

A brand new roofline, almost identical to that of the convertible, is a striking style feature of the 1962 Pontiac Parisienne and Laurentian two-door hardtops. Pontiac features a new lighter weight automatic transmission with the optional Astro Flame 250 h.p. engine.

## Cobalt Graduates Hear Elmer Sopha

The Canadian constitution is archaic and inadequate to deal with the needs of a complex industrialized society, Elmer Sopha stated Friday night.

The Liberal MPP for Sudbury was speaking at the commencement exercises of the Cobalt High School. Mr. Sopha was a former student at Cobalt High.

Mr. Sopha said that in 1866 when there were no motor cars, Sir John A. Macdonald could not contemplate the tremendous costs of providing thousands of miles of highways. Today in Ontario highways take up one-quarter of the budget.

The Liberal MPP, who practises law in Sudbury, said that by the time Canada celebrates its centenary, it must be settled once and for all which responsibilities shall be carried out by the provinces and which on a national basis.

He commented that the provinces have power over some matters which are really national including labor relations which are administered by ten separate provinces when industry is becoming nationwide in its organization. He added that when heads of provinces meet at Ottawa they all too often vie with each other to see who can get the most at the expense of the rest.

"I for one, do not and will not consider myself to be a citizen of Ontario. I am a resident of Ontario but I am a Canadian. I think of myself as sharing a common bond with all those from the Queen Charlotte Islands to Argentina. I reject the notion that Ontario should be great at the expense of the rest of the country. Ontario can only be great if its development is consistent and co-extensive with the development of this whole nation," Mr. Sopha stated.

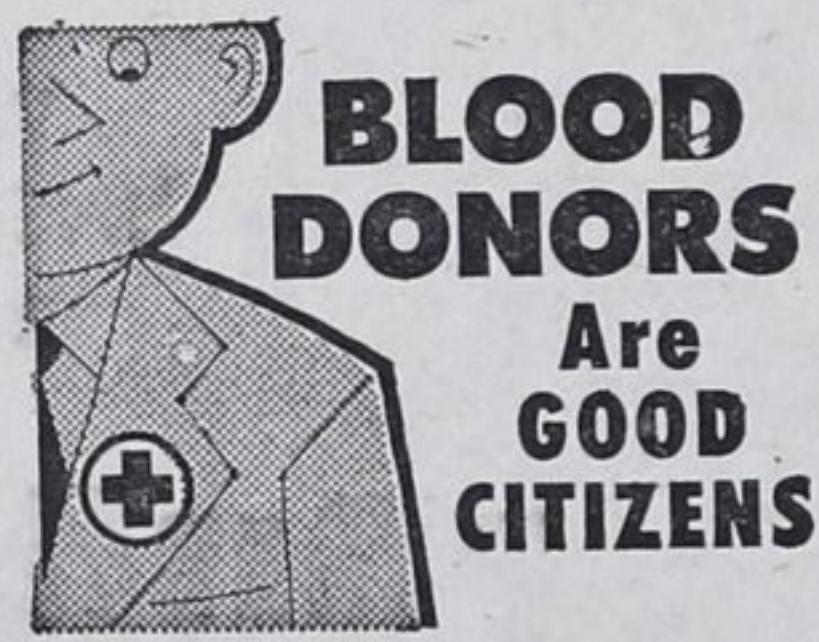

Mr. Sopha was introduced by John Damiani, a former mayor

of the town. Thanking the MPP for his address was Dr. Lloyd McGarry, chairman of the High School Board and a former classmate of Mr. Sopha. Dr. McGarry also gave a welcome address.

Secondary school graduation diplomas were handed 16 Grade XII students for general courses. They were Ronald Anderson, Donald Bolton, Wayne Conroy, Ronald Cook, Geoffrey Dixon, Carol Fenton, David Fleming, Michael Maloney, Gary Marcella, Dennis Miller, William Millward, William Nadeau, Judy Price, Roger Sauve, Linda Welar and Beverley Walsh.

Intermediate certificates for Grade X students went to Patricia Allingham, Patricia Bazinet, Lynn Boucher, Brenda Dufresne, Rosalie Feeney, Clare Hartman, Terry Jones, Cheryl Ann Kenty, Robert Leblanc, Robert MacArthur, Lawrence Mehefske, Robert Millward, June Myers, Frank Nadeau, Janet Reid, Sharon Reid, Lynn St. Dennis, Armand Sauve, Ronald Sauve, Harold Spencer, Shirley Stewart, Gail Stoughton, James Taylor, Peter Turgeon and Caroline Villeneuve.

An inspiring valedictory address was delivered by William Nadeau. The community hall was jammed with students, parents and well-wishers for the commencement exercises which were chaired by Wilfred Spooner, chairman of the Temagami Area School Board.

## WI Convention At Matheson

Ten members and two visitors attended the meeting of the Silver Nugget W.I. held at the home of Mrs. P. Wink on Monday, September 11.

President Mrs. H. Cooper called the meeting to order with the Opening Ode and Mary Stewart Collect. Usual business procedure was followed through and several accounts were approved for payment.

The District Convention which is to be held in Matheson on October 5-6 was discussed with Mrs. P. Wink, Mrs. A. St. Laurent and Mrs. L. Jennings chosen as delegates.

The Visiting Committee reported having made visits to members who had been in the hospital and Mrs. Cooper announced the arrival of a new baby at the home of Mrs. W. Mathers.

Mrs. Marcotte thanked members for their gifts and cards while in hospital. Mrs. Wink reported on the special meeting for the opening of the Agricultural Farm.

## Yacht Club

There will be a general meeting of the Lake Temiskaming Yacht Club at the Hotel Haileybury on Monday night, September 25, at 8:00 p.m.

## Immunization

Dr. E. R. Harris, Medical Officer of Health, Temiskaming Health Unit, will conduct a series of immunization clinics this fall for all residents in the areas served by this Unit.

All parents are invited to attend and have their children protected against Diphtheria, Whooping Cough, Tetanus (Lockjaw), Poliomyelitis and Smallpox. This protection should be given your child from three months of age and upwards and may be obtained from any of the following clinics or from your family physician.

Salk Polio Vaccine will also be available to adults at any clinic. **Kerns Twp:** Kerns Central School, 1.30 to 3.00 p.m. on the following dates: Thursday, September 21, Thursday October 19th and November 16th.

**Cobalt:** Cobalt Community Hall 1.30 to 3.30 p.m. on the following dates: Friday, September 22nd October 20th and November 17th.

**Haileybury:** Haileybury Legion Hall 1.30 to 3.30 p.m. on the following dates: Monday, September 25th, October 23rd and November 20th.

**North Cobalt:** St. Charles School 9.30 to 10.30 a.m. and North Cobalt Public School 10.45 to 12.00 noon on the following dates: Wednesday, September 27th, October 25th and November 22nd.

**Thornloe:** Thornloe Separate School, 1.00 to 3.00 p.m. on the following dates: Wednesday September 27th, October 25th and November 22nd.

**New Liskeard:** New Liskeard Canadian Legion Hall 1.30 to 3.30 p.m. on the following date: Friday October 6th.

**New Liskeard Community Hall** 1.30 to 3.30 p.m. on the following dates: Friday, November 3rd and December 1st.

# New Body Styling For 1962 Pontiac

OSHAWA — Body restyling and engineering refinements are among the features of the 1962 Pontiac announced here today by General Motors of Canada.

The most outstanding styling change is a totally new roofline on the Parisienne and Laurentian two-door hardtops. These models look amazingly like soft-top convertibles.

Pontiac has a new grille design as well as new tail lights. A new, lighter weight automatic transmission is available with the optional Astro Flame 250 h.p. engine only. The transmission is made of aluminum and is some 85 pounds lighter.

The 1962 Pontiac - Canadian-built series will be the Parisienne, Laurentian and Strato-Chief offering 13 models.

Overall length of the Canadian Pontiacs is 211.6 inches. Width is 78.6 inches. Pontiac's wheelbase is 119 inches.

In addition to the Canadian models, Pontiac will be available in the imported Bonneville (two-and four-door hardtops, four-door station wagon and convertible), a new sports model, Grand Prix, Star Chief (four-door hardtop and four-door sedan), Catalina (two-and four-door sedan, two-and four-door hardtop, six and nine passenger Safari and convertible.) and the smaller-sized four-cylinder Tempest.

For the first time, Tempest is available in a convertible model. The Tempest, North America's only production car with a front engine and rear transmission, is redesigned. It has a new grille and chrome ornamentation.

In addition to the convertible, Tempest comes in four-door sedan, four-door Safari station wagon, two-door coupe and two-door sports coupe.

## Tiger Cats Win Over Roughriders

Playing in Haileybury Sunday afternoon the Liskeard Tiger Cats handed the home town Roughriders a 14 to 6 setback in a very well played football game.

Haileybury received the ball in the first quarter and moved the ball to the Tiger Cats' 10 yard line in eight plays. Larry Tomchick then intercepted an attempted forward pass and carried the ball back to the Haileybury 25-yard line. From here it was a see-saw battle until the third quarter when the Tiger Cats carried the ball to the Haileybury 1-yard line and Terry McKnight carried over for the touchdown. Wayne Sarson ran the ball over for the extra point. Richard Rivard caught a 30-yard pass and raced 20 yards for the Haileybury team, with Liskeard stopping the point after.

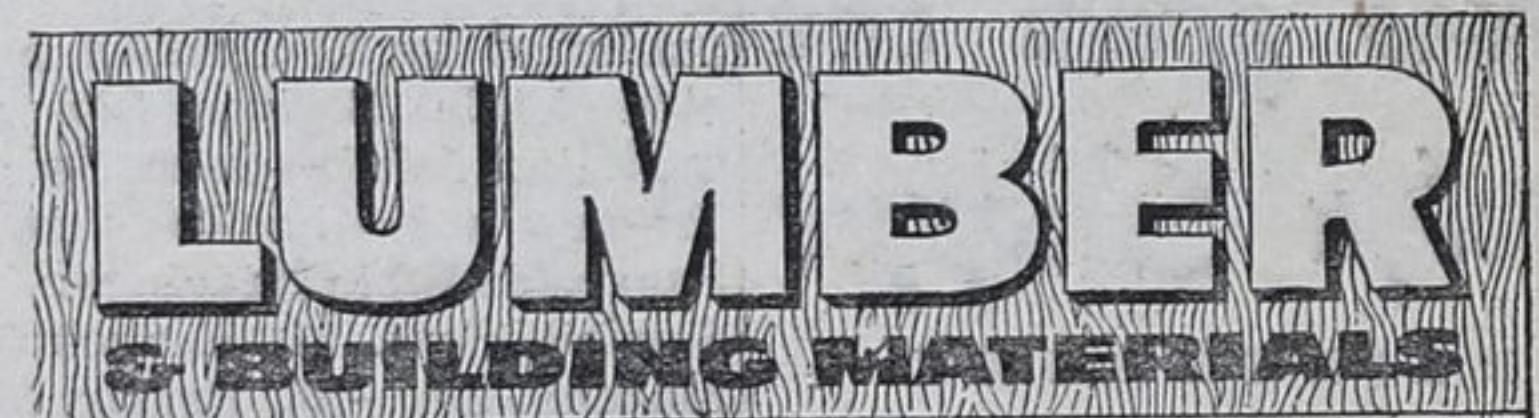

In the fourth quarter Larry Tomchick caught a pass and ran for the second Liskeard touchdown. W. Sarson passed to Dick Farrow for the extra point.

Coach A. Dukacz was irked somewhat when Haileybury officials asked for a weigh-in before the game which saw three of his top players ineligible to play due to over-weight. At another special weigh-in before game time Mayor A. Cooke of Haileybury ruled Constable Don Scanlan and Recreation Director Ken Edgar ineligible to play. Scanlan weighed 195 lbs. with Edgar 185 lbs. Both were allowed to coach from the side lines.

The next game is Saturday, September 23, at New Liskeard High School at 10:00 a.m.; followed by a game in Haileybury on Sunday, September 30 at the Mining School.
