would require to be erected.

hope, on a new era of prosperity, let us two successive years, he claimed that consider whether we can do nothing to avoid the mistakes which, as we all see, have been the cause of our past troubles. One of these is credit. Almost every farm in the country is mortgaged, and very many of these mortgages repre the honer could be given to all, provi- the hired girl accordingly procured four sent in large measures security for store debts, and the merchant, at whose in breaking through the rule to day the man of the house, by mistake, store they were contracted, if he is not than there would be a year hence. the mortgagee, is as much of a sufferer as himself. The simple principle of pay-as you go would do away with all this. Time was when the country was McEnery, Henderson, Clay, Lindsay-7. new, and credit at the store was the settler's only chance for life. But even | Menzies-8 then it was his duty to lessen the amount of his indebtedness year by year, and the year in which he did not do so might fairly be looked on as year of failure. In old settled countries there is licile excuse for this. The only, or at least the first and chief reason why neany merchants do no deal for casi is that they are afraid of offending their customers, who consider themselves insulted by being asked for ready money, particularly if they hapben to be in easier circumstances than same poor fellow that is just beginning, and actually needs such assistance to get along at all. The poor struggling fellow may all the while he thriving bet ter than the apparently wealthy farmer, family are, unknown to themselves; other Auditor by the Warden. Silary of over twenty feet. County Council.

The Council met on Tuesday at two o'clock. The Clerk in the chair. Members present-Messra Buck, Clay. Clements, Chisholm, Henictson, Kerns, Lindsay, Menzies, McLod, McEnery,

The necessary certificates of qualification were filled with the Clerk. Dr. Back moved, seconded by H Warden for the current year.

Capt. Kerns moved in amendment seconded by Mr. Lindsey,-That Col-

Dr. Buck supported his motion in brief speech, the chief argument adranced being the rule which has remain ed for some years past in the County Council, that the Warden should hold office for two successive years, and that a violation of this usage now would be a reflection on the ability of Mr. Ramsey to discharge the duties of the office.

Mr. Kerns said that in moving his amendment he did not entertain the idea that it would be a reflection on Mr. Ramsey's shillity. He thought that no Council had a right to com nit of any particular man as their Warden.

Mr. McLeod said he was a modest in read a statement showing that all the shared the honor many times. George town has been represented in this Coun

would support the amendment. Mr. Clay explained that the rule of posed that they purchase a triangular electing the same man Warden for two plat of gradud from Mr. C. S. Smith, successive years was adopted when Mr. McDougail, of Oakville, was in the clistr. It was the time when the agitaold school lane turned, to the north tion in favor of the C.V. Railway was weeks since, Mrs. T. Adamson, of this same man as Warden for two Park there matured. - Walkerlon Telescope. It is eighteen years since he held the
