## Raiders bounced in pair of weekend bouts

BY KYLE GOODLET

The Georgetown Gemini The Georgetown Chrysler Raiders' record took a beating this weekend as they lost two home games to Brampton and Bramalea.

Friday night's heart breaker saw the locals nearly kill off 11 straight minutes in penalties in the first frame. Only one power play goal eluded Yellowknife native Carl Rosignol after Andrew Peters and Ryan Odette received game misconducts for fighting and third man in infractions. The Raiders headed to the dressing room down 2-0 after one.

Adrienne Venneau opened scoring in the second with assists from Curtis Carr and Captain Duke Bouskill, making it 2-1. Bouskill leveled

the score later in the period with help from his buddies Carr and Venneau.

Blueliner Brian Buchanan found himself ejected from the game following fighting and instigator penalties late in the second, leaving the Raiders with a two-man defensive core.

With 18 seconds left in the third and the Raiders up 4-3 on goals from Andrew Sandziuk and Garry McNiven, Brampton tied things up with the extra attacker on.

Forcing OT, the Capitals went on to win 5-4, out shooting the Raiders 42-18 on the night.

Without Odette, Peters and Buchanan on Saturday, the Raiders fell 9-3 to the Bramalea Blues.

Local players Ryan Booth

and Steve Gibbons helped out in this game that went from bad to worse as Rosignol and Carr both left the game due to injury.

Coach and GM Rick Bince is pleased with the fact that while his team currently lacks savvy, they are not giving up in the late going when they are down.

After losing two defensemen to suspension this weekend, Bince has decided to look for some help on the blue line. Joining the Raiders on Monday this week were Mark Henry, a 6'2" right-handed defenseman along with three other skaters Bince hopes to add to his defensive roster.

## Miami's rule league and playoffs

The 1996 Georgetown Ladies Flag Football season ended triumphantly for Miami's Auto Tinting and Cleaning September 29, at Neilson Field.

Miami outscored McQueen's Maintenance 21-

13 in a game played despite trying field conditions.

Miami's quarterback, Cindy Kavanagh, started the attack with a ten yard touchdown pass to Joyce Hawkins, giving Miami's a 7-10 first half lead.

Both teams turned on the offence in the second half as they combined for four majors.

McQueen's played a solid game with Jody McQueen at QB connecting with Tara Burroughs and Tina Gryno for touchdown runs.

Brenda Cosulich caught two TD passes from Kavanagh to seal the championship. Their defence proved to strong as Lou-Ann Woods and Kavanagh both had interceptions.

This victory ended a dream season for Miami's as they captured both the league and playoff titles.
