MISCELLANEOUS

NOTICE

All property owners in the Town of Haileybury having roof drainage pipes connected into sanitary sewer outlets, are hereby notified, that all such roof drainage pipes are to be removed from sanitary sewers, and this water to be disposed of by other means.

Any person who has not complied with this request by October 15, 1961, will be prosecuted under section 2, By-Law No. 1000 of The Corporation of The Town of Haileybury, and upon conviction will be fined the sum of \$50.00 as set forth in the above By-Law.

F. G. Haskett,
Clerk-Treasurer,
Town of Haileybury.

Dated Sept. 19, 1961. 29, 30

Cobalt Tax Deficit Blamed on Leaks

The effects of last winter are still being felt in Cobalt. The town gang is digging holes from one end of the town to the other, trying to find major breaks and get them repaired. But the council has the job of finding the money.

At the council meeting recently, town clerk Bob Bond warned the council that the water department is seriously in the red. He estimated a deficit of at least \$7,000 and maybe closer to \$10,000.

Mr. Bond added that if the costs of water thawing were charged to the water department, then the deficit would be a lot higher.

The town is pumping more than one million gallons of water a day, and town foreman Harry Cooper warned the council that 90 percent of the service lines leading to the 400 or more users are in bad shape.

Councillor Reddi Tessolini said that the town is full of leaks, and he suspects that water is pouring into many old mine workings.

Mr. Bond said that if the town starts on an exploration program to find the leaks, then it should be budgeted, or the town fathers are likely to find themselves in serious trouble.

OPP Constable Pat Shannon suggested that the council take a good hard look at the speed limits in town. He invited them to go for a ride in the cruiser, and see just how hard it is to catch speeders in Cobalt. Constable Shannon said that on most back streets, a 15 fph limit would be ample.

The Mastermet problem is looming large again. The town offered Mastermet approximately \$15,000 for the company's land in the town. Now Mastermet wants \$29,000.

The council said 'no' and is looking around for another solution.

A resolution from Peel county,

calling for a national sweepstake to underwrite costs of hospital construction, was unanimously endorsed.

Recreation Heads Meet in Temagami

The Fall meeting of the N.O.R.A. was held at Amich Lodge on Monday with only eight members present. They were Jack Cropley, Deep River; Jim Maxwell, Schumacher; Bob Bateman and George Kormos, Sudbury; Sam Jacks, North Bay; Ken Edgar, New Liskeard, and Jean Salvail and Dean McCubbin from the Community Programs Branch in North Bay.

Chairman Bob Bateman welcomed the members. Jack Cropley then outlined the program for the N.O.R.A. Conference which is to be held in Deep River in October. A special guided tour of the Chalk River Atomic Energy Plant is in store for all delegates who wish to attend.

George Kormos will be attending the A.I.P.E. Conference in Rochester on September 24th, and Jack Cropley and Dean McCubbin will be attending the N.R.A. Conference in Detroit in October.

George Kormos reported on S.D.M.R.O. executive business and reminded all members of the annual meeting at St. Catharines on November 9th. One hundred and two members of the Society are expected to attend.

A brief discussion of N.O.P.H.A. hockey as well as the In-Service Training Course and summer programs were discussed. A report on the Scuba Diving Training Course held at New Liskeard was given by Ken Edgar.

Around The Square

United Church

Mrs. A. J. Wright was hostess to the W.A. of the Cobalt United Church when they held their first meeting of the Fall on Wednesday, September 13, with Mrs. T. Welch presiding. The W.A. motto was repeated by all to open the meeting followed by the Bible reading which was read by Mrs. H. L. Wiprecht.

Mrs. Wright gave a reading, "Whom Do We Serve" which she ended with a prayer.

Routine business was conducted. Talent money for the months of July and August was handed in. Mrs. Welch read a leaflet explaining further the union of the United Church Women's Groups.

A bake sale is to be held on October 6. Some discussion was held concerning the Fall Bazaar.

The October meeting will be held at the home of Mrs. Welch on Wednesday the fourth. The meeting ended after which the hostess assisted by Mrs. F. Eno served refreshments.

St. James' W.A.

A very busy time is in the offing for the members of the St. James' Anglican Church W.A. with preparations underway for their bazaar on November 3 in the Community Hall, several banquets which they will be catering for and a rummage sale planned for Friday and Saturday, September 22

and 23 in the old Post Office on the Square.

Their September meeting was held at the home of the President, Mrs. E. Othmer, Mileage 104. Mrs. A. Moore gave the Scripture reading.

The W.A. will be catering for a luncheon when the Ministerial Deanery is held at the Rectory on October 16, also for the D.O.S. banquet on Saturday, October 14, and the Hydro banquet to be held on November 18.

The next meeting will be held at Mrs. J. Hunt's home on Wednesday, October 4. The meeting closed and a social hour followed with lunch served by Mrs. E. Birnie, Mrs. E. Othmer, Mrs. E. Whitehead and Mrs. B. Verity.

Area School

(Continued from Page One)

cafeteria. In turn the council will have to have a similar assurance from the Ontario Municipal Board.

Other provisions laid down by the Department of Education include that, as far as possible, Canadian made products will be used in construction. No discrimination will be allowed in the selection of workers as far as race, religion or political views are concerned, and that every effort will be made to continue work during the winter months.
