THURSDAY MORNING, MAY 29, 1879.

THE COMING ELECTION.

On Thursday next, 5th June, the general elections for members of the Ontario Legislature will take place. The writs have been issued, the nominations come off to-day, and everything will be in readiness by next Thursday, and whether in readiness or not, those candidates who will succeed in polling the greatest number of votes will be declared elected to represent their respective Ridings in the Local House for the next four years. All our readers are familiar with the candidates who will contest this county, as we have not only referred to them but in a late issue we gave an historical account of each of the men. As we take an almost neutral position on all political questions we will not anticipate whether the Grit Robertson or the Tory Beatty is going to come out ahead. Both are sanguine of success, in fact, both have informed us that he is sure his opponent will not have public duties to attend to for four years at least. As to the questions brought into the campaign we leave the electors to judge which side produces the best arguments, and therefore, we will not say anything more concerning the matter. Suffice it to say that Dr. Robertson has advertised a meeting to be held on Tuesday evening next, when he, as well as several others will address the electors. Mr. Beatty has been invited to be present, but when conversing with him he told us that unless he is given full the time he will call a meeting for the next evening. All the electors will remember that next Thursday is election day, and each man who has a vote is requested to poll the same, and to vote for the man whom they think will favor such legislation as is most economical, and which will most benefit their own electoral district as well as the Province at large.

QUEEN'S BIRTHDAY

How Celebrated in Acton.

Several Thousand People in Town.

Last Saturday, the 50th anniversary of the Birthday of our Belored Sovereign, Queen Victoria, was celebrated in Acton in the customary manner. There was a large gathering of people from the neighboring towns and villages, while the surrounding country was well represented, there being over two thousand visitors in the village. Great interest was manifested in the games and sports, and a large number of competitors entered for each as they were announced by the judges, Messrs. D. McMackon, T. Stewart and W. Williams, who gave entire satisfaction in their decisions.

Following are the

GAMES AND SPORTS.

With the names of the successful competitors.

QUOITS.—1st class: W. Nichol, 41 points; G. Gibbs, jr., 33 points. 2nd class: T. Irwin, A. Ramshaw.

PUTTING STONE. Heavy—24 lbs: E. J. Mooney, 29 ft, 4 in.; W. McDonald, 26 ft. 4 in. Light—12 lbs: E. J. Mooney, 40 ft. J. Lamb, 39 ft.

JUMPING: Stand: J. Swallowell, 12 ft. 5 in.; J. Mowat, 11 ft. 8 in. Three Standing: J. Swallowell, 35 ft.; P. Kalehat, 32 ft. 7 in. Running: Beatty, 20 ft. 3 in; J. Swallowell, 19 ft. 4½ in. Running Hop Step:—Beatty, 41 ft; G. King, 40 ft. 8 in. Running High:—No competition.

RUNNING. Mens 100 yards: F. A. Hammil, G. King. Men's 300 yards:—F. A. Hammil, E. Clark. Boys under 17 years, 100 yards:—G. Scoon, C. Decluth. Boys under 14, 100 yards:—W. Prindle, W. Mitchell. Egg Race:—J. E. McGarvin, T. Stewart. Smoking Race:—F. A. Hammil, W. Malley.

HOPPING RACE. 100 yards:—D. Kelley, G. King.

WALKING MATCH. 10 miles, "Go as you please." E. Clark, 1 hour 15 minutes; W. Malley, 1 hour 15½ minute, and J. McDowell, 1 hour 18 minutes. This match created considerable excitement, and was watched with interest. The most amusing feature of the race was when one of the contestants caught a young calf on Main St., and proceeded several hundred yards down the street having hold of its tail. We might also say that was the fastest time for 100 yards made, during the entire race.

The Acton Brass Band, under the skilful and able leadership of Mr. J. C. Hill, played at intervals during the day, and its music was listened to with great attention by the visitors, and we know that many were agreeably surprised at the efficiency of our band.

IN THE EVENING

The grand concert of attraction was the drill shed, where the Acton Brass Band gave a profounde concert, and which we are pleased to state was well attended. D. D. Christie, Esq., Reeve, occupied the chair, and ably performed the duties devolving on him. The following programme was gone through with, each individual performer excellently taking their part.

The Late Edward Moore.

OBITUARY.

The sudden death of the above named gentleman on Friday, morning, 23rd inst., after a severe illness of four days duration, which he bore with christian resignation and fortitude, has, as was natural under the circumstances, cast a feeling of profound sorrow and regret over this community; and in deep sympathy with the proprietors of this journal at the irreparable loss sustained by them in the death of a kind father, the writer pens this brief biography. The reader who expects a panegyric will be disappointed, as the writer purposes nothing of the kind, neither do the sorrowing relatives desire any eulogium pronounced upon him of which he was not worthy. My desire is simply to record as is fitting to the memory of a good man, some suitable mention of his worth.

The deceased was intimately associated with the material interests of this community, being a resident of this village and vicinity for 35 years, and was the second son of the late Thomas Moore, well remembered by the early residents of Esquesing as a man of sterling worth and uprightness of character. The subject of this sketch, suffice it to say inherited his good qualities, and belonged to that unassuming class of men who, without claiming the least notice in the world, go to make up that grandness of character distributed throughout our population and forming powerful influence for good on those who know them.

In business as well as in his christian profession Mr. Moore pursued a straightforward consistent course from day to day, and by the weight of high integrity and sterling morality, won and received the respect and affection of this community for his noble example. It is no unpleasant task to review the life of such a man, but becoming us to glean from the paths of private life for notice, those who seem more intimately associated with our village and its institutions; and whose upright, honest and successful course deserve special mention. Mr. Moore, it may be said, spent his life among us, and was one of our successful business men, being actively engaged as such for the past twenty-three years. At the time of his death and for some years past he was a member of the Acton School Board, and by his wise counsel and hearty co-operation assisted materially the educational interests of the village, always favoring progress. He was closely and intimately associated as an active christian worker of the Methodist church of Canada for the past seventeen years, deeming his association therewith of the utmost importance to him, and the tranquility of mind enjoyed by him at the closing moments of his life proved incontrovertibly the value of living well. He was a kind father and an affectionate husband and take him for all in all.

"We shall not soon see his like again."

His sorrowing wife and children have sustained a loss which they deeply mourn, and have the sympathy of the good people of Acton. The intimacy which has subsisted between the writer of this obituary and the deceased is the only apology he offers for paying this last tribute of respect to the memory of a good man.

A $4.00 BOOK FOR $1.50,
Over 100,000 Copies Sold.
—THE PEOPLE'S—
COMMON SENSE MEDICAL ADVISER
In Plain English; or, Medicine Simplified.
By R. V. Pierce, M. D., Buffalo, N. Y.
Men and Women, Married and Single,
are invited to ask their family physicians questions on delicate topics, but are deterred from doing so by false modesty. This work answers just such questions so fully, and delicately as to leave no room for doubt. The most terrible diseases of both sexes are quickly and surely considered, and means of home treatment made known. This volume embraces a wide range of subjects, each of them handled with more or less directness upon the all-important question of health. Many a precious life has been lost from the lack of just knowledge which this work imparts.

The book is full of information for all. Part 1 is devoted to Physiology; Part 2 to Hygiene; Part 3 to Rational Medicine, and Part 4 to Diseases and the Remedial Treatment; each particularly fully and minutely with the object the author clearly expressing himself, so that all can obtain a practical knowledge of the contents.

Subjoined are some recommendations received from some well known citizens who have examined this work.

I sincerely think that "The People's Common Sense Medical Adviser," by Dr. R. V. Pierce, should have a place in every family, and I be really give it the best recommendation possible, viz:—To take a copy myself.

RICHARD HOBBS, Methodist Minister.

After a somewhat careful examination of "The People's Common Sense Adviser," I think the book very deserving, and full of practical information useful to everybody, and of the nature that can be applied by everyone. In fact, it is a work which no house should be without, as it will be referred to every day in the year. I have procured one and would advise every family in Acton to secure one. TALBERT MOORE,
Editor FREE PRESS.

I have read that "The People's Common Sense Medical Adviser," by Dr. R. V. Pierce, which I obtained a short time ago from one of the agents, and find it a very complete and useful book. That portion treating on MATERIA MEDICA is especially interesting.
J. E. MCGARVIN, Druggist.

The Agent will call at the home of each family in Acton in the next few days.

Interesting and attractive pamphlets descriptive of the Medical Adviser will be distributed among the people.
