

Business Women's Week Highlights Their Program

Tri-Town Business and Professional Women's Club along with sister clubs across the Dominion celebrates "Business Women's Week" from October 15 to October 21.

The "Week" has been set aside to pay tribute to the thousands of women who are working in schools, hospitals, stores and factories and to the others who are learning for new careers, ones not open to women a decade ago, as well as those women, young and not so young who are retraining in former or new fields of endeavour. The theme of Business Women's Week is "More Power With Woman Power".

The Canadian Federation is also urging that local clubs, in their preparations for the "Week" to include a drive for new, young members.

The Business and Professional Women's Clubs have been international in scope and vision, since the International Federation of B and P.W. Clubs was formed in Geneva in 1930 with representatives from 18 widely separated countries.

Formed originally to promote the interests of members and secure combined action by them, the Business and Professional Women's Clubs have for a long time been taking a keen look at such matters as Air Pollution, Jury Service, Municipal Government, Penal Reform and has for many years had close liaison with the United Nations, keeping its members informed of UN action, and supporting some of the work of the committees at a local level.

At the grass root level, the Tri-Town B and P.W. Club has had an extremely active life. Its present membership is around the 30 mark, and members have attended district, provincial, national and International Conferences of the Federation.

Members of the club attended a United Nations Seminar in Toronto and two in a UNESCO Mission to Jamaica.

Like most clubs, the local one is always looking for members, and any business or professional women are assured of a warm welcome to the ranks of the active and important Tri-Town Club.

Provincial Chapter Meets in London

Members from I.O.D.E. Chapters throughout Ontario will convene in London, Ontario, for the Semi-annual meeting of the Provincial Chapter of Ontario, I.O.D.E. to be held in the Hotel London, October 18th and 19th, 1961.

Mrs. W. R. Morrison, Provincial President, will preside at all sessions. Mrs. Peter L. Robinson, National President, will be a guest and bring greetings from the National Chapter. Mrs. George Blake, Regent, Municipal Chapter of London, will welcome the members on behalf of the London Chapters.

Those attending will be the guests of the London Chapters when a scenic drive followed by Tea at the Art Museum has been arranged for Wednesday afternoon. On Wednesday evening the Bestowal Ceremony of a newly organized chapter will take place following the dinner at 7:15 p.m. in the Regency Room, Hotel London.

Mrs. K. J. Macdonald, who was appointed as a delegate to represent the Haileybury Chapter at this meeting, will be unable to attend.

Home and School Group To Tour Mining School

The program committee of the New Liskeard Home and School Association under the guidance of Mrs. J. Clark has arranged for a visit of organization members to the Haileybury School of Mining.

Under the guidance of mining school principal O. E. Walli, B.Sc., FCIC, MCIM, P.Eng., the tour will commence at approximately 8:45 p.m. on Monday, October 23, following a brief business session of the General Meeting at the New Liskeard Public School which will commence at 8:15 sharp.

This tour of the mining school is really an opportunity parents should not miss. There will be ample car space for all who have not cars, and instructions regarding how to reach the mining school will be given at the meeting in New Liskeard.

On arrival at the Mining School Mr. Walli has arranged for a grouping of parents so as to make possible every opportunity for

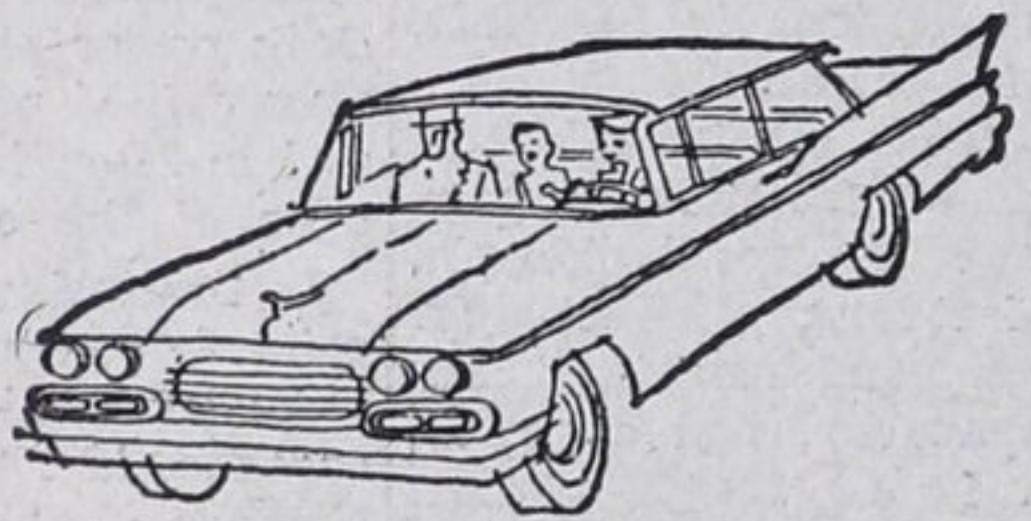

those present to see and learn of the many facilities and technical uses of the school, which has the distinction of being the only Mining School in Canada.

This meeting and tour of the Mining School is the second in this year's Home and School program "Education Facilities in Northern Ontario".
