Carol Brunelle along with her manager **Michelle Perry** have been operating the Red Dog Café for 2½ years and are pleased to report that it has been a tremendous success. The combination of casual, friendly atmosphere, quality food and affordable prices is their recipe for success. The Red Dog Café has become a local meeting place for friends and is especially popular in the summer when one can enjoy dining on the beautiful outdoor patio.

The business supports many local sports teams who love to come back to "The Dog" after their games. The ever popular two for one pasta day every Tuesday and wing day every Thursday continue and this summer, the Red Dog will be introducing a steak night every Friday.

If you haven't tried the Red Dog Café yet, please drop in and give them a try. You'll be pleasantly surprised!
