## THE CHAMPION (Gossiper)

Be don't want to Eght. The brains and papers too.

The editor of the Mitton Cham pien dees not seem to have appre the week before last, and, last week, he came out like what he generally does when he is cornered, by giving a lot of scuseless havengue for his readers to stomach about the per- States has much more cause to fear sonal appearance and private matters of his adversarios.

In the first place, he tries to make out that we had curred the displeasure of the majority of the people of this Village, and had received a scathing rebuke from no less than three different julpits, on account of a proposition we made in a former issue of the FREE PRESS, and that we were trying to compromise: by taking the part of those who had rebuked us. Well, this is news to ur, as no doubt it will be to "a majority of people" in this Village. We are not aware that we have incarred displeasure from anyone since we took held of the EREE Press, and we know that we were not rebuked from one pulpit for anything we have ever done. The Champion further says that instead of trying to raise ourselves in pub-The opinion we are trying to pull own level! Far from that; we have been trying, and we think it will be a life-long task, to raise the Champion to our own level, and we have a lively recollection of Dominion have received orders to a time when it was benefitted by our advice, which was given in a Late issue of this paper. It also says that the FREE PRESS is "hardly a newspaper," and holds itself up to the public as a sheet worthy to be called one. If it is essential, in publishing a necespaper, to conduct it in a manner like the Champion is, and give every particle of gossip. which may take place in a neighpublish one. We do not require cause to blush. to praise up the FREE PRESS

ed to the most cowardly thing that saving of \$25,000 annually. discussing the personal appearance vince who has done more towards impression that we are, like him- Opposition into the promised land self, a regular fop. What a crime of Office, his newspaper serving the euch persons as the editor of the Brown. - Telegram. Chinapion, and would advise all rival editors who call on him to do the same, but when he seen us with our bair parted in the middle it must have been at the same time that he seen everyone walking on their heads, and, by some mysterious agent, the sidewalk would not
