TOWN AND COUNTY.

THURSDAY MORNING Nov. 13 1879.

—Christmas, this day six weeks.

—Furs are being brought to the light again.

—Livery men are furnishing up their sleighs.

—Business men are getting ready for the holiday trade.

—To the wheat buyers—whatever goes up must come down.

—Candidates to municipal honors are beginning to look about them.

—If you want a nobby, durable and cheap suit—Fyfe & McNab's is the place to go.

—Have your sleighs and cutters renovated and in readiness, sleighing will soon be here.

—We are again obliged to hold over editorials and news matter, owing to press of advertisements.

—Subscribers not receiving their paper regularly will confer a favor by reporting at the office.

—It has been raining here nearly all week, and as we go to press the rain continues to pour down in torrents.

—Elder D. Campbell will preach in the Disciple Chapel on Sunday evening next, at 7 oclock p. m. Subject—Fall of Babylon.

Just so.—The schoolboys are now counting up the number of days to Christmas, and wondering what Santa-claus will bring them.

—A contemporary advises people not to light their first fire in a new stove with wood. A wood fire, it says, is more liable to crack the stove than coal.

Every Hour.—There is only now and then an opportunity of displaying great courage, or even great wisdom; but every hour in the day offers a chance to show our good nature.

—The Oakville *Express* says:—"In southern Halton the snow measured on Monday, 10 inches. We do not know whether the *Express* means about here or some place in the region of the North Pole. We had only five or six inches of snow in this vicinity that day.

Change of Management.—From the Hamilton *Times* we learn that Mr. J. Oliver Mowat, who has been manager of the Georgetown Agency of the Bank of Hamilton, is to be removed to Listowel. Mr. Watson, heretofore of the Milton branch, goes to Georgetown.

An important Credit Sale of Stock and Implements will be held by Daniel Lawson, Administrator (for the heirs) of the estate of the late Wm. G. Lawson, at lot 25, con. 4, Esquesing, on Tuesday, Nov. 18th, at 12 o'clock sharp. Terms, 11 months' credit on approved joint notes—all sums of $5.00 and under, cash.

The most perilous hour of a person's life is when he is tempted to despond. No one should despond—not even the young man who is enfeebled, both mentally and physically, by habits of early indiscretion, as Victoria Buchu and Uva Ursi will cure the most distressing case of kidney disease, etc. For sale by all dealers, at $1 per bottle. 2t.

On the Verge of the Grave.

Such was the condition of Moses A. Walker, of Derry, N. H., with congestion of the lungs and chronic Catarrh. Two bottles of the Constitutional Catarrh Remedy entirely restored him to health, and, to use his own words, "built up my whole system." The remedy is for sale by all Druggists.

Elbow Room.—The lecture, under the auspices of the Ladies' Aid Society of the Methodist church, of this village, delivered by Rev. Wm. Williams, of Guelph, Chairman of this district, in the Methodist church, on Monday evening last, was able, eloquent and intellectual. There was a very good attendance and all appeared much pleased with the lecture from beginning to end. Those who neglected to attend, missed a rare intellectual treat.

The Editor.—Josh Billings says:—If anybody has hard work to please most people it is the editor. If he omits anything, he is lazy. If he speaks of things as they are, people get angry. If he glosses over or smoothes down the rough points, he is limbed. If he calls things by their proper names, he is declared unfit for his position. If he does not furnish his readers with jokes, he is a rattle-headed, lacking stability. If he indulges in personalities, he is a blackguard; if he does not, his paper is dull and insipid.

PAINTS,

—Saturday last was a good day among the business men. A goodly number of purchasers were in town.

—Friends of Messrs. Gowdy and Sleeman are canvassing for votes for these gentlemen, for the mayoralty.—*Guelph Herald.*

A tobacconist in Wilkesbarre has the following sign posted up in his store: "If you want to loaf come around to-morrow."

—Sir Samuel Tilley is expected to visit Guelph to-morrow for the purpose of listening to the "hum" and bustling with the faithful Tories.—*Mercury.*

—About the guiltiest looking people in the world are a man accused of a crime of which he is not guilty, and a newly married couple trying to pass for veterans.

—That Sunday school scholar who accidently put a twenty-five cent piece in the collection box last Sunday, instead of the cent he had in his pocket, is full of anguish.

—On Tuesday evening last a brakeman had his hand badly bruised while coupling cars at the G.T.R. depot, Acton. No bones were broken. Dr. McGarvin dressed the injured hand.

Rifle Match.—The annual rifle match of Acton Company, No. 6, Volunteers, was held on Monday last. The day was very fine, and the scores made were better than any previous year. We will give prize list next week.

—Mr. James Wiley, of the firm of Worsfold & Wiley, furniture dealers, of Guelph, has withdrawn from the firm, and intends going into business in Chicago. Mr. Wiley was entertained at an oyster supper by the business men of Guelph on Wednesday evening last. Mr. John Worsfold, the senior partner of the firm will conduct the business in Guelph.

—The Free Press is quite often in receipt of anonymous letters and items of news, and these are just as often consigned to the waste basket. Anything that has a name as author, (not necessary for publication,) and is of public benefit, is generally worth publishing, but when there is no name to a communication, it is necessarily rejected without examination.

Personals.

Our obliging G. T. R. agent, Mr. R. E. Rae, is away on a holiday trip.

Messrs. Zilman A. and Horace J. Hall were in town on Thanksgiving day.

On Thursday last we had a pleasant call from Messrs. Chas. Scott and J. Bousfield, of Milton.

We are glad to learn that Miss Minerva Storey, who has been indisposed for the past two weeks is able to be out again.

Stubborn Facts.

That in severe and chronic cases, which have defied all other remedies, Wilson's Compound Syrup of Wild Cherry gives immediate relief, and effects a speedy cure.

That no case has been reported in which it failed to give relief.

That every family who keeps it on hand can laugh at Croup, Whooping Cough, Colds, Bronchitis, and all kindre of diseases.

That in every district where Wilson's Wild Cherry has been introduced it has jumped into favor at an incredibly short time.

That besides being a radical cure for the above mentioned diseases it is one of the best Tonics in use.

That if you have not already done so it is your duty to purchase a bottle at once.

That you can buy it from any leading druggist in Western Ontario. 19-1

Stop that Cough.

Hagyard's Pectoral Balsam is composed of the most healing balsams and gums. The Balsams, which enter into its composition, were used by natives when America was first discovered, and are combined with other vegetable tonics, so blended together, that it is a specific for all affections of the throat and lungs. Thousands of bottles are used annually, and it is considered one of the standard preparations of the day for Coughs, Colds, etc. For internal and external use. For sale by all dealers at 25c. per bottle. 19-2

Board of Education.

The Board of Trustees of Acton School Division met on Monday evening last. Present, Messrs. W. H. Storey in the chair, D. Henderson, S. Moore and A. Lasby. The communications from applicants for the position of teacher of the 3rd Department of Acton Public School, were read, after which it was moved by A. Lasby, seconded by S. Moore, that Jennie K. Grant be engaged as teacher for that Department for the year commencing Jan. 1st, 1880, at the salary of $235 per annum, conditional that Trustees may void agreement at the end of six months if not satisfactory.—Carried. Board then adjourned until Monday, 1st Prox.

Thanksgiving Day.

On Thursday last, Thanksgiving Day, places of business throughout Canada were closed, and the inhabitants observed the day as one of thanksgiving for the bountiful crops garnered during the past season and for many other blessings with which they are surrounded by the Almighty. Here, the day was observed as a holiday, the shops and business places generally being closed. The weather was fine, and every person seemed to enjoy it.

THE CHURCHES.

Service was held in the Methodist church at 11 o'clock a.m., and Rev. R. Hobbs delivered a most interesting discourse on a thanksgiving subject. Thanksgiving service was held in the Presbyterian church on Monday 3rd inst., as Rev. Mr. Cameron intended to be away from home on the 6th inst.

Thanksgiving service was also held before this date in St. Alban's church, it being appointed by the Bishop of the Diocese to be held on the 19th Oct., and on that day Rev. C. R. Lee delivered his discourse on this topic.

IN THE AFTERNOON

a large company of young people congregated on Dr. Morrow's pond, which was in excellent condition for skating, and that pastime was indulged in during the afternoon. Some of the young folks who did not go skating went out for their first sleighride of the season.

IN THE EVENING

an excellent concert was given in the Temperance Hall, under the auspices of St. Alban's church. The following members of St. George's church choir, Guelph, took part in the concert, and every person present was much pleased with their selections: Miss. Geddes, (Organist), Miss Foster, (Soprano), Miss Nellie Foster, (Alto), Mr. Jopling, (Tenor) and Mr. J. W. Benton, (Basso). The violin playing of Mr. H. C. Shaw and the singing of Miss Wright, attractions not mentioned in the bill, gave great satisfaction to the audience. A solo by Mr. Benton on the Bellophone, a new instrument, was received with great applause. The accompaniments were played throughout by Miss Geddes, with great skill and taste. Miss Swan and Miss Haslett, of our village, played an instrumental duet which was highly appreciated. A very fair number were present, and taking all in all the concert was a success.

IN CASTLE HALL,

the lodge room of the Knights of Pythias, a pleasant company composed of the Knights and their friends, met after lodge and were entertained at an oyster supper, which was excellent got up and the committee appointed deserve credit for the abundant and wholesome spread provided. A very agreeable time was spent, in speeches, songs, etc., and the general list of toasts were offered and replied to. The company, after singing God Save the Queen, broke up at a reasonable hour. Thus was concluded Thanksgiving Day.

Not as the Poet Sings.

If the unfortunate and unhappy Kirk White were alive, it is more than probable that he would leave unsung his poem, and rejoicingly use on a painful and severe disease has now been discovered. It is Scott's Emulsion of Cod Liver Oil with the Hypophosphites of Lime and Soda. Many so called remedies have been offered to the public, but none have proved trustworthy until this preparation was given to suffering humanity. It not only relieves in every case, but in most cases permanently cures, at the same time is perfectly palatable.

A Household Necessity.

Hagyard's Yellow Oil is the best remedy in the world for the following complaints.—Cramp in the limbs and stomach, pain in the side, rheumatism in all its forms, Colic, Neuralgia, Flesh Wounds, Spinal Complaints, Sprains and Bruises. Don't fail to procure it. Its equal has never been known for removing pain in all cases. For internal and external use. Sold by all dealers 2t.

He Sleeps with a Revolver Under his Head.
OR A WISE PRECAUTION.

On the borders of civilization it is customary with the men to sleep with a revolver within easy grasp. This precaution is deemed necessary to insure the safety of their personal property. The sagacious housewife, in order to provide against a sudden attack of sickness in her family of little ones, takes the wise precaution to arm herself with the most potent remedy known to science for the prompt and painless extinction of the bowels caused by colds, or what is more often the case the eating of green apples or other unripe fruit before retiring. The weapon is Scott & Bowne's Emulsion of Palatable Castor Oil. Price 25c.

—Overwhelming evidence that McLeod, Anderson & Co., of the Mammoth House, Georgetown have the biggest stock, have the biggest place, do the biggest Dry Goods business, give the biggest bargains in this county or any other county or city. Their place is crammed full from cellar to garret—of big bargains and first-class goods—Inspection invited. Competition nowhere when our great bargains are seen.

Important Notice.—It is admitted by all parties who have paid attention to recent changes in values that Teas have advanced fully 15 to 20 per cent. and leather from 25 to 30 per cent. Our stock of Boots and Shoes was all bought before the advance, and about a week before the recent rise in Teas we purchased a three months' stock. We make no change in price, but give our patrons the entire benefit of our good luck and can therefore guarantee prices lower than in any adjoining village, town or city. Coal Oil only 12 cents per gallon, warranted good. Salt only 68 cents per barrel. An immense stock of Boots and Shoes to select from. Dry Goods, Ready-made Clothing, Millinery, Mantles, etc., etc., at old prices. Christie, Henderson & Co., Acton.
