 "No, sir," she replied, "Papa is not in at present. Did you wish to see him personally?"
 "Yes, Miss," was his bluff response, feeling that she was yielding, "on very particular personal business." And he profited turned to go away. "I beg your pardon," she called after him as he struck the lower step, "but who shall I say called?" He never smiled again.

CHRISTIE, HENDERSON & Co.

ACTON.

Desire again to acknowledge with thanks the large share of patronage bestowed on them during the past season, and again most cordially request a continuance of the many favors extended to them by their numerous customers and the public generally. They have great pleasure in announcing that their Stock is now complete, and offers all the advantages that close buying and low cash prices can suggest.

As a matter of Fact, Acton is known not only throughout the County of Halton, but adjoining counties as well, as one of the CHEAPEST PLACES to buy Dry Goods, Boots and Shoes, Teas, and Household wants generally.

The business men and manufacturers of Acton, by their enterprise, push, and square dealing, have placed the village in a position quite in advance of many of its older and more pretending neighbors, which position they are determined to maintain. The immense quantities of grain delivered daily in Acton, afford the best evidence that BETTER PRICES ARE PAID than at other points east or west, and the enormous quantities of Eggs, Apples, Butter, and other Farm Produce shipped from Acton Station, prove conclusively that a large amount of business is daily transacted. Where Produce or Goods are handled in large quantities, only a very small margin for profit is needed.

AND THIS IS THE GENUINE REASON WHY

Acton merchants pay higher prices for produce, and sell goods at lower prices than in other places.

In advertising our goods, we make no rash statements, and are determined to adhere to anything we state—when we say our goods are cheaper than others, we know it to be a fact. The public assure us it is the case, and we intend to stick to facts, and small profits. The people are our supporters and we intend to keep on their side, and will sell goods at lower prices than ever. Large variety, low prices, and the best goods are inducements we offer.

OUR MILLINERY AND MANTLE SHOWROOM

This season will offer more than usual attractions. In addition to our former staff we have secured the services of an excellent Milliner of long experience in fashionable circles, which will enable us to execute all orders neatly, promptly and satisfactorily. We ask no fancy figures as is usually done for millinery, but sell, as we do other goods, at "Honest Prices." Ladies, remember this!

Our Stock of Ladies' Dress Goods this season is large, varied and cheap. All the new and fashionable shades and patterns will be found on our shelves. Being determined to make a specialty of this line we have marked every piece down to bottom prices. No fear of comparison.

Ladies' Shawls, Jackets, Clouds, Fur Sets, Silk Ties, &c., in great variety and cheap.
 Gents' Felt Hats, Cloth and Fur Caps, in all the newest makes and styles.

Heavy Etottes, Tweeds, Undershirts, Drawers, Shirts, and Shirtings, decidedly cheap.

OUR STOCK OF READY-MADE CLOTHING

For gents', youths', and boys', is immense. Why go shivering to church when you can get a warm, respectable overcoat for only \$5.00.

Blankets from \$1.75 per pair up.

Our Stock of Boots and Shoes

This season is really immense, bought directly from the manufacturers and at the lowest cash prices. We positively assert without fear of contradiction that our stock of Boots and Shoes for cheapness, neatness and durability combined, is not surpassed by any house in the trade. Special discount off our low cash prices for any purchase of five or more pairs at any one time.

Scarlet and Grey Flannels, best Canadian and American makes, 12 to 20 per cent lower than last year.

Our stock of Winceys is pronounced the cheapest by all who have had an opportunity of comparing values. We are willing to compare our York shilling Wincey with any other sold at 15 or 16 cents, and have no fear of the result. Don't fail to secure a piece.

GROCERIES

Teas, Sugars, Soaps, Tobaccos, &c., at decidedly low prices.

OUR FAMOUS 50 CENT TEA

Now commands a larger sale than ever. Buy a 5 lb. lot, and return it and get your money back if it does not give entire satisfaction.

OUR TERMS ARE STRICTLY CASH AND SMALL PROFITS.

Cash saves expense from collection and losses from bad debts. We rely on immense sales, and are satisfied with small margins. We put in no threads or buttons for the purpose of extracting a few more cents per yard from our customers. It is easy to buy of us, since all are treated alike, no one getting favors that are denied to others.

If you live 15 or 20 miles from Acton you will be largely repaid by a visit to our Cheap Cash Store. All we ask is an opportunity of showing the goods; you will do the buying.
