

1877. SPRING. 1877.
CHRISTIE, HENDERSON & Co
 ACTON.

In presenting our Spring Circular of 1877 to the Public, we again embrace the opportunity of cordially thanking our many patrons and the public generally for the very liberal share of their trade accorded to us. Last Fall we purchased an unusually large stock of Goods, which we regularly supplemented during the season so as to be able at all times as far as possible to show a

WELL ASSORTED STOCK

suitable for the wants of our customers, for which notwithstanding the cry of "Hard Times," we are happy to say we found a ready market.

Our great aim this season, as heretofore, will be to study carefully the tastes and wants of our customers, and endeavor to

Exhibit a Stock so varied and complete that the requisites of all our friends may be supplied without their being obliged to incur the expense of going elsewhere to purchase Goods and paying fancy prices therefor.

We extend a cordial invitation to examine our new **Spring Importations,**

Which for style, variety, quality and good value will compare more than favorably with any establishment of the kind in the country. All of which we are determined to place before the public at the very **Lowest Cash Prices.**

OUR MOTTO HAS BEEN "CASH AND SMALL PROFITS,"

and we intend to adhere firmly to it. For various reasons we can sell goods lower than others in the trade. Ample capital enables us to buy in the best markets and at the lowest prices. We do not depend entirely on our Dry Goods business, but engage in outside operations, yielding us a fair profit.

We don't annoy our customers with old, musty goods, grown gray with age, but handle only New and Fresh Stocks that will sell readily.

To enumerate our various lines would be superfluous. We may, however, refer to some.

IN BOOTS AND SHOES

We carry the largest and best assorted stock in Ontario, all bought direct from the manufacturers, and will be sold at about the usual wholesale prices.

OUR STOCK OF MILLINERY AND MILLINERY GOODS

Is rich, rare and choice; all new and fresh. Having secured the services of an additional milliner of long experience in high-toned establishments, we can confidently commend our work to the most fastidious. We charge no fancy prices for millinery. The ladies will please remember this.

IN DRESS GOODS

We show a large variety. Our styles are unsurpassed, embracing great variety of design, and include the most improved fabrics and colorings for the season; all at attractive prices.

IN STAPLE GOODS

We handle the best and most improved makes.

In General Dry Goods

We show full lines at our Popular Low Cash Prices. As an addition to our former lines we have this season added a large and select assortment of

Gents' and Youths' Ready-Made Clothing,

Made up under the direction of first-class workmen, and of excellent material. Full Suits from \$8.00 up.

Our Teas are now so well known it is scarcely requisite to advert to them only to assure our customers that we have just received another fresh consignment of that famous 50c Tea, sold by dealers in large towns and cities at 75 to 80 cents.

Fresh Groceries constantly on hand. Highest price in cash paid for any quantity of Fresh Eggs, or taken in exchange for goods.

We cordially invite an examination of our goods and prices. Our terms are cash or produce.
