

Summer Guests.

Into the city they wander. Over the hillside with light and shade...

They are there to see their friends. And they are there to see their friends...

Only a lonely rolling stream. Only the turn of the evening tide...

Higher and higher it will rise. Over the ridge and back of head...

It is there to see the twilight. And it is there to see the twilight...

And it is there to see the twilight. And it is there to see the twilight...

And it is there to see the twilight. And it is there to see the twilight...

And it is there to see the twilight. And it is there to see the twilight...

Insanity in England.

It is remarkable that the increase of insanity in England has occurred during the operation of a new and improved system of treatment...
