The graceful reboss, or black lace te Crew at Last on Land after a Severe veil, arranged with the hair and falling over Experience - Working Desperately the shoulders, is a common headdress of Until the Pumps Were Choked-A the better class of ladies. They are all fond Ship Sighted as They Were about to of black-a colour that does not try their charms to any dangerous extent. I am not, Take to the Lifeboats.-Rescued. perhaps, as good a judge of what real beauty is as some Chicagoans I could name; but I

have no heditation in saying that I have not seen half a dozen good looking Mexican women on the street any day that I have been there. Yet, this is not to be taken as an assertion that there are no beantiful women here, There are plenty, but they are bot-house don that he has received the following letter labouring heavily, taking water fore and aft, from Yakoob Khan, son of Shere Ali, Ameer of Afghanist n, dated Feb. 26: "News has been received here of the death of my father on the 21st of February. As my father was smashed, and everything moves a about the ship plants, and are forever, almost, within the ship plants, and are forever, almost, with the ship plants, and are forever, almost, within t inded Tom, as the goathern lett the the first of the firs For even the purst deitht may fall.

The power may fall, and the part of must fall.

And the lave of the dearest feered grow annull—
But the groy of the Lordis all all.

THE ADVENTURES OF

THE ADVENTURES OF

THE APPENDING OF

TH

Mexican Women

(from the Inter Ocean.) Crir or Mexico, Feb. 20 .- The stranger risiting here—especially if he has read the mart al romanoes of Capt. Mayne Reid-

will be astonished at the very small propor-tion of pretty women to be met with on the streets. Most of the ladies have fine forms

while under 80, but after that period they have a tendency to stoutness which spoils

their fair proportions. In nearly all Latins the eyes redeem the rest of the bounten-ance, but where the Indian blends with the Castilian is very difficult for even brilliant

orbe to redeem the repulsive swarthiness of

the complexion. The olive of Spain is very
