Guide Camp Ash Wene Hold Official Opening

Drummond Works Sought for Library

A meeting of the newly appointed Public Library Board was held in the reading room of the library last week with the following members present: Mr. D. McGugan, Mr. H. A. Todd, Mrs. E. Fleming, Mrs. K. Saxton, Mrs. R. Horan, Mrs. M. Othmer and Mr. W. Fleming.

A "Statement of Fact" was made by the Chairman, D. C. McGugan, dissolving the Library Association Board which would henceforth be known as the Cobalt Public Library Board and consisting of the following members: Mrs. A. Damiani, one year; Mrs. R. Horan, two years; Mrs. M. Othmer, three years; W. Fleming, one year; Mrs. A. St. Laurent, two years; D. McGugan, one year; Mrs. K. Saxton, two years; H. A. Todd, three years.

A motion was made that existing officers, D. C. McGugan, chairman; vice-chairman, H. A. Todd and secretary-treasurer, Mrs. E. Fleming, serve until December 31, 1961. It was also moved that the account be left in the same bank, but that the account name be changed, and the cheque signers will be Mr. D. McGugan or Mr. H. A. Todd and Mrs. E. Fleming.

A four drawer filing cabinet is to be purchased and the librarian was instructed to buy plastic covers for the books.

The library is to be open just one day a week during August, this day to be Thursday afternoon and evening.

A two week holiday is to be given to the librarian, at which time Mrs. K. Saxton will be the replacement.

A motion was made that an Annual fee of \$2.00 be charged for non residents.

As Henry Drummond's works are not being printed anywhere, the library would be pleased to hear from anyone who has copies of Henry Drummond's complete poems or any part thereof and who would donate or sell them to the Cobalt Public Library Board.

Camp Ash Wene was officially opened on Sunday afternoon by Area Commissioner Mrs. Alec David of Cochrane. Guides and Brownies from New Liskeard and Cobalt were formed in a horseshoe around the flag pole prior to the opening ceremonies with the Flag Break at two o'clock.

New Liskeard Guides of the Second Company making up the Colour Party were Karen Kelly, Gwen Cooper and Carol Ross. The Guide and Brownie Promise were repeated and the camp declared officially open by Mrs. David. The Commissioner's first official duty at the camp following the opening was the presentation of the Division Commissioner's warrant to Mrs. Charles Giovanelli of Cobalt.

Following the Guide Prayer Canon H. A. Sims addressed the Guides, Brownies, parents and friends in attendance.

Visitors had an opportunity to tour the campsite during the afternoon. Guides from New Liskeard and Cobalt companies were kept busy selling hot dogs, hamburgers and pop. The local Associations from both towns served tea in the main building. Of particular interest was the display set up on the grounds of a Guide sleeping tent and shelters for cooking, eating and washing.

A number of work parties have been busy in recent weeks at the Campsite and considerable progress has been made toward having everything in readiness for the first summer camp which starts on July 4th.

Water Skiing Show At New Liskeard

In the early, wintery months of January and February '61 when most people were thinking of hockey games and the most recent snowfall, David Lean was plowing through drifts of applications for his summer ski show. There were many applications from fine skiers, making the final selections very difficult.

Perky, 19 year-old Lyn Shelgrove from Barrie, Ont., was chosen for the show on the basis of her outstanding tournament record and

her appearances in the Canadian National Exhibition Water Ski Show.

Judy Moll, an amazing 14 year-old skier from Toronto, Ont., was a natural selection for the show. She has been Canadian Junior Girls Champion since the age of ten and is a sure bet to become the youngest skier ever to represent Canada in the World Waterski Championships this summer.

One girl, lovely Pat Lean, was a

Stage 45th Tournament At New Liskeard Beach

Close to 30 fire departments from Northern Ontario and Quebec will be represented at the 45th Annual Tournament of the Temiskaming Fire Chiefs and Firefighters Association to be held in New Liskeard on July 1.

Fire Chief Les Stewart said, "This will be the 12th time the association has met here, and we have done everything possible to make the tournament a social and sporting success."

The event will really get under

way on Friday evening with a dance on the big floor of the Memorial Arena. There will be a small charge for other than firemen and their wives.

But for the general public, the tournament will really start with the parade at 1:00 p.m. when the brigades, smart in their blue uni-

Band has brought four more bands from the North for a Tattoo which will be a feature attraction of the day. The bands are from Bracebridge, North Bay, Timmins, Kirkland Lake and New Liskeard.

McIsaac Transportation will have extra service for the day-buses from the ONR station and Arena to the beach every 15 minutes.

Parking facilities will be provided in the centre of the race track enclosure.

Looking through the records of the association, a short history

Les Stewart

forms, will walk from the arena to the beach. Five pipe bands will add color and music to the long parade.

Promptly after the parade the tough tests will start, and from 1:45 p.m. the contestants will compete in the 100 yard dash, the fire chief's race, ladder and wagon races for the long list of prizes offered by the Liskeard hosts.

The New Liskeard Legion Pipe

Bingo Winner

Mrs. Babineau of Cobalt won the main prize of \$170.00 at the Bingo sponsored by the Haileybury Ladies' Auxiliary to the Canadian Legion last week.

There will not be a Bingo held on June 27th as was mistakenly announced in last week's Haileyburian.

Hoot Mon!

Mr. J. Reavell, accompanied by his son Fraser and Mrs. Reavell, will leave Toronto by plane on Tuesday, July 4th, to spend a month's holiday in England and Scotland, where he hopes to hear the old greetings that he has not heard since he returned to Canada following World War One, in 1919.

He also plans to visit his brother, now in his eighties, whom he has not seen since 1916.

NOGA Junior Tourney At Haileybury Club

Haileybury Golf Club is host to the Northern Ontario Golf Association Junior players on July 6 and 7, and it is expected that at least 75 age limit experts will be on hand for the tournament.

The scoring will be medal play, and the first foursomes will tee off on Thursday morning. Thursday evening the players will be guests at a banquet to be held at the club. Guest speaker will be George Honer, secretary of the Association.

Trophies will be awarded to three age groups, 16-18; 14-15 and 13 and under. The Haileybury Club presently has 34 boys learning the

ancient and honorable game. Murray Black, one of the top flight juniors at Haileybury is given a good chance of winning. He was in the running at last year's NOGA at Sudbury.

The tournament will wind up on Friday, and Friday evening will be devoted to the handing out of prizes.

The Haileybury Club has the problem of billeting these youngsters, and any person who is willing to look after one or two boys should get in touch with Charles Camsell of Haileybury or Jack or Don McKnight at New Liskeard.

Mrs. Hazel Copeland of Temagami was the lucky winner of \$30,000 in a contest held by the Nestle's Canada Limited. Here Mrs. Copeland receives the big cheque from Wilfred Spooner, owner of Temagami Trading where Mrs. Copeland made her purchase of Quick. At the left is C. R. Stewart, PR officer for Nestle's and at the right, Mr. Willard Copeland.
