LOCAL MATTERS.

The Village Council meetings will hereafter be held in Matthews' hall.
At a recent meeting of the School Board, Mr. John Ross was appointed Secretary-Treasurer.
Richard Ball son of Mr. Wm. Ball, of Nassauways, had his toes cut from one of his feet, a couple of weeks ago, with an axe.
Our boys may store up in their memory the fact that they have been able to play marbles on the sidewalks nearly every day during the month of February, 1877.
Dr. Lowry, having taken unto himself a partner, is now domiciled in the house formerly occupied by Mr. R. Little, on Frederick street, where he may be consulted at all hours.
The entertainment in the M. E. Church, last Thursday evening, realized about \$63. The cake was contested for by friends of Miss Kennedy, of Georgetown, and Miss Mascolas, of Erin, and was won by the former.
At Glenwilliams, the other day, two young fellows took it into their heads to have some fun with a dog, when one of them got his hand severely bitten. They were trying the cruel trick of pouring turpentine under the dog's tail.
Here is the list of March, and Vannor's promised snow storms and cold dips have failed to put in an appearance. He now calmly requests us to look out for three feet of snow almost immediately. Yes, Shakespeare told us, several years ago, to Beware the Lies of March.
Don't forget the grand entertainment, consisting of vocal and instrumental music, dialogues, &c., by the Crewson's Corners Division Sons of Temperance to-morrow evening. The interesting and edifying services of the new temperance hall will be conducted by David Miller, Esq., of Toronto, Grand Worthy Patriarch of the Grand Division of Ontario. We understand that a handsome medal of the Order is also to be presented to a well-known gentleman who has specially interested himself in the success of the Division.
A week ago last Saturday evening, several young men had a grater supper at Campbell's Hotel, and some of them had been to drink. A few days afterwards somebody gave information to the License Inspector that Mr. Campbell had sold liquor after seven o'clock Saturday night, in contravention of the license law. A summons was issued for three or four of the party to appear at Milton last Monday to give evidence in the case. They went, but the trial didn't come off. Mr. Campbell having chosen to pay the fine of \$20.

Members of the Commission. Last year's Commissioners and Inspectors for Halton county have been re-appointed for the present year, viz: Commissioners, Wm. Buntun, Johnson Harrison, W. H. Young, Inspector, Jas. A. Fraser.
Acton Council. The Village Council met last Thursday evening. Present—Mr. Reeve and Messrs. Christie, Smith, and Henderson; absent—Mr. Nicklin. The minutes of last meeting were read and approved. Mr. Henderson, chairman of Finance Committee, reported that they had examined the auditors' report for the year ending 31st December 1876, and recommended its adoption. The committee also recommended the payment of an amount of \$12.12 for assessment blanks. On motion, the report was adopted.
On motion of Mr. Christie, seconded by Mr. Smith, leave was granted to introduce a By-law to limit the number of tavern licenses and for fixing the sum to be paid for said licenses. The By-law was read a first and second time, and the Council went into committee to consider the clauses therein.
In Committee—Dr. McGarvin proposed that the license fee be \$100; Mr. Henderson and Mr. Christie were in favor of \$80, and Mr. Smith wanted it \$55. After votes had been taken on the several motions, with a tie in each case, a compromise was finally effected by fixing the sum at \$84. The fee last year was \$73. The number of licenses was limited to three. No shop licenses to be granted.
Council resumed. On motion of Mr. Christie, seconded by Mr. Henderson, the tavern by-law was read the third time and adopted as amended.
Moved by Mr. Christie, seconded by Mr. Smith, that this Council do now adjourn to meet again, in Matthews' hall, on Thursday evening, 29th March.
