

A Land Slide in British Columbia.

On a recent afternoon at about 3.30 o'clock, George Howland, while working on his farm, heard a noise like that produced by a pile starting a cluster of trees, and saw a great deal of earth falling from the top of the bank...

ORAT BY THE WAY.

The rhetoric of pretence is never to be compared with the stern logic of honest living. A STATESMAN'S ambition can only be satisfied with high and honorable position, a politician's with money.

Death in Chinatown.

Curious Cerebration of a Rich Chinaman. Chinatown was exercised on yesterday morning after the funeral ceremonies of Wong Ah Sing, a rich Chinese, who was shot dead by a Chinaman.

Hints for March Work.

From the American Agriculturist. FODDER CROPS.—It has been proved, beyond doubt, that one acre of good green fodder will feed two cows through the summer.

Principally Penuriousness.

From the Philadelphia Telegraph. Some of those who were honored by invitation to the Prince of Wales at the banquet held at the Waldorf-Astoria...

There is a great deal of them clearly in the world, and very little of the genuine article, which, like good gold, will stand the test of time.

There are several theories as to the cause of the land slide. It is some probable that the current undermined the bank for many feet, cutting out the loose gravel and sand.

George Howland will remove his house further inland, and James Howland will pay for a second one. A little above the place where the slide occurred was a slope of ten feet, on which the owner was preparing to build a new house.

The Paris correspondent of the Pall Mall Gazette writes: "Railway accidents are not common in France; and for that reason the one that lately occurred at Ghisy-les-Bains caused the greater alarm."

The inquiry with which we devote the means of doing what we want to do is only created by the ingenuity with which we create objections against what we want to do.

The weather and health in Europe. It would seem that Ireland is not the only place abroad where people are in a distressed condition. Intense cold has prevailed all over Europe this winter, beginning early and lasting with continued severity.

A popular clergyman who is delivering a course of sermons on "Bible Morals," at the Walker. He does not contemplate the introduction to his pulpit of a "catholic" or a "non-denominational" minister.
