

Cubs Trounce Lions Now in Fourth Place

New Liskeard Cubs found their scoring punch last Friday night in a game against Kirkland Lions and blistered in enough goals to win two games for a handy 7-3 victory and fourth place in the league standing.

The Cubs played in a way that reminded fans of their drive and desire of other years, and outskated and outplayed Lions for their win.

Black tallied for the Cubs early in the game. Lions pulled even shortly after, and Mooney scored to give the Cubs a one goal lead at the end of the first period.

In a wild, penalty studded second period, the Cubs moved into a two-goal lead on counters from Conlin and Jimmy Grant.

In the third stanza Black and Cook counted before the Lions got their second and last goal on a nice effort by Lauzon. Conlin added another before the end of the game to complete the rout.

Coach Don Shepherdson expressed his satisfaction over the improvement in the team.

"Most of our boys lack experience, and for a while it also looked as if they lacked desire," he commented, "but if they continue to play as they did on Friday we will have no trouble in reaching the playoffs."

The win, the first in seven games should give the Cubs a lift, and confidence which is just as important to a green team.

Veterans

All ex-service personnel and their dependents are invited to take advantage of a free Legion service. Mr. E. H. Gray, Service Bureau Officer from North Bay, will be at Legion Cobalt Branch No. 44 on Wednesday, December 6, 1961, at 10:00 a.m. to give skilled advice on veterans' benefits. Anyone with questions on war disability pension, War Veterans' Allowance (Burnt-Out Pension), Treatment, or hospital care is urged to call or write Mr. C. R. Sopha, who will arrange an appointment.

(Continued From Page One) township to share the tax burden. These are things which a planning board could work for in conjunction with the council.

As far as the water situation in North Cobalt is concerned, the water is urgently needed. But it must be installed as a local improvement, and not as a tax burden to the entire township.

Recently representatives of the Ontario Water Resources Commission visited the council, and they were ridiculed and reviled. Although I have never supported the present provincial government, I pledge myself to co-operate fully with every government department for the benefit of the township.

I further promise that if I am elected, I shall, within seven days of taking office, visit Toronto to consult with the government departments to see what can be done to bring water to North Cobalt. And shall work for all the people in the township, in all sections of it.

Post Office

Mayor Arthur Cooke of Haileybury announced today that legal transfer of a site for the new District Town Post Office had been signed in the town offices Tuesday.

The Department of Public Works chose one of the several sites offered by the town, and approved the corner of Ansell and Ferguson, a 100' x 100' lot, for the new building. The lot was sold for the assessed value of \$1000.

Curling Club Social Evening

The Event Social night of the Cobalt-Haileybury Curling Club is planned for this Saturday night, December 2, commencing at seven-thirty. Dancing and mixed curling is being arranged and a good attendance is hoped for. There is a strong possibility that the New Liskeard Club will be using the Cobalt-Haileybury ice on Friday night for the start of their annual Mixed Spiel which is being held this week-end and as a result, the local Club decided to change their Social Night date from Friday to Saturday.

Last Friday evening, members of the New Liskeard and Cobalt-Haileybury Curling Clubs competed once more for the Clarke-Lang Trophy and the New Liskeard boys came out on top with a total of 83 points, while the local curlers could only count 69. However, there will be a dance for them to redeem themselves later in the season, as the second round is scheduled for sometime in March.

Starting December 4, Mixed Curling will take over, during the regular draws at the local Club, for approximately three to four weeks. Play will commence then in the Haileybury Service Centre competition, with close to thirty rinks of mixed curlers participating. The draws and personnel of the rinks will be completed by this week-end and all skips will be notified of the date of their first game, and also the personnel of their team.

Cobalt Election

Only eight of the 24 nominated at Cobalt last week qualified for positions, two will have a contest for the mayor's seat, and six have received acclamation for council.

In the battle for the mayor's chair are R. J. Miller, principal of the Cobalt High School and Councillor George St. Hilaire.

Redi Tessoline and Joseph Robitaille are the only members of the 1961 council to retain their seats. Newcomers are Mrs. Annie Purdy, wife of the present mayor Fulton Purdy, Mrs. Michael Cunningham, Ignatius McDonald and Jack McGarry.
