

Mine Report

A preliminary report on the boundary between the Temiskaming and Grenville subprovinces in the Townships of Neelon, Dryden, Dill and Broder, District of Sudbury, has been completed and is now ready for distribution by the Ontario Department of Mines.

The report (P.R. 1961-5) which was written by Professor T. C. Phemister of Aberdeen University is priced at \$1, and copies are available upon application to the Department of Mines.

Teachers Selected For Cobalt PS

Chairman D. F. Horan presided at the regular meeting of the Public School Board, T.S.A. of Cobalt and Coleman, held on Monday, May 8. Present were trustees I. Tresidder, W. Fleming, L. P. Othmer, H. A. Todd, Principal D. C. McGugan and Mrs. A. Cameron, Secretary-Treasurer.

The school attendance officer, Mrs. L. Dixon, reported five absentee calls were made during April.

Mr. McGugan gave the enrollment as 353 with average daily attendance of 325. Accounts totalling \$5,502.43 were approved for payment.

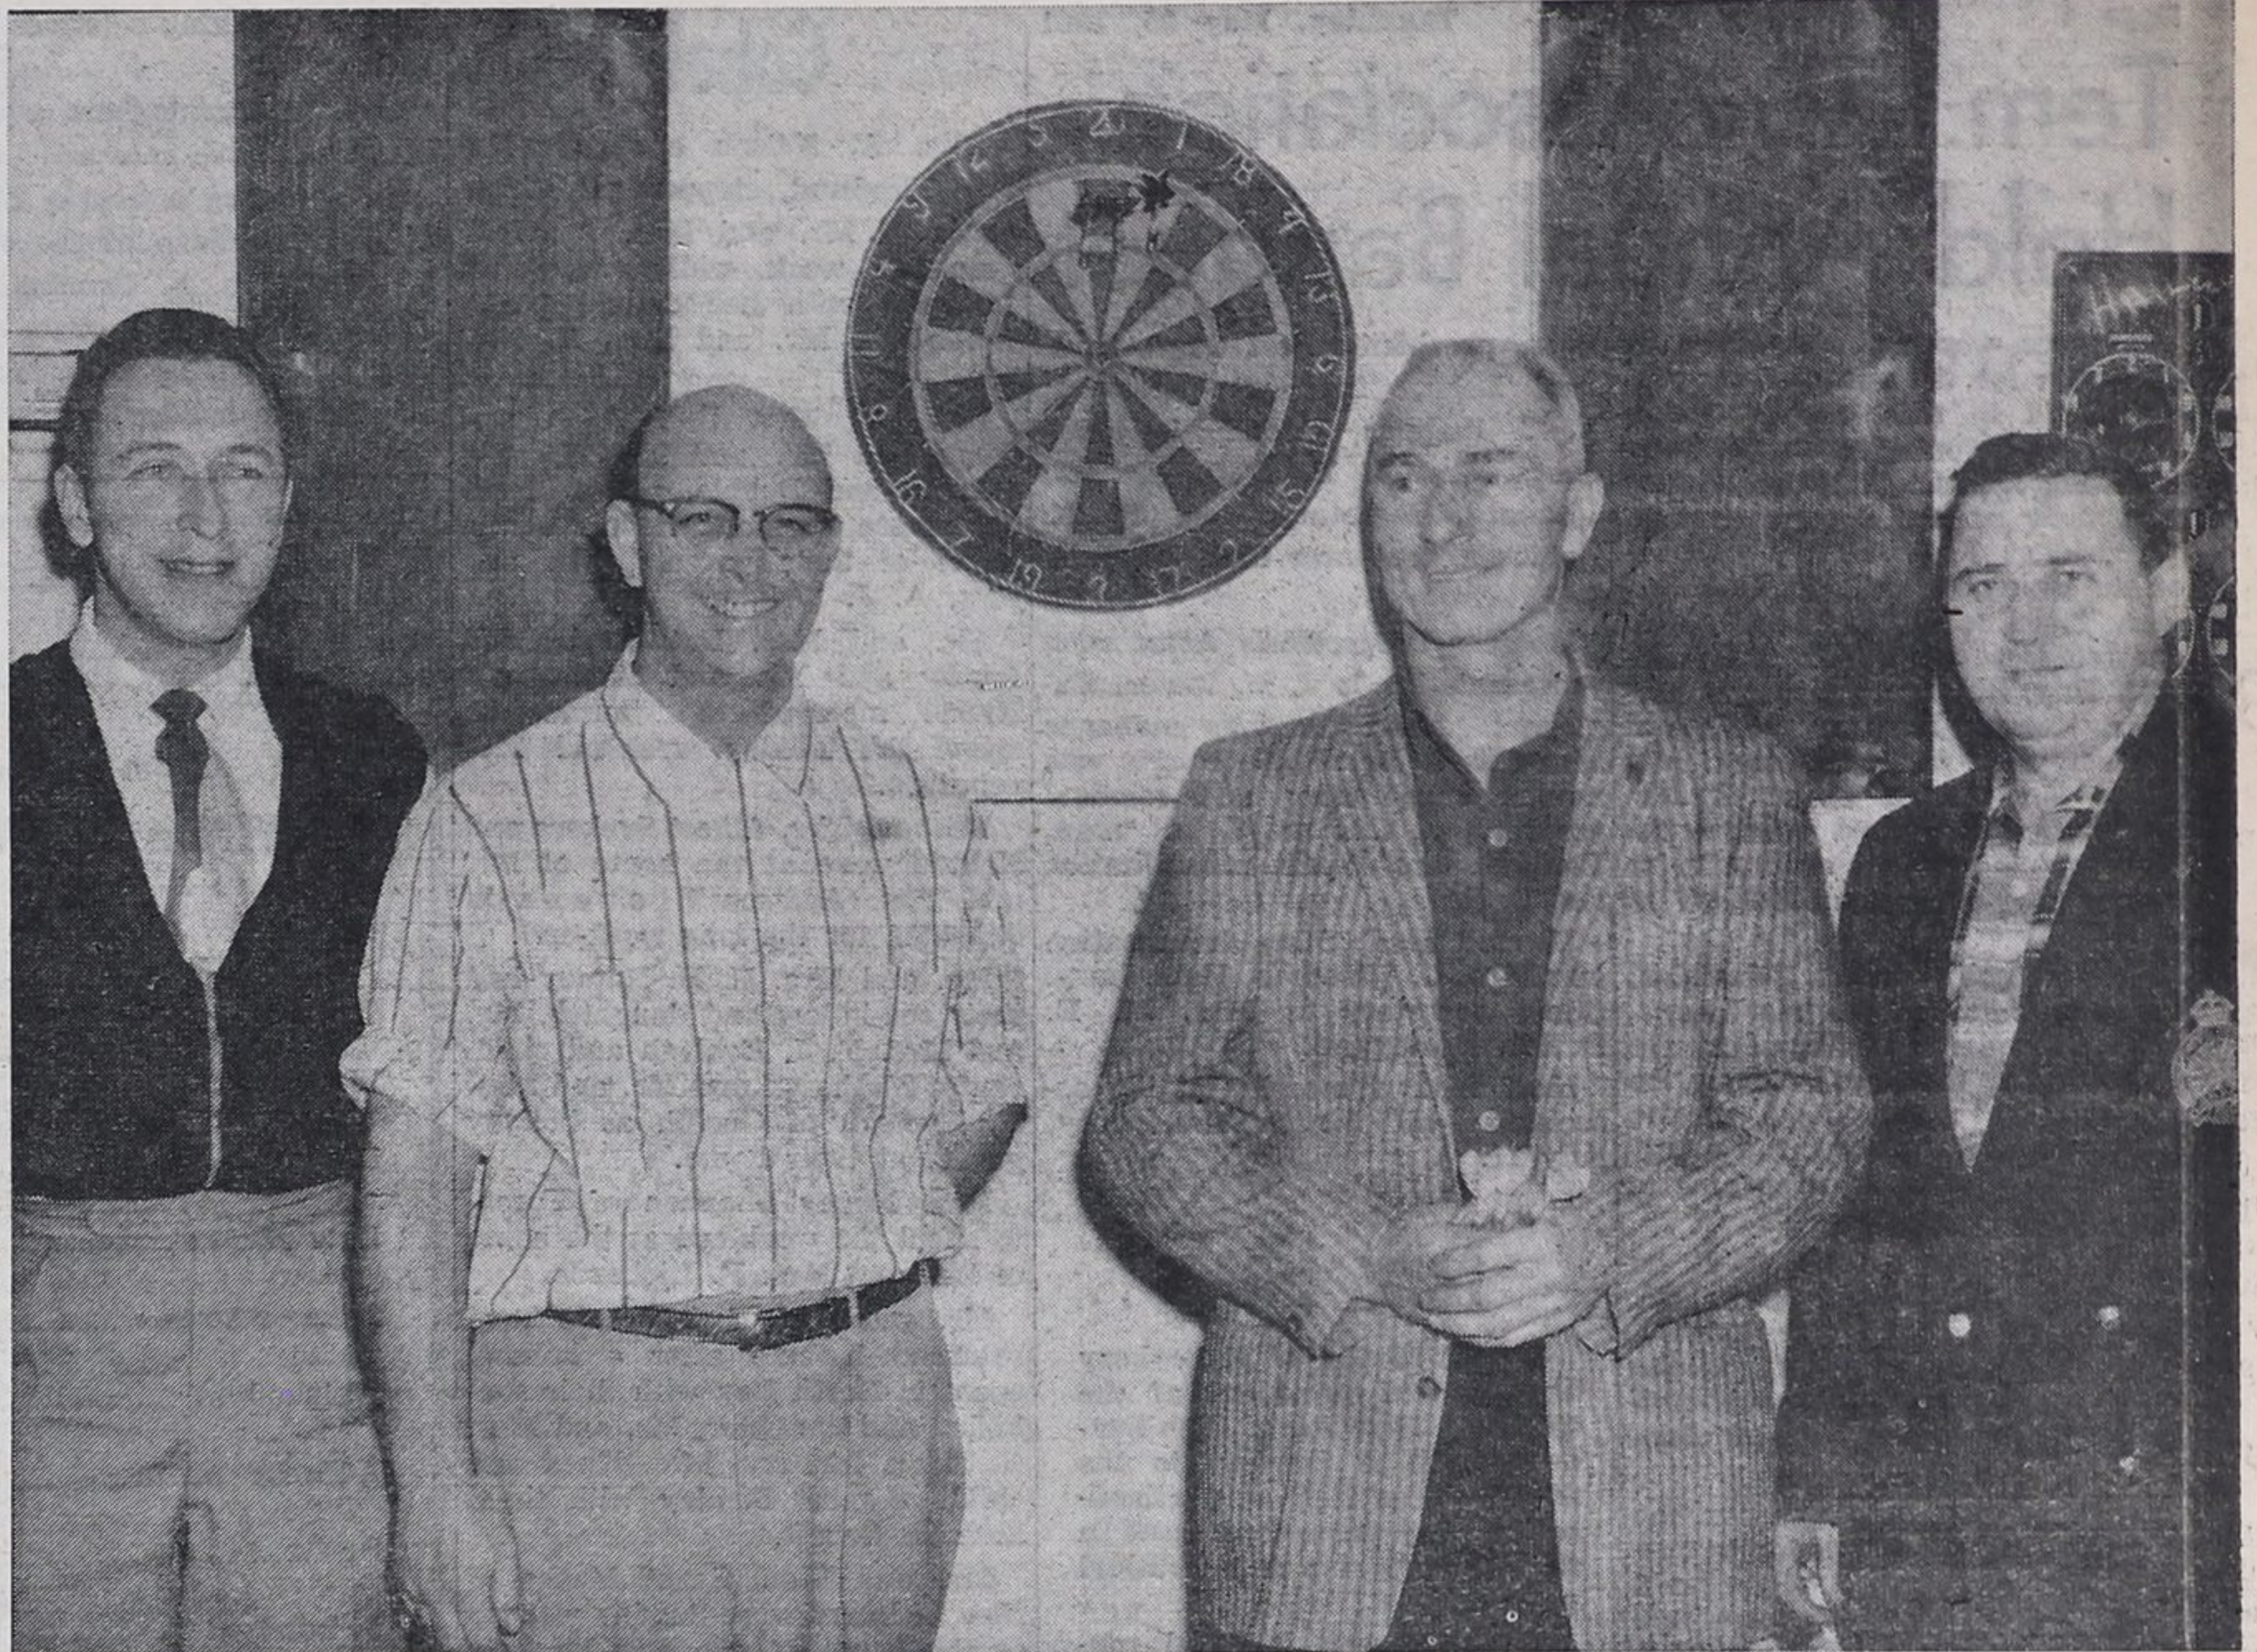

Due to illness, Mrs. Della Hetherington submitted her resignation as a teacher at this school which was received with regret.

The teaching staff for the new term will be D. C. McGugan, Principal, K. B. Gillan, Vice-Principal, P. S. Beattie, Mrs. M. Cotton, Mrs. W. Hermiston, Mrs. S. Kangas, Mrs. D. MacPherson, Mr. R. F. Noble, Miss L. Oidham and Mrs. B. Svekers.

A new trophy will be presented this year for Grade eight. It is the A.D. Hellens Trophy for Proficiency in Mathematics.

Pen Before Nibs

The pen-nib as we know it today developed from early metal pens, which were made in one piece. The first metal pens consisted of steel tubing filed into shape, the edges of the tube meeting to form the slit necessary for flexibility.

A successful dart tournament between the Cobalt, Haileybury and New Liskeard branches of the Legion added a lot of fun and hilarity to the winter season, and the teams are now ready for the windup. Cobalt won the championship, leaving Liskeard and Haileybury to play off for second spot. The losing club to win the honor of being host club for the big party that will climax the season. Left to right; Sterling Tugwell and Govan Blake of New Liskeard, Roy Miller and Harold Adams of Haileybury.

The Weather

Week ending Tuesday, May 23, 1961.		
	Max.	Min
Wednesday	55	29
Thursday	65	37
Friday	70	45
Saturday	61	45
Sunday	45	38
Monday	60	40
Tuesday	68	43

The average for May during the past 67 years has been 51.1 degrees and the average for this May to date, has been 50.8, just three-tenths of a degree cooler.

RCMP Warns About Counterfeit Bills

Merchants in the Tri-Town area are warned by the Royal Canadian Mounted Police to be on the lookout for counterfeit bills. According to the RCMP, bogus bills and uttering is once more a serious threat in Eastern Canada and Ontario.

Most of the bills being passed are in \$10 denominations, but those in \$50 and \$100 amounts have been circulated. A list of all known bills is printed below.

Do not return the note to the customer.

Attempt to delay the person passing the note.

Should the passer leave before the arrival of police, attempt to have him followed until you encounter the nearest policeman. If this is impossible obtain a description of the passer and, if possible, the licence number of his car.

Bills of \$50 denomination, known to be counterfeit, bear the Bank of Canada serial numbers AH 163-6111 to AH 1636211. Police said any bills of \$100 denomination under the Bank of Canada and commencing with the serial number AJ 188 should be regarded with suspicion and double checked.

In addition, \$100 Canadian Bank of Canada notes bearing serial numbers AJ 1791229-AJ 1791279 are known to have been counterfeited and should be carefully examined.

Notes most predominately in circulation are \$10 bills with the following serial numbers: ED 778-6456; FD 2168744; FD 8447863; FD 9976635; GD 0862006; GD 1829771; MD 9942125; ND 9165255; SD 1547-625 and SD 8325229.

Home Economist Reports To W.I. Annual Meeting

Miss Kathleen Shevkenek, Home Economist for Temiskaming and Cochrane, reported on the progress of the Temiskaming 4-H Clubs at the annual meeting of the South Temiskaming District Women's Institute annual meeting in New Liskeard on Tuesday, May 23.

Ninety-three per cent of the girls completed their work during the 1960-61 season, 65 of the 73 girls who started in "The Milky Way" unit, finishing, and 38 of the 40 who signed up for the "Cotton Accessories for the Bedroom". Clubs taking part were from Courtsville, Dack, Dymond, Earleton, Harris, Heaslip, Hyberta, New Liskeard (two clubs) Rockley, Savard and Thornloe.

Records of Achievement and Homemaking Club spoons were awarded to each girl completing a project, with 47 Certificates of Achievement being awarded to the girls who completed their Units. County Honour Certificates and pins were awarded to seven girls who completed six Units. They were Dorothy Dudgeon, Mary Drury, Alice Hay, Evelyn Davis, Doris Dudgeon, Lorna Pacey and Ann Borgford. The pins were purchased by the sponsoring Women's Institute group.

Provincial Honor Certificates and pins were presented to Sharon Jibb, Victoria Dudgeon and Joan Smith for the completion of twelve units.

Norma Schubert and Judy Alexander represented Temiskaming District at the Provincial Girl's Conference in Guelph; Connie Cook, Joyce Edwards, Shirley Jibb and Eleen Smith attended the

Junior Program of the C.N.E. in August, when Connie presented her Club exhibit, "Finishes for Cotton Slips". There were twenty-four ladies, active leaders and assistant leaders, who were entertained at a luncheon through the courtesy of the Department of Agriculture at the time of each Training School

Five of these leaders were guests of the Department at the Royal Winter Fair in November, Mrs. D. Mackey, Mrs. J. Schubert, Mrs. G. Dudgeon, Mrs. H. Brownlee and Mrs. Rodgers.

Ten Clubs are now active in the project, "The Club Girl Stands on Guard", and the project that starts in the fall will be "Separates for Summer". A new Club was organized in North Cobalt, with the North Sunshine Women's Institute sponsoring it.

The girls will be attending their Achievement Day in the Community Hall in New Liskeard on Saturday, June 3, when all parents and Institute members should attend to see just what these girls and their leaders have accomplished during the past year.

Graduation Gift

At the Mining School graduation dinner last week, Mr. Keith Benner, Field Engineer for Mid North Engineering Company, and a graduate of the Haileybury School of Mines, on behalf of mining friends of the school, presented Principal O. E. Walli with a matched set of Spalding Golf Clubs, complete with bag and Caddy-Cart, in appreciation of the many years of service he has given in the cause of mining education.

Mr. Walli has served as principal of the School for sixteen years and has won the respect and esteem, not only of his students throughout the years, but of the entire north, where he is well-known in mining circles.

Preliminary Report

A preliminary report covering Lots 1 to 6, Concession V, Coleman township, District of Timiskaming, has been completed and is now ready for distribution by the Ontario Department of Mines.

The report (P.R. 1961-4) which was written by Dr. Robert Thompson, the Department's resident geologist at Cobalt, is priced at \$1.00. Copies are available upon application to the Department.
