TOWN AND COUNTY.

THURSDAY MORNING, OCT. 30 1879.

—The tinsmiths' harvest has set in.

—Next Thursday is Thanksgiving Day.

—Cold blows the blast and coal stoves are being purchased.

—Until now the roads in this vicinity have been in a splendid condition.

—Parties having stray animals should advertise them in the Free Press.

—In whatsoever house you enter, remain master of your eyes and your tongue.

—If you don't want to be robbed of your good name, don't have it painted on your umbrella.

—Get your parlor stoves up as the nights are becoming too chilly for the young cattle outside.

—Hallowe'en tomorrow. We understand the village constable will be on the lookout for depredators.

—We are indebted to Mr. A. E. Matthews, Montreal Telegraph Agent here, for copies of Dundee, Scotland, daily papers.

—Our Brass Band discoursed sweet music to the citizens on Monday evening last, free. On behalf of the citizens we thank them.

—On Sunday next Elder Robert Beaty, of Toronto, will preach in the Disciple church, both morning and evening, at 11 a.m. and 7 p.m.

—Rev. C. E. Whitcombe, of Stoney Creek, will preach in St. Alban's church, Acton, on Sunday evening next. Service at half-past six o'clock.

—The agent of Messrs. Shaw & Murton, Merchant Tailors, Guelph, was in town two days this week, taking orders. He succeeded very well.

—Money order offices were opened at Gladstone and at Selkirk, Manitoba, on the 1st inst., and one is to be opened at Emerson on the 1st of November.

—In our window we exhibit a quantity of new fall wheat, grown on the farm of Mr. Martin, of lot 23, con. 5, Esquesing, which measures 32 inches from root to tip.

—John street, between Mill street and Bower Aveune, has been blockaded with a building in course of removal for a week past. We think it is time the obstruction was removed.

—A certain editor was taking a walk one evening with his wife, when she, who was romantic and an admirer of nature, said:—"Oh! John, just notice the moon." "Can't think of it, my dear, for less than eight cents a line."

—Several very bad holes appear in the sidewalks, especially on Church street, opposite the Disciple church and Temperance hall, and two or three places on Main street. The Street and Sidewalk Committee should attend to the matter before frost comes.

—For all purposes of a Family Medicine, Hagyard's Yellow Oil is at the head of the list. It is used with unprecedented success both internally and externally. It cures Sore Throat, Burns, Scalds, Frost Bites; relieves, and often cures Asthma.

—The Free Press will be sent to persons who subscribe now up to Jan. 1st, 1881, for $1.00, payable in advance. Subscribe at once. Every man ought to have the local paper. You can not fail to see something in it during the year that will benefit you more than the cost.

—While in New York a few days ago, P. T. Barnum replied to an old friend who told him he looked as hale and hearty at he did ten years ago: "I ought not to, my dear sir; I'm an old man. I'm 70. But I gave up rum and tobacco years ago. I haven't smoked a cigar for eighteen years; for have I tasted a drop of liquor for many years. That has kept me young and hearty."

—We will send the Free Press and *London Advertiser* and *Weekly Liberal* from now to the 1st of January, 1881, for $2.00 and a copy of the Advertiser Annual will be presented to each one who accepts the above offer. The Free Press regular rates for 14 month is $1.20, the *Advertiser* $1.80 and the Annual 20c., making $3.20, and we give all for $2.00.

PAINTS,

THANKSGIVING SERVICE.—A Thanksgiving sermon will be preached by Rev. R. Hobbs, on Thursday, 6th of November, Thanksgiving Day, at 11 o'clock, a.m.

—Good Size.—In a lot of potatoes, Early Rose, sold at the Post Office store, by Mr. Lachlin Currie, of Erin, one was found to weigh one and one quarter pounds.

Winter Supply.—Farmers are just now laying in their winters fuel, and the more grown-up daughters, the bigger the wood pile. Allowance must be made for sparks.

Appointment.—Mr. John Waldie has been appointed Manager of the Canada Fire & Marine Insurance Co., vice Mr. Cory, resigned. The Hamilton papers speak in flattering terms of the appointment.—*Champion.*

—Open Division.—Acton Division, S. of T., will give an Open Division in their hall, Church street, on Tuesday evening next. A good programme has been prepared and a good time is anticipated. Admission free.

The First Flakes.—On Thursday morning and afternoon last, there were two slight flurries of snow—the first of the season. Neither lasted much over a minute. The day was cold enough to have brought forth a snow storm of old-fashioned proportions.

Quarterly Meeting.—The quarterly meeting of the Acton circuit of the Methodist church, will be held on Sunday next, in the Methodist church here. At the close of the preaching service the sacrement of the Lord's Supper will be administered. Rev. F. W. Ware will officiate.

—The Pulpit.—Mr. T. Albert Moore, of Georgetown College, formerly of the Free Press, preached in the Methodist church here on Sunday morning last, and Mr. T. Harrison, also of the college, preached in the Methodist church at Crewson's Corners in the afternoon, at 2:30 p.m.

Ploughing Match.—The annual Ploughing Match of the Township of Esquesing Agricultural Society will be held on the farm of J. Murray, Esq., East half, Lot 16, con., 6 Esquesing, on Friday, 31st October, 1879, when a number of prizes will be offered for competition. Ploughing to commence at half-past nine a.m., and finish at half-past three p.m. Members or their ploughmen, free; all others to pay one dollar entrance.

Personals.

Mr. John Brown, of Sarnia, was in town yesterday.

We had a call from Mr. Joseph Gibson, of Inversol, on Friday morning last.

Messrs. T. A. Moore, and T. Harrison, of Georgetown College, called on us on Monday last.

Miss Maggie Ramshaw left Acton yesterday morning for Capac, Mich., where she intends to spend a few months.

Obit.—It is with much regret, that we this week announce the death of Mr. James Sloan after a very painful illness of about twelve days, which he bore with Christian fortitude and resignation. The deceased was born in the Township of Trafalgar in 1808, from which he removed to Burford Township in 1849, and returned again to the old homestead some three years ago, from which he has been so suddenly called away. He was in the 55th year of his age, and leaves a widow and two children to mourn his loss.—*Champion.*

—The Guelph City Council had an old fashioned meeting on Friday evening last and scenes took place similar to those which eighty occurred a year or so ago. The *Herald* ends its report of the meeting with, "Some of the aldermen behaved in a most unseemly manner, notwithstanding the efforts of the chairman to keep them in check, and the time was taken up in discussing the most frivolous objections, and advancing the most incenious hair-splitting amendments. It was a regular circus, and was hugely enjoyed by a large crowd of spectators."

—A Big Gathering of Bands.—Efforts are being made by the Masonic brethren, of London, to get the 7th Band to accompany them to Chicago on their excursion in June next. It is proposed to have about 100 different bands there. Should the celebrated 13th of this city be among the number there will be few, if any, to surpass it.—*Hamilton Spectator.* And if the Wellington Artillery Band should go, some of the celebrated bands will hear what really first-class music is.—*Guelph Mercury.* And if Acton Brass Band should go the Wellington Artillery Band will have to "take a back seat."

The Price of Wheat.

The value of Wheat in the Canadian Market is controlled to a great extent by the foreign demand. Harvests are short in Russia, France and Italy. England must buy more Canadian Wheat, and the prices are consequently advances.

But the price of Wilson's Compound Syrup of Wild Cherry never changes. A twenty-five cent bottle will cure any ordinary Cough or Cold and give marked relief in old-standing cases of Bronchitis. In hundreds of cases 50 cent bottles have cured Coughs and Colds, which have been proof against all other remedies, and the proprietors claim that a $1.00 bottle will ensure a large family against any danger from Croup, Whooping Cough, Bronchitis, Catarrh, Loss of Voice, Coughs and Colds, and all kindred diseases, for a whole season.

This is no empty boast, but a fact which has already been proven by thousands of Canadian Families to their entire satisfaction. 15-4t

Silver Wedding Anniversary.

The twenty-fifth anniversary of the wedding of Mr. and Mrs. Thomas C. Moore, of this village, was celebrated by the family, with a large number of friends, on Friday, 17th inst, at their residence on Bower Avenue. Congratulations to the *bride* and *groom* were in order for some time, and dinner was served at 6:30 p.m. When dinner had been concluded the company retired to the parlor and the time was occupied in speeches by Mr. Moore, Rev. R. Hobbs, and others present; music and singing, and a general good time was spent. The presents which were numerous, were very appropriate to the occasion. The company broke up at a reasonable hour, all being much pleased with the sociable evening spent together. We do not wish our friends very many returns of this anniversary, but it would afford us pleasure to chronicle, in a future issue of the Free Press, their Golden Wedding.

—New Cash Store.—For all general Groceries, fresh and new, Boots and Shoes of every description, go to A. W. Green. He is prepared to supply you very cheap for cash. Goods delivered to any part of the town. Store opposite Agnew's hotel.

Enterprise.—Messrs. McQuillan & Hamilton, of the Wellington Marble Works Guelph, are doing the best and cheapest work in Canada, being the first to introduce first-class work at low prices, by importing direct the best qualities of Marble and Granite. 10 tf.

—Our Manufacturing Department, such as Millinery, Mantles, ordered and ready-made boys Clothing and Overcoats are unsurpassed. We can suit the most fastidious lady in all particulars, and we have made extensive improvements in our Clothing Department which will meet with the approval of our numerous patrons. We sell goods cheap to suit the times. McLeod, Anderson & Co.

On the Verge of the Grave.

Such was the condition of Moses A. Walker, of Derry, N. H., with congestion of the lungs and chronic Catarrh. Two bottles of the Constitutional Catarrh Remedy entirely restored him to health, and, to use his own words, "built up my whole system." The remedy is for sale by all Druggists.

—Overwhelming evidence that McLeod, Anderson & Co., of the Mammoth House, Georgetown have the biggest stock, have the biggest place, do the biggest Dry Goods business, give the biggest bargains in this county or any other county or city. Their place is crammed full from cellar to garret—of big bargains and first-class goods—Inspection invited. Competition nowhere when our great bargains are seen.

An Inspiration.

When a poet composes a set of verses that stir men's hearts, we say he is inspired. So indeed he is. When celebrated students of hygiene, after careful study, gives us a panacea for many of the ills that flesh is heir to, we say they have made a lucky hit. We are wrong. It is equally an inspiration. Debility, bronchial affections, and consumption number their victims by the thousands, but how soon these difficulties could be ameliorated if we only knew it. Scott's Emulsion of Pure Cod Liver Oil with the Hypophosphites of Lime and Soda is the remedy preeminently adapted to such conditions, and if taken long enough is almost sure to effect a cure. It is also perfectly agreeable to the taste.

Important Notice.—It is admitted by all parties who have paid attention to recent changes in values that Teas have advanced fully 15 to 20 per cent, and leather from 25 to 30 per cent. Our stock of Boots and Shoes was all bought before the advance, and about a week before the recent rise in Teas we purchased a three months stock. We make no change in price, but give our patrons the entire benefit of our good luck and can therefore guarantee prices lower than in any adjoining village, town or city. Coal Oil only 12 cents per gallon, warranted good. Salt only 85 cents per barrel. An immense stock of Boots and Shoes to select from. Dry Goods, Ready-made Clothing, Millinery, Mantles, etc., etc., at old prices. Christie, Henderson & Co., Acton.

OPEN DIVISION.

An Open Division will be given under the auspices of Acton Division, No. 242, S. of T., on Tuesday evening, Nov. 4th. The programme will consist of speeches, music, readings, recitations etc. The merits of the Scott Act will probably be discussed. The entertainments of the Division have always had a good reputation and this one will be made to come up to the usual standard. Doors open at 7:30.

SCOTT'S EMULSION
PURE COD LIVER OIL
WITH
HYPOPHOSPHITES OF LIME AND SODA.

This preparation combines the two best remedies ever discovered for **Consumption, Colds** and **Chronic Coughs, Scrofula, Rheumatism** and **Diseases of the Blood, General Debility,** and all **Wasting Diseases of Children.** It not only contains the well known and highly esteemed virtues of Cod Liver Oil as a fat that is perfectly tasteless and acceptable to the most delicate stomach, but in addition, the wonderful tonic and life-giving properties of the Hypophosphites, so incorporated that the remedial powers of both are largely increased. Physicians universally acknowledge the vastly superior virtues of this combined food and medicine in all the above diseases. It not only better tolerated, but much more readily assimilated by the system than plain Cod Liver Oil, and a better agent in enriching and purifying the blood, allaying the irritation of the throat and lungs, restoring the impaired functions and giving strength and vigor to the whole body. It is sweet and palatable to the taste, never separates, deposits or spoils. Be sure and ask for **Scott's Emulsion.** For sale by all druggists at $1.00 per bottle.
