**THURSDAY MORNING SEPT. 30, 1880.**

**TOWN AND COUNTY.**

All notices appearing in the local columns of  
the FREE PRESS, calling attention to public  
meetings or entertainments, religious  
services, or to any business matter, will be  
inserted only as advertisements, and charged  
at regular rates.

—Rosa D'Erina is coming.  
—We had a storm this morning.  
—Business was lively in town on  
Saturday.

—The Board of Education meets in  
the school house on Monday evening next.  
—The recent rains have given the  
grass and fall wheat a fresh and healthy  
appearance.

—Pressure on our space compels us  
to hold over important and interesting  
reading matter.

—The frost is coloring the leaves of  
the trees, reminding us that winter is nigh  
at hand and not far off.

—Alcohol will clean silver. Yes,  
alcohol will clean it, but will it clean the  
silver you have—out of your pocket.

—We understand that about two  
thousand five hundred cords of hardwood  
will be purchased at Acton station the coming  
winter.

—Messrs. W. H. Storey & Son are  
exhibiting their assortment of Crockery, Glass  
and Cutlery, at the Southern Fair, at  
Toronto, this week.

—The Oakville Express steals local  
matter from almost every paper in the  
county. Why do not the editors of such  
papers more in keeping with the place provided?

—Local items are always wanted in  
a newspaper office. Thus if any of our  
readers hear of any "interesting item," we  
trust that they will not hesitate to hand it  
to us.

—The Georgetown express war has  
not yet concluded. We think the partici-  
pators in this "War of Words" are becoming  
too personal in their remarks concerning  
each other. They had better quit.

—The new plus plank sidewalks  
now being laid by the village council, are  
much superior to those of hemlock plank  
laid a few years ago. The new sidewalks  
are being laid on sand cedar posts and will  
no doubt be more permanent than the  
other.

—It is said there will soon be plenty  
of 5 and 10 cent pieces. The Deputy Re-  
ceiver-General has got in a large supply  
from the Mint, and is giving them out in  
exchange for bills. As bills are scarce with  
us we are thankful for any kind of money  
just now, unless it can result in the old  
style. Send along the bills.

**Now for Study and Work.**—This  
intense heat and consequent exhaustion of  
summer are now over. With the return of  
frosty nights come health and vigor. Now  
is the time for young men to strive to ap-  
ply themselves in earnest to their studies,  
and their work—not wholly neglecting,  
however, of an evening, the pretty girls,  
whose smiles will serve to cheer them on in  
their more serious studies.

**Personal.**

Mr. Wm. Overton, of Haliburton, is in  
town.

Mr. T. J. Street of the Milton News,  
was in town on Friday.

Mr. W. H. Storey is indisposed, and un-  
able to attend to business.

Mr. B. W. Nicklin and wife visited their  
Pikington friends last week.

Miss Kitto, of Brampton, visited her  
Acton friends during the week.

Mr. Milne, of Ripley, is spending a few  
days with his Acton relatives.

Mr. J. T. Hemstreet, of Shefferson, made  
her Acton friends a short visit this week.

Mr. A. A. Farmer, of Caledon East,  
spent a few days this week with her Acton  
friends.

Mr. J. W. Fitzmaurice and wife were the  
guests of Rev. T. L. Wilkinson for several  
days during the week.

Mr. Robert Hold and wife, of Nottawa,  
Wisconsin, and Mr. William Robinson, of  
Sycamore, Illinois, spent a few days very  
pleasantly with their Acton friends during  
the past week. Mr. Hold spent his boyhood  
days in this county, but removed to Wis-  
consin forty years ago. He thinks Acton  
has improved considerably in forty years.

**Rockwood Mills.**—Mr. John Moore,  
Rockwood, has purchased the flouring mills  
in that village.

**GOOD DEMAND.**—The Hamburg Cor-  
dovan tannery here is not able to supply  
the demand for their Cordovan leather.

**COMMUNION SERVICES.**—The usual  
quarterly communion services were held in  
the Presbyterian church on Saturday, Sun-  
day and Monday last.

**Rosa D'Erina.**—This talented vocal-  
ist will appear in Acton under the services  
of the Band, on Monday, 18th October.  
Don't fail to hear her.

**THE PULPIT.**—Mr. J. W. Fitzmaurice  
occupied the pulpit of the Methodist church  
on Sunday evening. He preached a most  
interesting and excellent sermon.

**A RARE CHANCE.**—The FREE PRESS  
and the London Advertiser's Weekly Lib-  
eral from now until January 1st, 1882, with  
splendid portrait of Gladstone as a premium  
to new subscribers, all for \$2.20.

—Burglars entered the post-office  
store at Ballinast, one night last week,  
and carried away all the postage stamps,  
54 yards of twed, a piece of cotton, 3 pairs  
of boots, a box of tea, and about \$4 worth  
of sugar.

**CREDITABLE.**—At the Provincial Ex-  
hibition, at Hamilton, Mr. John Chapman  
of this village succeeded in winning four  
first prizes and one second, on his paintings  
and drawings. This makes over \$30 in  
prize-money from the Toronto and Hamilton  
fairs.

**ACCIDENT.**—On Monday last  
the team of Mr. M. Coker, near Spaulde, ran  
away, with his two little sons in the wagon.  
The wagon upset and one of the little fel-  
lows received a number of ugly cuts and  
bruises about the head and shoulders, the  
other escaped unhurt.

**TEACHERS' ASSOCIATION.**—The half-  
yearly meeting of the Halton Co. Teachers'  
Association advertised for Oct. 7th, 8th and  
9th, at Oakville, is postponed till Oct. 28th,  
29th and 30th, at which time and place the  
programme will (O.V.) be fully carried out.  
—E. C. Carter, Secretary.

**OUR VILLAGE.**—We are pleased with  
the favorable comments of visitors in speak-  
ing of our little town. The daily expression  
by them is "What a neat, clean, healthy  
and industrious little place you have!"  
Our citizens are justly proud of their town.  
A few necessary improvements, however,  
will make it even more attractive.

**MACHINE ACCIDENT.**—On Monday  
afternoon, John Sherwood, a farmer living  
near Milton, while getting on the table of a  
threshing machine, slipped, and his foot  
caught on a knuckle of the tumbling-rod.  
His foot was torn off, and the ankle and  
thigh so badly mangled that amputation was  
little below the knee was found necessary.

**SCOTT ACT IN HALTON.**—Notice is  
given that as the required number of voters  
names have been obtained for petition in  
favor of the Canada Temperance Act of 1878  
in the county of Halton, province of Ontario,  
that said petition will be filed in the  
sheriff's office in the town of Milton, in the  
county of Halton, on the 11th of October,  
1880.

As the first number of the fifth volume of  
the Canada Health Journal, published in  
Toronto. The journal is a practical sanitary  
monthly devoted to individual and public  
hygiene, and is a very valuable magazine to  
all who are desirous of promoting good  
health. The articles are well written and  
interesting.

**THE "LOOS" GUELPH.**—The attention  
of our readers is called to the new ad-  
vertisement of Messrs. J. J. Williamson &  
Co., Guelph. Something novel and very  
interesting in its nature for our lady readers.  
The firm announces a grand daily gaiting  
illustration of their shoe works. Their  
fall stock is now complete, and extra value  
in goods will be given in all lines.

**Gospel Temperance.**

As Mr. J. W. Fitzmaurice was making a  
short visit with his friends, Rev. T. L.  
Wilkinson and family, of this village, this  
week, he was prevailed upon to deliver a few  
of his celebrated lectures on Temperance.  
On Monday he delivered his lecture, "Ob-  
struction, and its removal, or the Re-  
formed Man's Work," to a large and atten-  
tive audience. The lecture was excellent  
and interesting in every detail, and the  
lecturer presented a number of new argu-  
ments in favor of the question of Prohibition  
which have never heretofore been  
brought out on the temperance platform in  
Acton. He illustrated in a most complete  
manner the necessity for legal coercion in  
connection with moral suasion, and showed  
plainly that if the liquor traffic is banished  
it must be accomplished by those who have  
access to the ballot box. Owing to the fact  
that the basement of the church was filled  
on Monday evening it was decided to hold  
the lecture on Tuesday evening in the audi-  
torium, and notwithstanding the wet  
weather all the seats below the gallery were  
occupied. The subject of the evening was  
the work picture, "Who robbed John Smith?"  
The picture was one taken from every day  
life, and represented a working man, com-  
mencing at boyhood and following him  
through the various scenes of life, picturing  
his happy home and family and his success  
in life, until the first step in the downward  
path was taken by taking an occasional  
glass with a friend, and in the descent  
until the man was utterly ruined and con-  
demned for the murder of his once happy  
wife. The speaker fully illustrated the pic-  
ture, and his remarks were in "ethical bon-  
homie" with what is actually taking place  
in every day life, without exaggeration, and  
he showed how John Smith had been robbed  
of home, business, character and soul by the  
rum traffic, through the rum seller, and as  
a result of the man's ruin.

I have much pleasure in adding to  
the number of the numerous testimonials  
you have already received, and to the  
value of your renowned Pain-Killer. I  
have sold it and used it in my family for  
twenty years or more, and have no hesi-  
tation in saying that it is the best prepa-  
ration I have ever used for the  
purposes for which it is recommended;  
and moreover, every person to whom I  
have ever sold it, has been perfectly  
satisfied with it, and I have many  
persons who will not go to bed at night  
unless they are using it. It is a bottle of  
"Perry Davis" in the house. All who  
have used it, will see the gain; it  
makes friends and relatives them.

Yours truly,
