TOWN AND COUNTY.

—The Provincial exhibition is now being held in Hamilton, and will continue for two weeks.
—Our streets were, in a measure, deserted the past week, owing, we suppose, to the Toronto Exhibition.
—A person now-a-days secretly keeps whether to himself or confide in an insider or outsider.
—A western paper said bugs were worn to hide wrinkles on the forehead, and the next day every girl in town sport her hair.
—Miss Ross D'Eriza will give one of her celebrated concerts in Acton in October, under the auspices of Acton Brass Band. See poster.

—Parties residing in the village who do not receive their papers regularly, will greatly oblige us by calling personally and informing us of such delinquency.
—Acton public school library contains 450 volumes. A good indication of a healthy sentiment among the people of that progressive village.—Milton News.

TEACHERS' ASSOCIATION.—The half yearly meeting of Halton County Teachers' Association will take place in the High School, Oakville, on the 7th, 8th and 9th of October. A good programme has been provided and the session will no doubt be an interesting one. The teachers of the county should take a lively personal interest in the meetings of the Association, as they will be much benefited by them, and also be enabled to keep pace with those in the profession in other counties in the province.

The cool weather puts a check on the work of the busy fly.

To Toronto.—A large number of our citizens visited Toronto last week. During the week 233 tickets were sold, 180 of which were given out on Friday.

New Residence.—Mr. John Gibbons, of Swackhamer's hill, is making preparations for the erection of a new brick residence on his property opposite the G.T. R. depot.

The Cow By-Law.—The Cow By-Law appears to be a dead letter already. Only nine cows were counted on the street last night about nine o'clock. The citizens complain about the council not enforcing the By-Law.

FALL ASSIZES.—The Fall assizes, with Mr. Justice Wilson presiding, opened at the Court House, Milton, on Monday. There were several civil cases, and the criminal docket included a libel case and two cases of indecent assault.

SERIOUS ACCIDENT.—Last Thursday William Sloan, Sr., of Milton, while under the influence of whisky, upset a pot of boiling water over himself, and was dreadfully scalded. At one time it was thought that he could not recover, but the last accounts are favourable.—Champion.

MEMORABLE DAYS.—These early days of autumn require no great, distinguishing events to make them marked and memorable. The clear, bracing air, comfortable temperature, after the extreme heat of summer, with the perfected beauty of foliage and fruit, seem to introduce us to a new state of existence.

PERSONAL.—We learn that Prof. Harrington, for the last two years leader of the Norfolk street Methodist Church choir, has resigned his position, and intends leaving for the States, where he has secured another situation. The choir, under the Professor, has attained a high state of proficiency, and many will regret his departure.—Guelph Mercury.

Rosa D'Eriza.—The Brass Band have undertaken to induce Rosa D'Eriza, the celebrated vocalist, to give one of her concerts in Acton in October. They have gone to much trouble in completing the arrangements, and it is to be hoped that their efforts will be met with a liberal patronage. The date and further particulars of concert will be given next week.

ATTEMPTED SUICIDE.—On Sunday last a young man about 20 years of age, who gave his name as John Oliver, from Lockwood, attempted suicide by striking himself on the head with an axe. He is supposed to be insane, and when arrested was haggard and his clothes in a filthy, ragged condition. He was placed in the lock-up where he will remain pending further investigations.—Milton News.

Mr. Joshua Van Allan, an old and much-respected resident of Halton County, died on Tuesday, the 7th inst., at residence of his daughter, Mrs. James D. Freeman, in South Oxford, at the ripe old age of 78 years. Mr. Van Allan was born in the city of Toronto (then called Little York) in the year 1822, where he lived some thirty years. He then moved to the county of Halton. Here he resided for almost fifty years.—Champion.

At the Toronto Industrial Exhibition \$2,118 was offered in prizes in the cattle department. The County of Wellington succeeded in securing \$1,550 of the money. Mr. F. W. Stone secured \$201 out of \$270 offered in his class of cattle. Messrs. McCree and Devlin, in Galloways, captured \$226 out of \$329. In grade cattle the County of Wellington took \$242 out of \$275 offered. Five diplomas were offered, and the County of Wellington captured four of them.—Guelph Herald.

AWKWARD.—A young horse wife, living not a thousand miles from Acton, devoted the entire of yesterday making tomato catsup, and when her husband got home to dinner the made him taste it, tell her what he thought of it, say that it was the best color and flavor he had ever known, and then she got him to help her lift the great boiler in which it was in, off the stove. He was awkward—let the handle slip, and good-bye catsup for 1890. We won't describe what his wife said or did.

IMPORTANT ANNOUNCEMENT.—Mr. Leod, Anderson & Co. of Georgetown, beg to announce that they have moved into their new store, right opposite the old stand. Having enlarged facilities for doing business, we shall make a special reduction in this fall to give the choicest, cheapest and best goods ever offered to the public. The stock is immense, varied, and attractive, and wonderfully cheap. Our new Millinery and Clothing, and all kinds of new fall and winter goods. Call and see, and behold one of the most magnificent stocks and stores in this part of the county. McLeod, Anderson & Co.
