Try our famous 50 cent Tea, in 5 pound lots for \$2.25.

—CORRECTION.—Having found that some of our readers had concluded that the Compound Syrup of Wild Cherry is not the best medicine for coughs and colds, we are glad to state that the Compound Syrup of Wild Cherry is the best medicine for coughs and colds, and is a most valuable and useful work, and is a most desirable gift.

The parents and guardians of children and all friends of education are requested to attend.

—ORDINATION SERVICES.—We are pleased to learn that the Rev. Chas. A. Cook, of Acton, was ordained in Kingston on Friday evening last, with the usual interesting ceremony of the Baptist Church. Rev. Mr. Munroe, of Montreal, presided over the service, and a number of distinguished men were present. The ceremony was very instructive and while reading the reports of the service, the mind is impressed with the blessedness of the experience of Ordinal's blessings and goodness. Rev. Dr. Castle, of Toronto, presided at the ordination service, from Belleville, Ill. The sermon was pronounced the feelings which prompted men to action in the service of God, and was full of advice to the pastor elect. He concluded by urging the people to stand by Mr. Cook, and aid him in herding the glad tiding. "The clear was an anthem, after which the ordination prayer was made by Rev. B. E. Cook, of Acton, and the Baptist clergyman laying hands on the head of the candidate, who bowed forward on a benediction. The right hand of fellowship was then extended to Rev. C. A. Cook, and the young man was welcomed to the ministerial ranks. The new pastor was then commended as to his future course, etc., by Rev. Mr. Dyke, of Toronto, and Rev. Mr. Munroe, after which the newly ordained dispersed the meeting with the benediction.

—It is with great pleasure we chronicle the ordination of the Rev. Chas. A. Cook, we having been acquainted with him for many years—in fact being schoolmates together—and the village are heavy in our congratulations to Mr. Cook, upon his great success, and our best wishes are that he may ever go on, and may be always successful in winning souls for Christ.

—THE splendid barn of Mr. John White, on lot 33, North Dundas street, Nelson, was burned Monday evening about 7 o'clock, with thirty head of cattle, three horses, nineteen sheep and a large lot of tools. Mr. John Mitchell, formerly of the vicinity of Acton was foreman of the farm, and as some of the stock which was burned belonged to him his friends in this neighborhood will regret to learn of his loss. The barn burned was considered to be the best in the county of Halton, and was erected only last year, and cost an immense amount of money, but we have not heard what the entire amount of the loss by the fire will be. Mr. Mitchell, who is a most successful farmer, on Tuesday states that the incendiary, who set fire to the barn was captured, and he had made a confession. He has been committed to Milton jail for trial.

—WE LAST week omitted to notice that Messrs. B. & E. Nicklin had opened up their handsome new bake shop on the corner of Mill and Main streets, Acton. The shop is the neatest and most attractive in Acton, and for 100 years cannot be beaten. Its size is 12x20 ft., the 14 feet as you go in being occupied by counters and shelves on each side, and the remaining portion will be divided by a screen, and in summer it will be the favorite resort for ice cream, lemonade, soda water, etc. The counters and other woodwork, are very handsomely painted, the groundwork being oak and the moldings, scrolls, etc., being white. In fact all the work—the carpentering, the plastering and painting, etc.—is well done. The following are the contractors: carpenter, Ed. Sawyer; plastering, O. Loner; painter, M. Cooper.

—Considerable excitement reigned in the neighborhood of Ballinacree a short time ago. It appears that a young gentleman (we suppress names) had won and won a young lady of the vicinity, and the day when the train were to be made the flash was appointed. The young man had asked his friends, and the young lady had let her friends know, and she expected them to be present. But the night before the happy day the young man who was to have been made happy had evidently been considering matters, and he determined that if the marriage should come off he would not marry her own way. So, in company with a number of his gentleman friends he found himself in Acton, on the night of the 10th inst., and after the midnight train left the depot he was missing. The fact was he had left for parts unknown—to the betrothed—but not to the friends who accompanied him to this village. We have not heard what the lady did next day, when the guests were assembled, minister waiting, and tables in readiness, but no groom elect made his appearance, but we believe it was an interesting scene.

—THE ANNUAL meeting of the Acton Branch of the Upper Canada Tract Society was held in the Temperance Hall last evening. The meeting was addressed by J. G. Mealy, of Toronto, agent of the Society, who delivered a lecture on "Telling the Truth," which was well received.

—ANOTHER series of revival meetings will be commenced in the Acton Methodist church, next Sunday evening, and will be continued for one week. Rev. R. Hobbs announces that he has procured help for each night during the week, and a profitable series of meetings is expected.

—AUCTION SALE.—Mr. D. Henderson, auctioneer, has instructed Mr. W. Hemstreet to sell by public auction on Thursday next, 3rd April, to sell all the effects of the insolvent estate of Jas. Ryder, of Acton. Sale to commence at 12 o'clock. For further particulars see posters and ad.

—NEW SERIES Goods arriving. Our stock of new spring goods consisting of Dress Goods, choice and cheap, the latest novelties and styles in Millinery, Prints and new patterns, etc. We have an immense stock of Boots and Shoes which for price and quality cannot be surpassed. Try our famous 50 cent Tea, in 5 pound lots for \$2.25. Christie, Henderson & Co., Acton.

—PHYSICIANS express the opinion that, with the disappearance of the snow, fevers of various kinds will occur. The ground will give off poisonous vapors, and people will insist on exposing themselves by leaving wrappers and open boxes as to the temperature of the atmosphere, just at a time when they are really most needed. This is the ninety-sixth day since the ground was covered with snow, and its grass thereby consumed.

—ADVERTISERS who requested in future to notice these facts: All changes of contract advertisements must positively be handed in by noon on the Monday preceding publication. —ORDINATION SERVICES.—We are pleased to learn that the Rev. Chas. A. Cook, of Acton, was ordained in Kingston on Friday evening last, with the usual interesting ceremony of the Baptist Church. Rev. Mr. Munroe, of Montreal, presided over the service, and a number of distinguished men were present. The ceremony was very instructive and while reading the reports of the service, the mind is impressed with the blessedness of the experience of Ordinal's blessings and goodness. Rev. Dr. Castle, of Toronto, presided at the ordination service, from Belleville, Ill. The sermon was pronounced the feelings which prompted men to action in the service of God, and was full of advice to the pastor elect. He concluded by urging the people to stand by Mr. Cook, and aid him in herding the glad tiding. "The clear was an anthem, after which the ordination prayer was made by Rev. B. E. Cook, of Acton, and the Baptist clergyman laying hands on the head of the candidate, who bowed forward on a benediction. The right hand of fellowship was then extended to Rev. C. A. Cook, and the young man was welcomed to the ministerial ranks. The new pastor was then commended as to his future course, etc., by Rev. Mr. Dyke, of Toronto, and Rev. Mr. Munroe, after which the newly ordained dispersed the meeting with the benediction.

—It is with great pleasure we chronicle the ordination of the Rev. Chas. A. Cook, we having been acquainted with him for many years—in fact being schoolmates together—and the village are heavy in our congratulations to Mr. Cook, upon his great success, and our best wishes are that he may ever go on, and may be always successful in winning souls for Christ.

—CORRECTION.—Having found that some of our readers had concluded that the Compound Syrup of Wild Cherry is not the best medicine for coughs and colds, we are glad to state that the Compound Syrup of Wild Cherry is the best medicine for coughs and colds, and is a most valuable and useful work, and is a most desirable gift.
