

Presbytery Meets

(Continued from Page One)

cheon hour, the roll call was taken and highlights from locals given. This was very interesting and showed a very promising outlook as to the spiritual benefit the W. A. women of the Presbytery were having this year.

The President, Mrs. H. (Dorothy) Houston of Earleton, gave a short resume of the year's visits and activities, as well as a report on the March meeting of the Toronto Conference W.A. She stressed all through the meetings, recordings, and film strips on this new organization, the most common word has been Unity . . . the ultimate end in this new venture . . . A unity of all women within the church, and greater unity in the work of men and women within the congregation at Presbytery level, at conference level, and at dominion level. The Unity is not a word in itself, but a combination of several things: U - unselfish service; N - new venture into a bright future; I - Into all the world together; T - the Trinity, Time, Talent; Y - You.

Unless all of these work together there will never be Unity within the women's organization in the United Church of Canada. The new organization will be a means for greater service in larger fields in the total mission of the church, and what God has intended all women and men to do.

Mrs. A. J. Gibbs installed the officers for the remainder of 1961 which the nominating committee had submitted, as follows: past president, Mrs. Geo. Honer; president, Mrs. H. Houston; 1st vice, Mrs. N. O. Webb; 2nd vice, Mrs. L. Botsford; 3rd vice, Mrs. H. Seaman; treasurer, Mrs. C. Green; literature, Mrs. C. C. Sinclair; manse, Mrs. T. Spencer; visiting and fellowship, Mrs. L. Robertson; recording secretary, Mrs. H. Anyan; correspondence, Mrs. L. Botsford; C. E. chairman, Mrs. A. Orr; C. citiz. chairman, Mrs. P. Armstrong, C. Stewart, chairman, Mrs. N. Neily; devotions chairman, Mrs. Waterland; lead educ. chairman, Mrs. G. Honer; organization, Mrs. H. Houston; program plan, Mrs. W. Gerrie; press Mrs. W. Gerrie.

After the closing of the annual meeting, a full executive meeting was held in the church sanctuary, while the delegates were served tea by the hostess church.

Most annuals prefer full sunshine, although some will tolerate light shade. Few will grow well in full shade, however, according to horticulturists of the Ontario Department of Agriculture.

President Visits Haileybury WI

Mrs. Alex Mackey, District President, accompanied by Mrs. L. C. Spencer, paid a visit to the Haileybury branch of the Women's Institute at their May meeting, Thursday night. In her talk to the members Mrs. Mackey told of the work that other Institutes are doing and also gave some good suggestions for raising money.

The meeting was held in the Legion Hall with the president, Mrs. E. B. Campbell, in the chair. The roll call was suggestions for something different for lunch boxes. Following a discussion it was decided to enter the handicraft competition at the district annual.

A decision was also made that only one lunch convener would be appointed each month. Following the meeting lunch was served by Mrs. John Cobb, Mrs. E. B. Campbell and Mrs. Carl Clute.

Mrs. S. McIntyre will be lunch convener for the June meeting.

Barbara Jensen, daughter of Mr. and Mrs. Henry Jensen, Brewster Street, Haileybury, will graduate from TCA air hostess school at Montreal tomorrow. Miss Jensen studied at Haileybury high school, and last year graduated as a registered nurse from Royal Victoria hospital, Montreal.

Safety Training For DHO Employees

A voluntary St. John Ambulance safety training course enrolled 52 Department of Highways employees for conferences at Englehart and Elk Lake last week.

District DHO superintendent of services, in charge of arrangements Frank Sutton stated, "Those who took instruction did so out of self-betterment interest. The course was open to all and not compulsory."

Deputy Chief Ranger, Bill Schillemore, of the Lands and Forests Department, Swastika, conducted instructions, May 8 and 9 to 27 men at Englehart. Dr. M. R. King examined the candidates.

The candidates came from the Englehart, Swastika, and Sesikinka patrols for the Englehart meeting.

An identical conference was held May 10 and 11 at Elk Lake. Dr. Paul Grose of New Liskeard examined 25 safety candidates.

DHO patrols from Elk Lake, Matachewan, Kenabeek, Gowganda and Shingtree attended the Elk Lake meeting.

Mr. Sutton reports that all 52 men passed the safety tests. "This is a contribution to the welfare of the public as a whole because safety kits will be carried as standard equipment in all DHO vehicles."

Building Houses For the Birds

There is no housing shortage in the Temagami area these days — not for the birds at any rate! For the past month and a half, school children from the Temagami Public School and the Goward Public School have been working like beavers building bird houses.

The Temagami and District Fish and Wildlife Conservation Club, in co-operation with Conservation Officer Frank Saunders, set up a competition for the best bird house in each of the eight grades in both Temagami and Goward.

The teachers of each grade promoted the idea, and as a result, a total of 107 bird houses were constructed in a great variety of shapes, sizes and colours.

On Monday evening, some three hundred persons gathered in Goddard's Hall, Temagami, to see all the bird houses on display, and to witness the presentation of awards. Mr. Saunders addressed the group outlining the value of having children construct bird houses to protect and house them, rather than destroy nests and thus lose our birds.

Two films on bird life were shown, following which Ted Whitehouse, president of the Temagami and District Conservation Club, acted as master of ceremonies for the presentation of awards.

The name of the winner from each grade was called out, and the bird house shown. The winner was presented with a book on Canadian Birds by co-sponsor, Mr. Phil Hoffman, M.P.P., Temiskaming District.

Judges spent several hours in the afternoon examining the bird houses to determine the winners, because all the exhibits were of such high calibre. Judges were: Mrs. Velva Cowley, Mrs. Fred Perron, Mr. Bill Christie, and Mr. Phil Hoffman, MPP.

Winners of the competition were as follows: Goward School— Grade 1, Laurette Carriere; Grade 2, Henry Carriere; Grade 3, Betty Ann Hodgson; Grade 5, Ronnie Turcotte; Grade 6, Norma Schmelleski; Grade 7, Raymond Turcotte; Grade 8, Laura Charette.

Temagami School — Grade 1, Eva Guppy; Grade 2, Mary Lalonde; Grade 3, Mike Wood; Grade 4, Brenda Pacey and Beverly Bradley; Grade 5, Leonard Niemi; Grade 6, David Hilson; Grade 7, Billy Kitts; Grade 8, Roy Wood.

NORTHEASTERN ONTARIO DEVELOPMENT ASSOCIATION

New Teachers For Public School

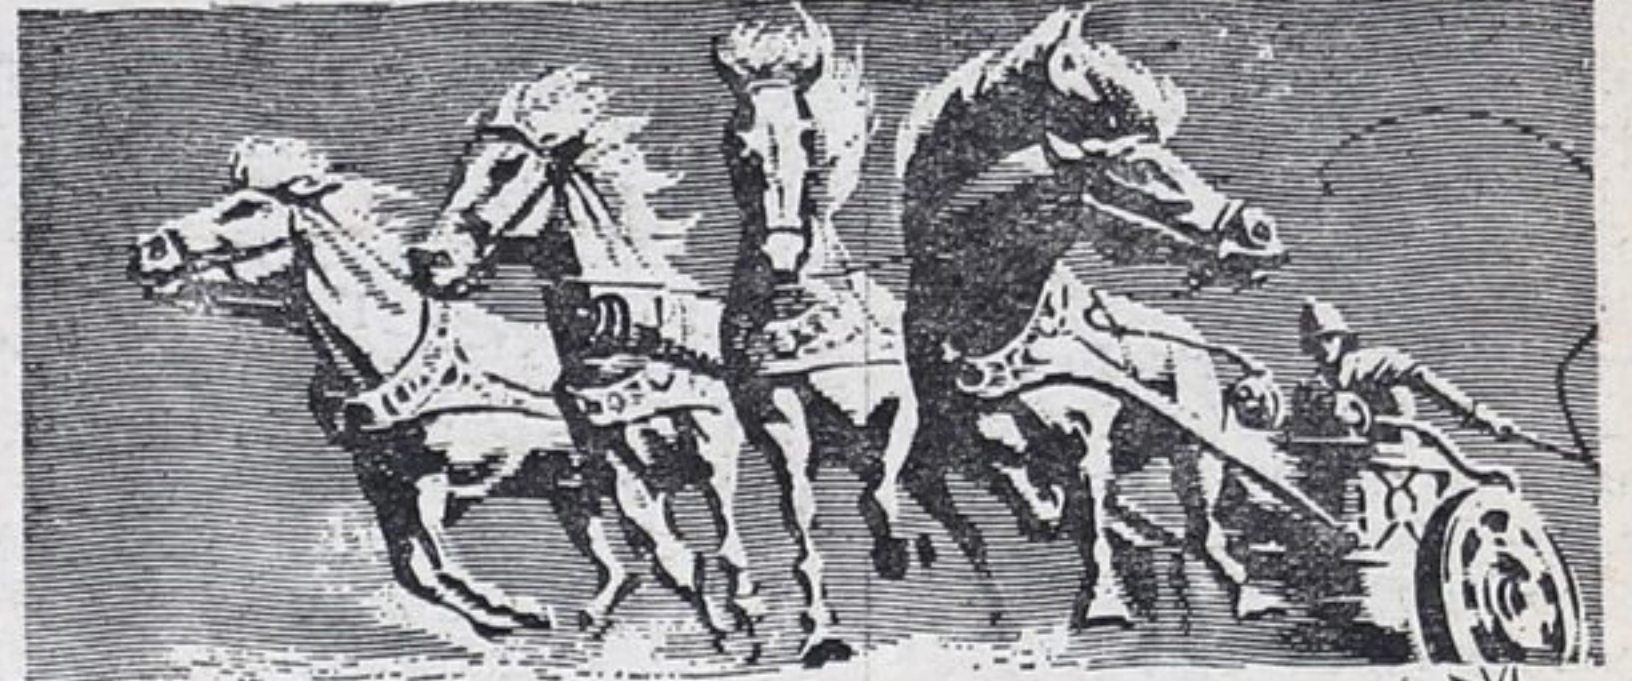

Mr. Gordon MacKenzie of New Liskeard and Mrs. R. Plaunt of Haileybury will be the new mem-

bers of the Haileybury Public School staff when school re-opens in September.

New members of the High School staff will be Mr. G. Moffatt of Toronto and Mr. Christopher Hall of South Porcupine. The position of Junior English and Girls' PT is still vacant.
