Basketball Game At Liskeard High Blues vs Miners

The newly-formed Temiskaming Men's Basketball League opens in New Liskeard tonight at the New Liskeard High School gymnasium, when last year's undefeated Provincial Institute of Mines Miners put their string of victories on the line against the McKnight's Men's Wear Blues.

The Miner invasion will be spearheaded by holdovers Claudio, Stevens, and an unknown value in rookies, and the P.I.M. squad promises to shape up as a real contender for the pennant in the embryonic four-team loop.

In uniform to stave off the invasion will be Blues' veterans John Elford, George Evans, Alf O'Reilly, and Ab Dukacz. The Blues' backcourt brigade has been bolstered by the addition of Wayne Green and Bob Cope, while the return to the court of Frank Shields should be an asset to the forward line.

The formation of a basketball league in the Tri-Town Area has been a long overdue necessity, but it takes a great deal more than an executive and players to make or break such a venture. No league can succeed without fan support and the T.M.B.L. is no exception. It needs your support, so get your friends together and go to the basketball game tonight.

The time: 7:30 p.m.
The place: New Liskeard High School Gymnasium
The price of admission: FREE.

Noranda Kings Carve Cub Goalie

Three Cub players are nursing wounds and Coach Don Shepherdson is madder than a wet cat following a Sunday game against Rouyn-Noranda Copper Kings at the Noranda Recreation Centre. Kings won 4-0.

John Haines was clipped for eleven stitches on the back of his head, Jean-Paul Grenon needed eight to close a belt over his eye, and Cook is eating soup through his missing teeth.

Haines received his cut from Ouimet, and no penalty was called; Grenon was clobbered by Carriere, and Ouimet was given a two minute penalty, and in the illegal boarding incident which cost Cook his two front teeth, no penalty was called.

But Coach Don Shepherdson was ejected from the game by referee Bob Scanlon when he protested and said, "I say, old fellow, this sort of thing just can't go on."

Grenon held the high stepping Copper Kings off the score sheet, aided by stellar work of the whole team, but the game went kaput when the Cubs could not muster a power play when the Kings were short handed six times during the last 20 minutes of play.

On the other hand, the Kings scored twice when they were short-handed.

Engagement Party For Denise Rivet

Mr. and Mrs. R. Rivet entertained at an engagement supper on Sunday, November 19, in honour of their daughter, Denise. Rev. R. Becotte of North Cobalt and Rev. C. Lapointe of Haileybury, as well as friends from Sudbury and Cobalt were among those who were present.

Mrs. Rivet received her guests wearing a black silk dress and corsage of mauve and white baby mums. Denise, who assisted her mother, chose a turquoise blue dress with which she wore a corsage of red roses. Red roses in a silver vase, and tall white candles in silver holders graced the head table, which was covered with a white cutwork linen cloth. A cake which was made and frosted by the bride to be, was beautifully decorated with red roses, hearts, birds and silver leaves.

Football Roundup

Hamilton Tiger-Cats and Winnipeg Blue Bombers will set a financial record when they clash for the 1961 Grey Cup this Saturday in Toronto's CNE stadium.

The 1961 Grey Cup game will earn an estimated \$488,500 from all sources — gate receipts, television, radio, film and program rights.

This will be a record, smashing by almost \$2,000 the record set by the 1960 Grey Cup Game in Vancouver.

The seventh meeting between Hamilton and Winnipeg in the 42-years of the East-West football final will be watched by a capacity 32,651 while another 4,000,000 Canadians will see the game on the CBC's complete French and English networks.

The 32,651 audience will be short of the record 39,417 who saw the Edmonton - Montreal game in Vancouver back in 1955.

Because of the Canadian Football League's decision to remove all seats from field level, the 1961 attendance will fall below CNE stadium's actual capacity of 33,135.

The CFL has ordered removal of 484 track seats, reducing stadium capacity to 32,651. All seats are automatically purchased by the nine teams of the CFL and then resold to their fans. There has not been a public sale of Grey Cup tickets since 1951.

Although capacity has been reduced, dollar volume has not. An exclusive 1,380 special box seats will be sold at \$12.00 each, the highest price ever paid for a Grey Cup ticket.

Seating plan of the stadium includes 23,056 seats at \$10.00; 4,651 at \$7.50 and 3,564 at \$6.00. Total box office receipts will be \$303,386.50.

Additional Grey Cup earnings from sale of TV, radio, film and program rights will total approximately \$185,000 for a gross of \$488,386.50.

Previous high Grey Cup revenue

was the \$486,500 of the 1960 game and the \$467,000 of the 1959 game.

Expenses of the game, including taxes, rent and team travelling and maintenance, will be an estimated \$60,000.

This will leave an estimated net of \$425,000 which will be shared according to formula by the nine CFL members.

GREY CUP HIGHLIGHTS

Next Saturday's game will be the fourth meeting of coaches Jim Trimble, of Hamilton, and Bud Grant, of Winnipeg. Grant played under Trimble on the Philadelphia Eagles of the National Football League. The 'student' coach holds a 2-1 lead in the Tiger-Cat-Bomber Cup rivalry. Hamilton won the 1957 game, 32 - 7. Winnipeg defeated the Ambitious City entry, 35 - 28 in 1958, and 21 - 7 in 1959. Hamilton quarterback Bernie Faloney, is playing his fifth Grey Cup in six seasons of Canadian football. Faloney was with the Edmonton Eskimos in 1954 when they eked out a one-point win over the Montreal Alouettes in the Grey Cup classic, joined Hamilton in 1957 after missing two seasons while serving in the U.S. Air Force.

Dow Brewery will continue its sponsorship of Eastern Football Conference games on television with sponsorship of the 1961 Grey Cup game over the complete CBC French and English networks across Canada. Bernie Faloney, picked by Toronto Star Weekly's Jim Hunt, as the Dow Player of the Game in the playoff against Toronto last Saturday, is the only EFC player to win the award three times this season.
