

## Driver suspended

Too much long weekend reveling resulted in a 12 hour license suspension for a Georgetown man Saturday.

Originally pulled over for speeding, the attending constable observed that the vehicle occupant might be under the influence of alcohol. After administering a roadside sobriety test to the driver, a 12 hour license suspension was issued.

## Summer fun for Georgetown youths

BY ALLISON COOK

The Georgetown Gemini

With summer more than half over, the strains of, "I'm bored" are beginning to echo throughout homes all over Georgetown.

If this sounds familiar to you, don't worry. Even with August well underway, the Town is still presenting a wide variety of programs for kids of all ages.

Both Georgetown and Acton branches of the Halton Hills Public Library are offering special contests and reading groups for children of all ages.

This year the reading group has been dubbed "The Readers of the Round Table". Children, with the help

of their Knight's sword, are on a quest to join King Arthur and become a member of the Round Table.

All reading group participants will be invited to a medieval fair which will take place at the Georgetown branch on Aug. 22 at 2 pm. Registration began June 27.

For the younger members of the family, Sleepytime Stories invites preschoolers to wear their pajamas and bring their teddy bears for a 30 minute story time session every Wednesday at 7 pm to Aug. 14.

If your child isn't reading yet, the library still has a terrific reading program available. Called A Teddy Bear's Picnic, parents, caregivers

and even older siblings can read to the pre-readers with a chance of earning a special award.

For further information on these programs contact the Public Library, Georgetown branch at 873-2681.

## Student employment centre closing soon

The Canada Employment Centre for Students in Georgetown will be closing their doors on Friday, Aug. 16.

In a recent press release, the staff at the centre thanked all local students and employers who helped make this summer a successful one.

"Despite a dismal labour market, this year's statistics show that the success rate in finding students summer employment has been overwhelming," said the release.

"This is due primarily to the willingness of local homeowners and employers to hire

students, as well as the efforts made by the staff of the Georgetown Centre over the past three months."

Students are encouraged to continue to visit the centre until the closing date to ensure that all jobs are filled.

Employers and homeowners are also encouraged to HIRE A STUDENT for any labour needs.

The Centre is open Monday to Friday from 9 am to 4:30 pm. The phone number is 877-7797 and they are located at Unit 8, 232 Guelph St.
