

News from the Evelyn Shoppe

With the long week-end coming up, our thoughts turn to the wonderful outdoors for a nice relaxing holiday and new 1961 styling and colours in play clothes, and what could be more right than Jantzen's "togetherness" in co-ordinated sun clothes, the sportswear that gives you the assurance of looking your best at all times.

Evelyn has so many exciting numbers that you will be most enthusiastic about. The impeccably tailored Nassaus shorts, slims and crop tops in hopsacking and fine sanforized duck, in plain colours. The hopsacking is canopy striped in the newest color combinations of hot pink or orange. Another style in Batik print, one hundred per cent combed cotton, in Jamaicas, slims and tee shirts. Slims and shorts have cotton button extension, pellow lined waistband and concealed side zipper. Those who appreciate fine workmanship ask for Jantzen, and there are so many new combinations in tee shirts that you will love them all.

For sportswear, try "Jantee", fine woven elastic faille "Sports Brief", or the long line contour panty, no front or side seams for increased comfort and smoothness. Ideal under all sports wear.

The Elasticized Knits are again big news in bathing suits with the adjustable French bra cup, exclusively Jantzen. Choose yours early while the selection is at its best. And why not enjoy one of their luxurious beach towels, as a cape or a wrap.

See the one hundred per cent combed cotton knit sheath dresses in Greek Key design, only \$10.98, or a striped scoop-neck sheath with two pellow lined pockets, in orange or turquoise combinations, at \$12.98.

Evelyn has an excellent choice of sports clothes so prepare for a fun packed summer.

THE Evelyn SHOPPE

Across the Kitchen Table

BY MRS. MAC

REGRET

The blinds are drawn at number 4,
A purple streamer hangs at the door,
The tired old lady with locks so grey
Is holding her last "At Home", today.
I watched her set of a summer's night
Alone on the porch in the waning light;
Waiting, watching for friends to call
Till night came down like a velvet pall.
Then wearily in she went to rest,
A pang of loneliness in her breast.
I told myself I shall go and pay
A visit to the dear old soul one day.
And now I hasten with cushioned feet,
For sorrow has come to our little street.
But I ought to have visited her before;
The purple streamer went on the door.

Jane Scott.

The above poem, (from Mrs. George Kranz) is typical of many of us, is it not? Always putting off until tomorrow the little kindnesses that could so easily be done today. Right now, my heart is full of thankfulness that, two weeks ago, I did NOT put off one of those little visits and now I have the remembrance of a few minutes' chat with a dear old lady who, very suddenly, passed on the morning after my visit.

This week I have my small grandson helping me clean up the yard, the flower beds and the basement. Some of our conversation as we work would make an interesting tape recording.

I hope all mothers had as lovely a Mother's Day as I did. Dinner with one daughter and her family, a visit from the other one and her family, and a huge box of yellow roses from my son in Cochrane. He has never forgotten how hard I tried, (and failed) to grow yellow roses when we lived on the farm, and every time he sends me flowers, he always orders yellow roses.

Last winter's frost and lack of snow was very hard on my rose

bushes. Several of them, particularly the climbers, are completely dead and many others badly injured. But my cushion mums are coming up as thick as weeds, and the narcissus are a joy to behold.

Yacht Club Meeting Well Attended

A well attended meeting of the Lake Temiskaming Yacht Club was held at the Haileybury Hotel, last Wednesday evening, May 10, and a giant stride was taken to put this club once and forever on the road to success. It was agreed by all that membership should be enrolled now and membership dues paid, by enrolled members, so that the Chairman and Treasurer, Mr. D. Pelangio, would have working capital, to advertise the club, and to take care of the necessary costs of the Secretary, Mr. J. J. Whelan, for supplies, expenses, etc.

A sample boat pennant was shown by Mr. Whelan and our Yacht Club colours were picked, and with these colours on the displayed pennant it was agreed to, and adopted, as the Lake Temiskaming Yacht Club Pennant. The colours are white background, red and white insignia, and the lettering in green. All members owning boats may order their pennants through the Club, at a cost of \$2.95 each. Membership fees are to be \$5.00 for the year 1961, and will remain valid till May 1, 1962. It was also suggested that the map of Lake Temiskaming owned by Mr. D. Glashan of New Liskeard, who has informed the club that copies can be supplied for \$1.50 per hundred, be also adopted as the map most suitable to the club, and money made available for the purchase of same by each member desiring one. These maps are six feet long, two feet wide, and show every contour of the shoreline plus all navigation hazards, islands, and many depth markings can be added as Mr. J. Cobb of Haileybury has left this information with the club. The map is complete from North Temiskaming to South Temiskaming, on a scale of one inch to the mile. Mr. L. Major was the only out of town guest present, and his feelings on New Liskeard membership was that maybe a dozen would join the club, here in Haileybury, till such times as interest widened, in his home town.

Plans for the summer months could include an organized call of ports, club picnics, corn and weiner roasts, fish fries, marine raffies and also prizes for the big ones, that didn't get away.

Letter to the Editor

Dear Sir:

It was announced in last week's Haileyburian that the Haileybury Tennis Club would hold an organizational meeting on Sunday, May 14th, at the Hotel Haileybury. At the stated time, several interested persons from Cobalt arrived only to find two juniors from the Town of Haileybury present. As a result the meeting did not materialize. It has been decided to hold another meeting on Sunday, May 21, at 8:00 p.m. at the Hotel Haileybury.

I have made it known to numerous citizens in the community that the Town Council has budgeted certain funds for the repair and improvement of our various playground facilities, including the Tennis Courts. However, it is neither the duty nor the intention of council to organize and administer the operations of the Tennis Club. If tennis fans in Haileybury are not willing to organize on their own behalf, then it is my intention to table a motion at the next regular council meeting suggesting that the nets and fences be removed from the court and the area be converted for use as a free municipal parking lot.

M. Lavigne,
Councillor,
Town of Haileybury.

St. Andrew's WA Open Assembly

The Women's Federation of St. Andrew's United Church held an open Assembly Wednesday, May 10, in the Church basement. The devotional service was conducted by Miss Muriel Rice, Rev. C. E. Peacock led in prayer and then introduced Mr. Verner Hutson, B.A., who is currently working for his B.D. in Theology at Emmanuel College in Toronto.

Mr. Hutson's topic for the evening, "The Cross Roads of Africa", dealt with which direction the people will be travelling in the future. Mr. Hutson has been in Africa with a group of 187 students from the United States and four from Canada. They travelled with a dedicated mission in mind, which was to assist the African people, both physically and spiritually. Many of the students remained in Africa to work in the schools and with the government. Mr. Hutson's group were centred in Sierra Leone and worked among the people there. He described the conditions that they found and told of their efforts to help the people in community centre work and in road building. Slides were

shown depicting the scenes that he had so vividly described. He stated that Africa is not the primitive land we have read about; it is trying to change for the better but needs help. A short question period followed his talk. Robert McGill expressed the thanks of the meeting to the speaker.

This year Mr. Hutson will be an assistant leader of a group of students who are going to The Cameroons with the building of a church as their project. It was announced that the June meeting of the Federation will be a Pot Luck supper at the manse. The Mizpah benediction closed the meeting.

Mrs. A. Giachino

Mrs. A. Giachino, who will be remembered by many Cobalters, died recently in Italy. Mrs. Giachino resided in Cobalt for many years and assisted her husband operate several businesses in the town.

Mrs. Giachino died May 8 following a short illness. She is survived by her husband, A. Giachino of Pont Canavese, Italy, one son, Dominic of Toronto; two daughters, Mrs. Francis McLeod, Toronto, and Mrs. Therese Morissette, Timmins.
