for Fatima High School; \$25.00 for a donation to Northdale Manor; \$125.00 miscellaneous which will include treats to the chronic patients at the Misericordia Hospital on May 24th and July 1st.

This makes a total budget of \$400.00. Further plans for the Ball to be held on June 2nd were discussed. In the absence of Mrs. L. Umphrey, Mrs. J. Cooper reported that the tickets are ready for sale. Mrs. Dunn has the catering under control and Mrs. Levigne and the decorating committee are working on a theme. It is hoped the Chapter may have the patronage of the Lieut. Governor of Ontario, as a letter of request is being sent to him. From all the reports and inquiries, this Ball should prove a huge success and most enjoyable for all who attended.

The date for the Spring Tea was set for June 14th, but details left for the next meeting.

Following the adjournment, Mrs. Lowery introduced the guest speaker, Mrs. G. Judson, who gave a most interesting and educational talk on Mexico.

The next meeting will be held at the home of Mrs. C. Tuer.

Jeffery, F. McKinnon and the secretary-treasurer, Miss I. Conti. Routine business was conducted and then the certified copy of the Auditors' Report for 1960 was passed around and discussed. It was pointed out that only \$125 had been

received from the Town and \$62.50 from the Township and it is hoped that this year this will be increased. C. E. Armstrong and Albert Chitaroni were appointed representatives from the Recreation Committee to assist the Teen Beat Club with the plans for the Jamboree planned for this summer. Several new recreation projects were discussed and will be delved into further at the next meeting.

## Spring Choring At Rotary Park

The advent of Spring brought the need of action in the Park to the minds of the Rotary Club members, when Jack Lecky reported the need of repairs for the power mower, the slides, general painting and other clean-up jobs. A suggestion was advanced that if the members would donate three or four afternoons, and work as a group, much could be accomplished without the expenditure of too many funds.

Last week Tom Parry's discourse on teaching methods and the practical part which has been

played by philosophers in the development of them, was enjoyed, and resulted in an interesting discussion afterwards, particularly in the area of technical education. Members were sorry to hear that Mr. Parry was leaving town at the end of the school year, to take a position in Parry Sound.

The local Club Bulletin reminded members of the fact that last year, cancer killed 22,000 Canadians and that the representatives of the Tri-Town branch of the Society will be calling for support with the Slogan, "Fight Cancer with a Check-up and a Cheque".

A tentative date of April 24th has been set for the Father and Son banquet. The Leo Labine Trophy, which is donated by the Club for the best all-round athlete in town, will be presented on a date to be set later.
