Sure Sign.—When two women meet at the fence there is no harm as long as the talk is loud and the tones firm, but the moment the head begins to nod, the voice drops to a murmur, and the tones sound hushed and muffled then you may know that scandal, or some one's character is made a sweet morsel for the occasion.

Wincey! Wincey!! Wincey!!!—We have no hesitation in saying that our stock of Winceys, just to hand, is better value than has ever been offered before in Canada, and we believe the public will endorse the fact after close inspection. They will sell fast. Christie, Henderson & Co., Acton.

Business Men.—The merchant who is wise will advertise at all times. The farmer during this season of the year has little in the way of news save what he gets in the newspaper, and the local news sheets get well read at the close of a hard day's work. Advertise *now*, and catch the fall trade at early tide. Don't wait until your opponents have taken the wind out of your sails by their announcement. Advertise early, and advertise often.

Thanks.—It sometimes happens that the spirits of our staff are greatly cheered by the kind thoughtfulness of some friend, who pleasantly enters with a basket containing "something good" to feast ourselves upon. Such an interesting incident occurred the other day, when a friend deposited in our midst a basket of splendid apples. Had he remained a few moments and noticed the speed at which they disappeared, he would have blessed himself for a week for giving so generous a treat.

Blinded Through Drink.—One of those terrible catastrophes which we have often to chronicle through a too great use of ardent spirits, occurred on board the steamer "Armenia" during her passage from Toronto to this city on Monday. It appears that Mrs. Armstrong, a resident of Toronto, was walking up and down the saloon with a child in her arms when a drunken man, whose name is unfortunately at present unknown, approached her, smoking a cigar. The man staggered, and taking the cigar out of his mouth, shoved it into one of the eyes of the poor little infant, striking the pupil and instantly blinding the child. The agony of the youngster and the terrible grief of its mother can be better imagined than described. The passengers on board sympathized deeply. Strange to say, no arrest was made.—*Hamilton Times.*

—A Mr. Lutz, of Galt, is about to introduce a by-law to prevent the town from being a cow pasture. Mr. Lutz must be an audacious man if Galt bears any resemblance to the majority of the towns and villages.

—Mrs. Skelton, who, it will be remembered, delivered an excellent lecture here last year, will address an audience in the Temperance hall, Acton, this Thursday evening. Her subject is "Temperance." All are invited.

How to Succeed.—Do you sell cheaply? let the public know it. Have you anything special to dispose of? Tell the public about it. Expecting to work up a trade without advertising is like trying to run a locomotive without steam. Advertise now.

—Mr. Geo. Murton, Secretary of the Central Exhibition, has received a letter from the Citadel, Quebec, in which it is stated that the Governor General and Princess Louise will visit Guelph on Wednesday, 17th September. The day will be a red-letter one in Guelph.

—Clearing sale of remnants of all kinds Summer Dress Goods, Millinery, Mantles, Prints, Gents' Straw Hats, Linen and Lustre Clothing. Great bargains will be given to effect a clearance. Come, inspect and be convinced. McLeod, Anderson, & Co. 7 2t,

Model School.—The first term of Milton Model school will open on the 23th inst., and close on the 25th of Oct. The closing examination will begin on the 23rd or 24th Oct. The second term will open on the 27th Oct., and close on the 20th Dec. The closing examination will begin on the 18th or 19th of Dec.

—Owing to the earlier opening of College than was anticipated, Rev. Mr. Smith was obliged to leave Acton yesterday. The morning service in the Methodist church will consequently be cancelled for next Sunday. Mr. John Speight will preach in the evening. No service will be held at the Crewson's Corners appointment.

Advertising in the Pulpit.—Says the Strathroy *Age*:—On Sunday evening last the Rev. J. Van Wick stated that for the future he would not announce notices from the pulpit except those relating to church work. This is as it should be. The pulpit ought not to be an advertising medium, and we hope the example of the rev. gentleman will be followed by other ministers of the Gospel.

**"O Mischief! Thou Art Swift."**

When the love-sick Romeo uttered those words he spoke a truism admitted by everybody. What can be swifter than the treacherous attack of disease in whatever form, whether dyspepsia, scrofula, or consumption. And the mischief done by these fell foes of health is incalculable. Thanks however to the genius of science we can subdue them by the use of **Scott's Emulsion of Pure Cod Liver Oil and Hypophosphites of Lime and Soda.** As a medicine it foils the destroying disease it stands at the head of the list.

Game Laws.—The following are the dates of the opening and closing of seasons under the game laws: Deer opens 15th Sept., closes 16th Dec.; Partridge opens 1st Oct., closes 1st Feb.; Woodcock opens 1st Aug., closes 1st Jan.; Snipe opens 15th Aug., closes 1st May.; Hares or Rabbits opens 1st Sept., closes 1st March; Ducks—black, wood, grey and teal—opens 1st Sept., closes 1st Jan.; all other kind of ducks opens 1st Sept., closes 1st May.

A Stubborn Fact.—Dr. Fowlers Extract of Wild Strawberry is, without a doubt, the safest and most reliable remedy in existence, for diarrhœa, dysentary, cholera morbus, sour stomach, sea-sickness, and all summer complaints. It acts like a charm. Its effects are marvellous—relief instantaneous, cure speedy. Physicians and all who use it recommend it. It should be kept in every home at this season for use in cases of emergency. For sale by all dealers —Milburn, Bentley & Pearson, Proprietors, Toronto.

Bush Fire.—On Sunday last, about 12:30 o'clock, the fire alarm was rung, and people rushed in all directions to find the whereabouts of the fire until it was ascertained that it was in Mr. P. S. Armstrong's bush, which adjoins the village. Mr. Jos. Lasby, whose farm joins Mr. Armstrong's, had been burning brush for two or three days previous, and it had caught in the fence and thence into Mr. Armstrong's bush, and as the wind was blowing towards the house and barns the fire was speeding rapidly in that direction. By the timely arrival of our citizens, who resorted to a free use of water, which was close at hand in abundance, it was put down in an hour or so, very little damage being done beyond the destruction of a few rods of fence.

OF ALL

—Moonlight nights.

—J. C. Hill for first class Tinware.

—Do you borrow this paper to read, or is it your own?

—A large stock of Stoves and Tinware at J. C. Hill's.

—14 pounds of good Preserving Sugar for $1.00 for cash at J. W. Mann's.

—A man caught a rat bat the other night.—It was a brick-bat, and he is now trying to catch the man who threw it.

—It is proposed, in order to be perhaps a little ahead of the spirits of the age, by one of the Guelph churches, to have a corncob Social.—*Herald.*

—The silver wedding of the Rev. Mr. and Mrs. Torrance, Guelph, took place on Monday last, which event brought together a large number of their friends.

—A Farmers Excursion to the Ontario Agricultural College and city of Guelph, came from Woodstock yesterday. A large crowd availed themselves of a cheap ride to Guelph.

—Mr. Archibald Campbell, of Nassagaweya, received a letter the other day from a friend who recently visited Mr. Campbell's son Donald, in Manitoba. The letter stated that he has one of the finest farms in the country, is contented and doing well.

—A heavy gale of wind visited us on Friday evening last, causing considerable damage to buildings, fences, and especially orchards. Bushels of unripe fruit was blown off the trees. The smokestack of Mr. H. Cameron's ashery was also demolished during the gale.

—"You love me!" echoed the fair young creature, as her pretty head oiled the collar of his summer suit. "Yes," he said tenderly, "you are my own and only —" "Hush!" she interrupted, "don't say that—be original. That sounds too much like Barnum's show bills."

—At the fire on Sunday night last, while the contents of Mr. McMackon's house were being removed, some person took possession of Mr. D. McMackon's watch which was lying on a dressing table upstairs. This may have been done by a friend for safe keeping and possibly he has forgotten to return it; if so, the owner would be thankful to receive it, as it was a valuable watch as well as a keepsake.

**THE ALTAR.**

By Rev. J. Preston, on August 20th, at the residence of the bride's father, Rev. Theophilus R. Earle, Minister of the Methodist Church, Zimmerman, to Miss Charlotte Willmott, of Milton.

**THE GRAVE.**

At Milton, in the county of Halton, Ont., on the 23rd inst., John Henderson, in the 76th year of his age.

Deceased, who was a native of Roseburghshire, Scotland, emigrated to this county in the year 1831, when he purchased and settled on "Springfield Farm," in the township of Nelson, where he lived continuously for about 48 years, and from which he retired to the town of Milton, only a few months before his death. He was one of the earliest settlers in that part of the township, and was also one of the last survivors of the early pioneers of the section in which he spent the greater part of his life. He never actively engaged in any public duty, being naturally of a somewhat reserved manner, but by perseverance and frugality amidst the privations and hardships incidental to early Canadian life, secured a competance for himself and family. Christmas of the current year would have witnessed the fiftieth anniversary of his wedding day. His partner in life, as well as his family of five sons and four daughters, all survive him, and were all present on Monday last to pay a last tribute of respect to him who always evinced the liveliest interest in their welfare. Deceased was father of Mr. D. Henderson, of Christie, Henderson & Co., of this village.

**A GOOD PLAN**

Anybody can learn to make money rapidly operating in Stock, by the "Two Unerring Rules for Success," in Messrs Lawrence & Co's new circular. The combination method which this firm has made so successful, enables people with large or small means to reap all the benefits of the largest capital and best skill. Thousands of orders, in various sums, are pooled into one vast amount and co-operated as a **mighty whole**, thus securing to each shareholder all the advantages of the largest operator. Immense profits are divided monthly. Any amount, from $5 to $5,000, or more, can be used successfully. Baptist Weekly, September 26th, 1878, says: "By the combination system $25 pays $250 or 8 per cent; $100 makes $1,000 or 10 per cent on the stock, during the month, according to the market." Frank Leslie's Illustrated Newspaper, June 28th: "The combination method of operating stocks is the most successful ever adopted." New York Independent Sept 12th, "The combination system is founded upon correct business principles, and no person need be without an income while it is kept working by Messrs Lawrence & Co." Brooklyn Journal, April 29th, "Our editor made a net profit of $101.35 from $20 in one of Messrs. Lawrence & Co's combinations." New circular, mailed free) explains everything; Stocks and Bonds wanted; Government bonds supplied; Lawrence & Co, Bankers, 57 Exchange Place, N. Y.
