

Ballad of Human Nature.

When we are all together,
And all the lights are lit,
And we are all together,

The Capture of the "Huscarl."

The agreement between the Peruvian
iron-clad "Huscarl" and the Chilean
armed ship "Esmeralda" was signed

With the Boer.

Upon a first introduction to the Boer,
all the stories we have heard of him

An Australian Bird Bishop.

Dr. Moorhouse, the bishop of Melbourne,
would appear to enjoy an extraordinary

A Dangerous Talent.

Next to a gift for inventing, there is
scarcely a more valuable one than that

An Indian Tradition of the Great Flood.

One morning water for washing was
brought to Manu, and he had washed

The Selfish.

One morning water for washing was
brought to Manu, and he had washed

The Mother's Warning.

"Ephraim, come to your mother, boy,
When you are here!"

Breaking in a Thoroughbred.

When the young Spanaway is sold by
the breeder, he is duly handed over to

A Wedding Ring.

The other day, when a young man had
puffed off two big mittens from his hands
