Raise my pittow, husband dearest—
Faint and farithe comes my breath,
And three shadows stanling slowly;
Must I know, to those of Death;
Sit down cibic beside me, darling,
Let me clasp your warm, strong hand, Lours that ever has ensured me

To the borders of this kind, For your God and mine-our Father, Thene shall ever lead me on.
Where, upon a throne eternal.
Site life own and only floor.
The had risions and been dreaming. O'er the past of for and pain; True by year, I'm wandered backward, Till I was a child egula.

threms of girlbood, and the moment
When I grood your wife and bride,
How my heart the filed with I re's triumak In that bour of women's pride; Dreamed of thee and all the earth-charde Firmly twiced around my boart - . When I know that we man part

It bat passed-and God has promised All the footsteet to attend; . He, that's more then friend or brother,

Will be with thee to the end.

Ther's no sha on o'er the portals. Christ has promised life immortal,
And his he that bids me come.

When life's trials will around thee, And its climbing a liane seed.
Then it thank Hours a that make spaced them.
Then it then fait that "All is well." Rring our bore whito me bedrade. Bet they're steeping-do not wake them-

Tell them often of their mother, Lise them for me when they wake, Les them rently in God's rethrey, L re them doubly for my mke; Fare thre we'l, my nobie hom and, Faint not neeth this chestening rod; Throw your strong arm round our children. Keep them close to thee and God.

Gentlemen who Lace.

Devices for Securing a Fine Figure-Claims of Benefits to be Derived.

(From Turnes's Progress.) In 1861 and 1862 while meny Americans were engaged in a discussion down on the Potomac, tiere were several serious quest one agitating England. They were lengt t in the n w papers, and have not, it is feared, been a ti factorily actived to this day. Let them be classed in the order of their imortance, as shown by the number and length of the printed articles. First, abould young ladies over 13 years of age be whipped at home and in school? Second, should gentlemen weir corrects? Third, should Lidier en horseback wear spure ! It is to be presumed that the young lady whipping, second means "to kill over again; " a third was the male correct, and the female spur-wearing "to carn by dancing;" while the word decre sed the reject on Like the Sunday application, proves upon investigation to be given. Black and white lay together in the paniment of their quarrels. problem and the terrant annoyance, these are mat ers which one could talk about until doomsday without results. In this country a few men wear corsets, and they seem to like them. Gottschalk the pisnist and fellow has an arran, ement which he puts into costs, by which one's shoulders are made to look as broad as a prize fighter's. With one of his investions, and a perfectly heads, which is benelly our own, there is sin:m as surrounds the full-dressed woman, in French. But ver male corest wearers will not talk. They hide their derects, figuratively as well sick people, and we like our girls to be as actually, and would deny the who'e "quick," but never with to see them "fast." thing if they were saked about it. A daily newspaper reporter is the authority for saying that the tailor who makes heavy shoul dere out of slim does keeps quiet on the subject.
