He was discharged.

Once upon a time a certain man got mad at the editor and stopped his paper. The next week he sold his corn at four cents below the market prices. Then his property was sold for taxes, because he didn't read the sheriff's sales. He was arrested and fined 88 for going hunting on Sunday and be paid \$300 for a lot of forged notes, that had been Such is life without a newspaper. | to be afraid to die.

Balky Horses.

Among the suggestions said to be published by some Anticruelty to et | Animala Society, are these : If the horse when he balks, can have his attention diverted there is usually no trouble in starting him. This may be done in various ways of which the following are he a fow that have been employed : Take the horse out of shafts and turn him at around several times quite rapidly. This will make him entirely dizzy and

I don't think them sice," as she tossed her used as a remedy with good results. A string tied around the ear has the same "Don't nobody's papa have moule nice and leffect. We have seen horses of the mouths. Even a piece of sugar or But kieses don't taste good that have such hand ful of fresh grass will so direct the attention of a balker that he will often start off without trouble. Some mild treatment like these that set the to his work is vastly better than any amount of whipping, and is much easier of application. - American Agricultur

A Cheap Offer.

Previous to entering the pulpit a clergyman had received from one of his elders, who was desf, a notice to the effeet that that afternioon he would have DRY COODS. the new Sanday school Looks ready to sell to all who desired them. After the sermon the clargran began the notice One day, as I entered a railway exerisee of the baptismal terrice, thus: 'All to go up to London, I saw a little boy of those having children and desiring to secreight or nine years of age, sitting in have them baptised will bring them one corner. Though slone, he did not seem this afternoon. At this point the afraid. He had a bright, intelligent ere, deaf elder, hearing the mention of and a sweet look on his time open codaten children, supposed it was something in reference to his books, and, raising, And that he is prepared to sell at the "My boy," I said to him, "you are a said: 'And all of those having none most reasonable prices, for c sh, and young traveller, and must have started on and desiring them, will be supplied by would respectfully solicit a chare of their me for the sum of twenty fire couts

Never Had Time.

"I have come from Wickley," he answer- of a Boston detitiet to have her teeth reorganized. He found them in a very bad plight and asked her why she had allowed them to become so decayed without coming to him or some other dentist. She replied that she had not had time. "But," be insisted, "it would not have taken long, and you could have come in almost any time." She saw that he was bent on an ex | Lecon, Dec. 25th. 1579. planation, and she fired this at him like a cannon ball; "Weil, I guess if you had had a baby every year for the last afraid of tampels or anything, because I am ten years you would think it was about enough to 'tend to." He acknowledged

Should The Girls Propose?

Of course they should-leap' year or no leap year. A girl should propose to "Tes eir, but father will know me her young man on Sunday eyeningamongst ever so many people, and I shall that he go home before two o'clock Monday morning, and not come to see "But how if your father himself should her more than eix nights a week; that he spend moure mouey for clothes than "Oh! father knows the way, sir, and he for billiards, and less for clothes than Only One Dollar Per Year will be sure to take me all right to my new he earns; that he awear off imbibing cloves between acts, and stop parting Blessed little evangelist! I said in my his hair in the middle. She should heart; you are wiver then you know, and propose -pro-she-thatis-Well, this you teach me a drvine less m. Why should being leap year, there is one other thing I not be happy and trustful as I travel on tabe might propose, but it has entirely life's journey "I, too, am going to my Father, slipped our memory. It may occur to
