

The Coming Era
It is not that the time is so near, but that the things which are to come are so near, that we must be prepared for them. The coming era is not a distant future, but a present reality. It is the era of the new world, the era of the new order, the era of the new life. It is the era of the new day, the era of the new dawn, the era of the new hope. It is the era of the new world, the era of the new order, the era of the new life. It is the era of the new day, the era of the new dawn, the era of the new hope.
