The assortment is complete. Call and see if you require a Stove. Mr. Hill has also a splendid lot of Lamps, Lanterns, and everything in this line. Tinware of all kinds, cheap. Call and see him.

—We wish you all
—A Happy New Year.

—YOUNG Probabilities say we're having a good deal of weather this week.

—CHATHAM thinks she should be the next town in Canada to become incorporated as a city.

—WE welcome to our list of exchanges the Chatham *Tribune*, a journal of eight pages, very neatly printed and ably edited.

CHRISTMAS SERMON.—Service was conducted in St. Alban's Church on Christmas morning at 10.45, by Rev. C. R. Lee. The church was beautifully decorated.

—IN some cities every loaf of bread has its weight stamped upon it to indicate its true; but if every loafer bred in this town had a weight stamped on him, he would be suppressed.

WEEK OF PRAYER.—Service will be held each evening during the week of prayer in the Methodist Church, Acton, commencing at 7:30. The first meeting will be held on Monday evening, 5th inst.

—HAPPY subscribers, in large numbers, have been calling for their renewal receipts. A very good method of celebrating the holiday season, as it tends to happiness on both sides—happy readers; happy editors.

—THE total number of marriages last year in Ontario was 13,000. Next year being leap year of course the number will be greatly augmented. Begin early in the year, ladies, to "pop the question," and we shall see the number reach 20,000 before its close.

SLEIGHING.—The excellent sleighing of this week and last has done a great deal to improve business. Farmers and others who have work to do should make the most of it at once, before the roads become drifted and less passable, as is usually the case about midwinter. Grain is now such a good price that farmers can scarcely make a mistake by selling at once. If the snow lasts, an enormous amount of teaming should be done in a short time.

Throw Physic to the Dogs.

When Mr. & Mrs. Macbeth committed that little indiscretion about King Duncan, and the lady took to walking in her sleep it is very doubtful that Mr. Macbeth would have exclaimed, "Throw Physic to the dogs," if the attendant had presented him with a bottle of **Scott & Bowne's Palatable Cod Liver Oil.** It is one of the best remedies extant, as the old drug-dislike against the name will in Properties of castor oil are done away with by the fact that this palatable emulsion is true to the name and is really agreeable to the taste. Price 50 cents.

—WE have received the January number of the Hamilton School Magazine, a monthly publication devoted to the interests of teachers and students, and if we might judge from the specimen before us are think it will be of great advantage to those for whom it is especially intended, as it contains information that is not supplied by any other publication in Canada. The subscription price is only one dollar a year in advance; single numbers, 15 cents.

THE NEWSPAPER ADVERTISEMENT.—the newspaper advertisement is a never tiring worker in the interest of its employer. When the bill distributor has disappeared from the street and his bills have been scraped off every wall and fence, it is performing its silent mission in the family circle. It appeals to a constituency three or four times larger than that represented by the actual sale of the paper, for there are few newspapers which do not pass from hand to hand through three or four persons with every issue.

OUR CARRIER BOYS.—This week the FREE PRESS Carrier Boys present their annual address and best bow to our patrons in town, whom they hope to find as "flush" and full of benevolence as becomes this joyous season. Those little fellows who through "storm and sunshine" have laid the weekly budget of news at the doors of their patrons expect to forget all the toils and troubles of the year after sharing the holiday bounty of a generous public. For any omissions of the year they are now devoutly penitent, very much so, indeed—and will remain in this state of mind for a week at least.

MASONIC.—The Annual Installation and Festival in connection with Walker Lodge, No. 321, A. F. and A. M., Acton, took place on St. John's Day, 27th Dec. The ceremony of installation was conducted by Bro. Pettiford, of Guelph, assisted by Bros. Scully and Hunt, of Berlin. The Lodge having been closed a goodly number of the brethren of Acton, with those of Guelph and Berlin, repaired to the "Royal Exchange," where a table laden with good things was in waiting. After supper the usual loyal and patriotic toasts were proposed, to which the guests from a distance and the newly installed officers of Walker Lodge severally responded. The health of the "Host and Hostess" was drank in good coffee, which alone was used in all the toasts. Then after singing a verse of "Auld Lang Syne," led by the Host—Mr. Campbell, the company separated, shortly after eleven o'clock. The following are the names of the officers of Walker Lodge for 1880:—

Bro. J. Shaw, W.M.
" Dr. Lowry, S.W.
" D. C. Robinson, J.W.
" W. T. Smyth, Chap.
" F. H. Storey, Sec.
" Jas Matthews, Treas.
" R. R. Rae, S.D.
" G. Hynds, J.D.
" F. Secord, D. of C.
" J. Adams, I.G.
" Dr. Morrow, } Stewards.
" A. Wialow, }
" J. Kenny, Tyler.

—A COMMUNICATION from Nassagaweya was received too late for this issue.

—ARE you taking pains to make some poor person happy during the holidays.

RENEW.—Prompt renewals are a great satisfaction to the newspaper publisher. Send your subscription for 1880 at once.

SINGING CLASS.—A meeting of the singers of Acton, is requested at Matthews' Hall, on Tuesday evening, Jan. 6th, 1880, to meet Prof. Harrington, and decide regarding a singing class and the bringing out the opera, "Haymakers," or the "Oratorio of Daniel," one or both. Please bear in mind—Tuesday evening, Jan. 6th, in Matthews' Hall, at 7:30.—PROF. HARRINGTON.

Communication.—This week we received a communication from "Resident," in reference to "taxation exemptions," but as the name of the writer did not accompany the communication we decline to insert it in our columns. We have many times informed our readers and the public that unless the name of the writer accompanies his letter we cannot give it publicity. We do not require the name for insertion, but merely as an evidence of good faith.

Personals.

Mr. James Warren, P. L. S., is in town.

Mr. R. N. Thurtell, druggist, Teeswater, paid his Acton friends a visit last week.

Mr. T. Albert Moore preached in the Methodist church on Sunday morning last.

Mr. A. E. Matthews, Postmaster, Acton, has been spending his Christmas holidays in Port Rowan.

Rev. Calvin, D. D., Principal Toronto University, occupied the pulpit of Knox Church, Acton, last Sabbath.

Miss Lottie E. Speight, of this village has resigned her situation as teacher of second department of Limehouse Public School, which position she has ably filled during the past two years. Miss Clara Speight has been appointed to fill the vacancy.

School Election.

The nomination of candidates to fill the vacancies caused by the retirement of Messrs. W. H. Storey and the late Edward Moore, from the Board of School Trustees, took place in Matthews Hall, Acton, on Wednesday, 31st inst., at 12 o'clock, when the following persons were nominated:—

JOHN SPEIGHT.—Nominated by S. Moore, seconded by ASE Hall.

EDWARD NICKLIN.—Nominated by Joseph Lasby, seconded by W. H. Storey.

JOSEPH LASBY.—Nominated by Ell Snyder, seconded by C. S Smith.

W. H. STOREY.—Nominated by S. Moore, seconded by Jos. Lasby—Withdrawn.

ALEX. KENNEDY.—Nominated by G. Ryder, seconded by Wm Moore.

Owing to the fact that four candidates are in the field, a poll was demanded, which will be opened at 10 o'clock a.m., on Wednesday, 7th Jan., 1880, in Matthews Hall.

Since the nomination, considerable conversation has taken place among the ratepayers, and public opinion says that as there are at present two Trustees in the board to represent the rural portion of the School Division, and as the village raises about two thirds of the School funds, and also that the two retiring Trustees were representatives of the village, the two corporation candidates nominated should be elected.

S. S. ANNIVERSARY.—The Methodist Sabbath School annual Christmas tree and entertainment was held in the Methodist church, on Wednesday evening last, Christmas Eve, and was a success. Tea was provided in the basement and the Sabbath School children were admitted free. After tea the company retired to the auditorium of the church. Rev. R. Hobbs took the chair. The choir furnished excellent music, and the recitations and dialogues given by the children were excellently rendered and all received hearty applause. Zua Grinlinton one of the scholars from the infant class gave a recitation "The Drunkard's Wife" which was recited in a manner which would do credit to a professional elocutionist. Rev's Mr. Hazleton and D. B. Cameron made short and pleasant addresses to the children. The Christmas Tree was well laden with presents for the children of the school as well as many for children who have long since considered themselves too big to attend Sabbath School. As soon as the programme had been concluded Santa Claus, with his long, white beard and silvery hair, arrived with a stock of presents, and was hailed with surprise and delight by the children. He assisted in the distribution of the presents, his whole object being to please the children, and every child in the school received a present in the shape of an interesting, instructive or amusing book. The children appeared well pleased with their presents. Several of the teachers were presented with suitable presents by their classes, and Rev. R. Hobbs, pastor of the church, received a purse containing a respectable sum, from the congregation. The teachers and others who had the training of the children deserve credit for their success.

No Such Word as Fail.

The hectic cheek, the sunken eye, the hacking cough, all betray the presence of that dire foe—Consumption. If one or more of these or relatives is afflicted with these diseases, there is nothing that we would not do to give them relief, but leading physicians prescribe in vain. The only known remedy and one which stamps the discoverer as a public benefactor is **Scott's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda.** Never, in a large and varied experience, has it been known to fail to give relief, and in most cases permanently cure.

IMMENSE INSTITUTION!

There are many reasons why the people of Acton and surrounding townships find it to their advantage to make their Dry Goods purchases at that Mammoth Store the

GOLDEN LION, GUELPH.

FIRSTLY:

THE LION is one of the largest establishments in the Dominion, occupying more than twice the room of any store outside our large cities. Travellers are amazed to find a Dry Goods house of such magnitude and general arrangement.

THE LION is a large Wholesale Jobber, and is always ready to handle large lots of goods—if cheap enough—that smaller houses dare not look at—hence, always has special bargains.

THE LION buys directly from Canadian Manufacturers, or British Agents, consequently saves for his customers the profits paid by smaller dealers, to wholesale houses. Do their best they cannot compete in prices.

THE LION takes the lead, regulates prices; is in a word, head and shoulders above his competitors.

THE LION comprises every branch of the Dry Goods trade—each department being a very considerable business in itself. His customers, no matter how varied their requirements, need never go elsewhere for their purchases. It has become a standing theme, "That whatever the "LION" has not got is not worth looking for elsewhere."

THE LION'S business is continually growing. This fall's sales show a large increase over former years. Want of space prevents any special mention, but your wants and requirements in

Silks, Dress Goods, Millinery, Mantles, Dressmaking, Staple Cottons and Woolens, House-furnishings, Carpets, Cloths, Tweeds, Merchant Tailoring, Hats, Caps, Fur Goods Hosiery, Gloves, etc., etc.,

SCOTT'S EMULSION

PURE COD LIVER OIL WITH HYPOPHOSPHITES OF LIME AND SODA.

This preparation combines the two best remedies ever discovered for **Consumption, Colds and Chronic Coughs, Scrofula, Rheumatism** and **Diseases of the Blood, General Debility,** and all **Wasting Diseases of Children.** It not only contains the well known and highly esteemed virtues of Cod Liver Oil in a form that is perfectly tasteless and acceptable to the most delicate stomach, but in addition, the wonderful tonic and life-giving properties of the Hypophosphites, so incorporated that the remedial powers of both are largely increased. Physicians universally acknowledge the vastly superior virtues of this combined food and medicine in all the above diseases. It is not only better tolerated, but much more readily assimilated by the system than plain Cod Liver Oil, and a better agent in enriching giving strength and vigor to the whole body.
