LOCAL MATTERS.

NEW ADVERTISEMENTS.

Decided Bargains—Geo. Yemen, Clearing Sales—Duckson & McNab, Cash for Wheat—B. & E. Nicklin, Conversation—St. Alban's Church, Watches and Jewellery—Geo. Hynla.

—Look at Dickson & McNab's new advertisement this week.

—Don't fail to visit the great account sale now going on at G. M. Scott's.

—Messrs. B. & E. Nicklin want any quantity of good merchantable wheat for which they will pay the highest market price in cash.

—At the meeting of the Esqueping township Council, on Friday, a resolution was adopted fixing the sum to be paid for tavern licenses at \$90. It was \$80 last year.

—A successful writing school has been conducted, during the past ten days by Mr. Campbell with sixty pupils, some of them full grown men and women. He commenced another term yesterday.

—An auction sale of farm stock and implements, on the farm of Messrs. D. & A. Mann, lot 1, 1st con. Erin, near Cresson's Corners, on Thursday, Feb. 8th, at 1 o'clock p.m. George Gibbs, auctioneer.

—The bakers have given notice that, on account of the rise in the price of flour, they are compelled to make a corresponding advance in the price of bread. Their charge for the present is to be 7 cents for the small loaf and 14 cents for the large loaf.

—The park lot, on the north side of the railway track, at the head of Mill street, known as the Ismond property, has been purchased by Mr. P. S. Armstrong, for \$800. It would be a good idea for the corporation, now to open up Mill street across to the 3d excavation, as we understand from Mr. Armstrong that he is willing to give a grant of the necessary width of land for a mere nominal sum.

—The Conversations to be given by the ladies of St. Alban's Church on Monday evening next, promises to be one of the most enjoyable entertainments of the season. In addition to the usual vocal and instrumental music, novels are promised in the form of solos on the violin and concert by distinguished amateur performers on these instruments; and the "fishing pond" will happily be a source of amusement and benefit to many anglers, as the fishery appears to be, by the weather clear & flowly. This being the first entertainment given by the Ladies' Aid Society, it is to be hoped that it will be well patronized by their friends and successful in every respect.

—The escapade of Mrs. McNair has created quite a sensation in town during the past few days. Early last week, the report got abroad that she was in financial difficulties, and that some of her Toronto creditors were pushing her to make an assignment in their favor. Our people fully sympathized with her in her troubles, and were loath to believe that she would allow herself to be led into doing anything but what was strictly honorable and just. Her numerous friends here were greatly surprised and pained to learn that she had made her escape to Detroit, leaving her affairs here in a very unsatisfactory condition. It is stated that her liabilities amount to nearly \$10,000, with very small assets. A writ of attachment was issued by the official assignee last Saturday, and the premises are now under his charge. We shall say nothing of the ugly rumors that are current until further developments. It is to be hoped they will not turn out to be true.

—A missionary meeting will be held on Monday evening next, Feb. 12th, at 7 p.m. The speakers are Dr. Davidson, of Guelph, Rev. T. Baldwin, of Galt, Mr. McGregor, of Georgetown, and E. J. Schoj, of Brampton. A collection at the close in aid of the mission work.

—Taking Stock.—In order to clear out our stock as low as possible, we have decided to sell all goods at cost for cash only during the next few days. Now bring out your cash and secure bargains.

—The Guelph Mercury says: "A young man in Elora is to be sued for kissing a young woman of the same place. Any man who can't kiss a young woman without damaging her ought to pay all expenses."

—Christie, Henderson & Co. on strike—a fatal blow to long credits and long prices. See their new advertisement this week. Cheap Jackets, Cloths and Blankets are what the people want, and by calling on Christie, Henderson & Co. they can have their wants supplied, and satisfaction guaranteed.
