OLEOP

There is no less than 45,000 barrels of Oil of Olives in the world.

If you want your paint to stand the weather and hold the color, get the best quality of paint and oil.

The best quality of American manufactured oil is that of refined petroleum.

It is a well known fact that the largest stocks of Choice Tea sold west of Toronto by any retail house are held by Second Bros. Acton.

A lively lady mentioned in a notice that those women's rights people are invariably men's acts. Mr. Dickens used to tell us this with a sad smile.

A young lady who had no time to spare for her studies, and who was poor had been engaged to a young man who was a good deal better than she.

It is stated that Mr. Geo. Smith, whose discovery and transportation of a number of American diamonds for the Emperor of Russia, has been made his name well known.

The "Lead" in lead pencils is not lead at all, though it is called "black lead." The weight of nothing else tells you that.

The Colorado State is now being drilled in the neighborhood of Gall. A Branchton gentleman says he thinks the bugs are ten times as numerous as last year.

The herpetologist of a twelve days' drill at Niagara returned on Saturday afternoon last, well covered with dirt. They had an unusually quiet time in camp, nothing of any interest happening.

The Peculiar People in London. The London Times says: "The Peculiar People, several of whose members are now residing in the United States, are now in London."
