IHURSERY MORNING, AUGUST, 12, 1880.

PAY AS YOU OO.

This advice is alwars good, but it is abend for work or business look en entruging, and every body looks cliner bil. How many times have you said I sould only get my bills paid up I pressed its delight in vigorous clapping ague and ague cake, are eradicated t never would be exaglit in this way and cheering. After again," and you worried over debts contracted when the times were Bush. and the prospect for paring (them the time when the temptation to do the same thing is strong upon you. If tion. your wages are increased, or you are salling more goods and getting a better profit, you begin to think, " Now I can bing he clewed half a pound of beefbay that new carpet or chamber sa: that my wife wants, and can pay for it' in a short time." You bad better wait antil you have paid all the old debts ! first. Par all your household expenses hour he purtook of some nourishing as you go along, and save what you ing that the fittle pile you have saved all day, and frisked about his room, will see better times and good health. is subject to no person's lien, and this will be a positive pleasure. Tue man who buys what he is unable to pay for at the time of purchase is mortgaging \$1,000 a week for twenty weeks, and his life and labor and incurring a bur- 8900 per week for an indefinite period. den which most likely be will regret. "Par es you go " is a wise maxim, and its observance will lighten the burdens and cares of life, sweeten toil, er cour age industry, reward honesty, promote

trich Prospects Improving. ing. The crop prospects are good, and the condition of the peasantry is now time a very fine wheat, and a tolerably considered so fevorable that the Relief good yielder. It makes a superior Committee here determined to dis- grade of flour that ocunot be manufac solve. The sympathy shown for Ireland-during the distress says something or other not easily accounted for for the brotherhood of man. People in Next in order is the Source or Claw all parts of the world contributed liber- wheat, but only a moderate rielder ally to their relief; and when a second Ou the whole, however, it is a prett appeal was made they contributed a sure wheat, but of poor quality for second time. But the Irish deserve almost impossible to make good baker's all the sympathy they get, for they are flour of it without mixing it wit among the most hospitable people in spring or red winter wheat. There the world, even when they have nothing better than potatoes. One of the and the Arnold Victor, in respect to great misfortance of the trish near which our knowledge, is somewhat antry is that they are compelled to limited, but we do not think they are contribute so freely to the maintain good qualities for flour, and we would ance of the Catholic Church. Then, as also say for the benefit of your readers Archbishop Lynch remarked after his that the Amold Victor is a lad wheat recent-visit, they drink more than is good for them, and this makes them sllow it to fairly ripen before falling. careless and lazy. But, as they tell Last, but not least in importancec, you themselves, they are the finest peasantry in the world, and every one the other varieties, which are as fulis the son of an Irish king, daughters and all .- Telegram.

A WEEK in your own town, and no capital risked. You can give the business a trial without expense. The best opportunity ever offered for those willing to work. You should try nothing else until you see for yourself what you can do at the business we offer. No room to explain here You can devote all your time or only your spare time to the business, and make great pay for every hour that you work. Women make as much as men. Send for special private terms and particulars, which we mail free. \$5 outfit free. Don't complain of hard times while you have such a chance. Address. H. HALLET & o. Portland Maine.

MANHOOD.

We have recently published a new edition of Dr. Culverwell's Celebrated Faray on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments of Marriage, etc.)

Price, in a scaled envelope, only 6 cts. .The celebrated author, in this admirable Essay, clearly demonstrates, from thirty sequences may be radically cured without he dangerous use of internal medicines or the use of the knife; pointing out a mode of oure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheapty, privately and radically. This Lecture should be in the hands of
