If you wish to appear early during the approaching winter season, procure your shirts, trousers, ties, etc., at Cooper's, 100 Yonge St., Toronto.

Passover.—Mr. James Brock, Weston, says he will have a good time at his home on the 15th inst. for a party of about 20 persons, including the family and friends.

Shaw's Machine.—The Wm. Norris machine is now taking the lead in Canada. The great interest created at the exhibition at Toronto and Ottawa this fall on account of their light running, delicacy, and simplicity of proof alike. The factory running night and day to fill orders. Vendors of American machines are giving thought to preferring the Wm. Norris to all others.

It is a very gratifying fact that the machine is so far ahead in what the world calls talent. A man without it may be a good pianist, but his music will be a mere mechanical exercise. A man with it will be a musician, and his music will be a true art.
