One great advantage our Clothing has over any other in town, is that we manufacture all ourselves, therefore we can at all times give a stylish garment, as we copy altogether from American Fashion Plates, and never make up any inferior goods, and having always adhered to these principles, we have succeeded in building up one of the largest trades in the West.

HAT AND CAP DEPARTMENT.

We keep the largest assortment of American and English Felt Hats in town, also Fur, Whitney and Cloth Caps, in which we defy competition. Nothing but fresh goods always on hand.

FURNISHING DEPARTMENT.

Our Furnishing Department will be found the most attractive in town, comprising all the latest novelties in White and Colored Shirts, Neck-Ties, Bow-ties, Scarfs, Glovers, Mitts, Silk Squares, Silk Handkerchiefs, Jewels, and everything else appertaining to a Gents' Furnishing Department. 20 per cent cheaper.

A great many wonder how it is that we sell Clothing so much less than anybody else. But it is a problem that is easily solved. Answer:

WE BUY LARGER QUANTITIES,
WE SELL LARGER QUANTITIES,
WE PAY CASH FOR ALL WE BUY,
AND SELL FOR CASH.

Therefore we are enabled to mark our goods so low that it would be ruinous for any one to try and compete with us.

Pay us a visit before going elsewhere, by so doing you will save 20 per cent on every dollar you spend.

No false representations allowed. No trouble to show Goods. With thanks for past favors we remain at the head of Clothiers.

1877. FALL. 1877.

Christie, Henderson & Co., ACTON.

In presenting our regular half-yearly Circular to the Public we have again to return thanks to our numerous customers and the general public for the very large share of business extended to us, and in doing so we can only assure them that no effort on our part will be spared to merit a continuance of their favors. As heretofore it will be our constant aim to advance their interests as far as lies in our power, and at all times endeavor to show as large and complete a Stock as can possibly be found in one establishment. Feeling assured that the bountiful harvest of the past season with a reasonable prospect of fair average prices for all kinds of farm produce, will cause a great revival in trade, we have purchased this season a larger stock than in any previous year, and having done so with a knowledge of our customers, we feel assured we shall not be disappointed in finding ready demand therefor. As heretofore our stock comprises

General Dry Goods,

Of all kinds, Millinery and Millinery Goods of all kinds, Boots and Shoes in immense variety, Ready-made Clothing, Groceries, etc.
As to prices we are determined not to be undersold by any one either in Acton or outside. We manage our business at the least possible expense and will sell at all times at the lowest possible prices.

We extend a cordial invitation to examine our new Stock, which we trust will in style, variety and good value, compare more than favorably with any house of the kind in the trade. In the fall of the year no one requires a line of credit as money is then more plentiful than at any other season of the year, besides our experience teaches us it is in all cases infinitely better to pay as you go. Our motto heretofore has been

CASH AND SMALL PROFITS,

And we are determined to adhere firmly to the principle. We find it impossible to enumerate all lines of Goods in stock, but will refer to some
