NEW CONSTABLE.—At the last meeting of the village council Mr. W. Hemstreet was sworn in as village constable. Mr. Hemstreet has been instructed to enforce all by-laws, and we have no doubt he will perform his duties without fear or favor. The services of the constable will now be carried out.

HEMSTREET; Anthoniester, desirous to intimate to the farmers and others of Wellington county that although he has moved to Acton he is still prepared to attend Auction Sales in that county, and information in reference to terms and dates will be given by Henry McCarthy, Rockwood, or by himself at Acton.

REVIVAL SERVICES are being conducted in the C. M. church, Georgetown, under the supervision of Revs. W. Walsh and T. Albert Moore. The meetings are being successful in the sense that converted, quite a number having given themselves to the Lord, and praised a change of heart. May the good work continue.—St. Mary's Journal.

Owing to the large amount of advertisements received for insertion this week we are unable to give the usual quantity of local matter and several important articles and communications are crowded out. We trust, however, that our readers will bear with us this week and we will give the usual amount of interesting matter in our next issue.

SACRAMENT.—On Sunday last the usual quiet services were held in the Methodist church. At the conclusion of the morning service the Love Feast was held and the Sacrament of the Lord's Supper was administered by Rev. T. L. Wilkinson, pastor of the church. The monthly Communion Services were also held in St. Albans church on Sunday last.

KIDNEY DISEASE.—During the past week we rendered accounts to nearly all subscribers who were in arrears, and a large number of those indebted to us have responded and paid up their accounts, to whom we tender our thanks. There is yet, however, a very large number, who owe us for the Free Press and also for advertising and job work who would prefer us as a favor by settling their accounts without further solicitation.

I assure you it is true that before entirely giving up the practice of medicine, he spent only ten days at a hospital, after which he said, "If that is all, I will go to the Institute and get some more for your George Gandy."

KNIGHTS OF PYTHIAS.

In our issue of last week we gave a short notice respecting the visit of Toronto, and Hamilton K. of Py., to their Acton brethren. The visiting brethren numbering about 30, were recently arrived by the G. & G. train on Wednesday evening. They were met at the G. T. R. depot by the members of Calanthe Lodge of this village in full regalia, headed by Zetton Israel, Israel, and a large number of boys bearing torches. Several hundred of our citizens assembled at the depot to witness the procession. After fraternal greetings they proceeded in procession to the Lodge room, where a session took place and several ranks were conferred, after which they again formed in procession and marched to the Grange Hall, where a sumptuous repast had been prepared by Mr. John Bennett, which reflected great credit on him as a caterer for the public. The choir was occupied by Mr. W. H. Storey, and there were present Messrs. G. H. Mitchell, G. E. L. and S.; A. L. Ratcliffe, P. G. V. C.; of Toronto; G. W. Plastow, G. L. G.; J. Scott, M. F. E.; Hamilton; W. H. Childs, C. G. of Red Cross Lodge, Hamilton; T. Wilson, P. C.; W. L. Beimster, G. M. of Pittsburg, Pa. Among others present were Messrs. Dodds, McPherson, Gray, Cameron, of Toronto; and Messrs. Walsh, Brown, Peeler, Ecclestone and Goodeve, of Hamilton. After all had satisfied themselves with the "good things" provided, the tables were cleared and Mr. W. H. Storey made a few appropriate remarks in reference to the progress of the order and the hospitality of our village, after which the following toasts were proposed and drank in water with enthusiasm. The first toast was "Welcome to the visiting brethren," responded to by members of Toronto and Hamilton Lodges. Then came "The health of the Supreme Lodge," replied to by Mr. G. H. Mitchell, of the Supreme Lodge, Guelph. The next proposal was "The Grand Lodge of Ontario," to which Mr. E. J. Villiers, of Toronto, and Mr. G. W. Plastow, of Hamilton, responded, after which "Our American Brethren" was given, and answered by Mr. G. Farley, of Pittsburgh, Pa. Then followed "The Prosperity of Calanthe Lodge," which was replied to by Messrs. G. Hynde, T. Moore and T. Francis, of Calanthe Lodge. "The Queen" was given, and honored by the company rising and singing the National Anthem. "The Brass" was proposed by Mr. T. W. Wilson, and responded to by Mr. H. P. Moore, of the First Fins. "The Ladies," and "The Host and Hostess" were presented and replied to, after which general conversation was engaged in. During the evening a number of pieces of good vocal music were given. The company broke up at a reasonable hour, all well pleased with the evening's entertainment.
